THERE IS THIS LEGEND, ABOUT A CONTAINER WHERE EACH AND EVERY SINGE POSIOUNOUS CREATURE FROM THE ORIENT WAS GATHERED...

AND AS THEY WERE LOCKED THERE TOGETHER THEY ALL STARTED BITING AND KILLING EACH OTHER... THE WEAKER ONES WERE EATEN, WHILE THE STRONGER ONES SURVIVED...

BEFORE LONG, THERE WAS ONLY ONE CREATURE LEFT ALIVE. THE ONE POSSESSING THE MOST EXTREMELY POTENT POISON.

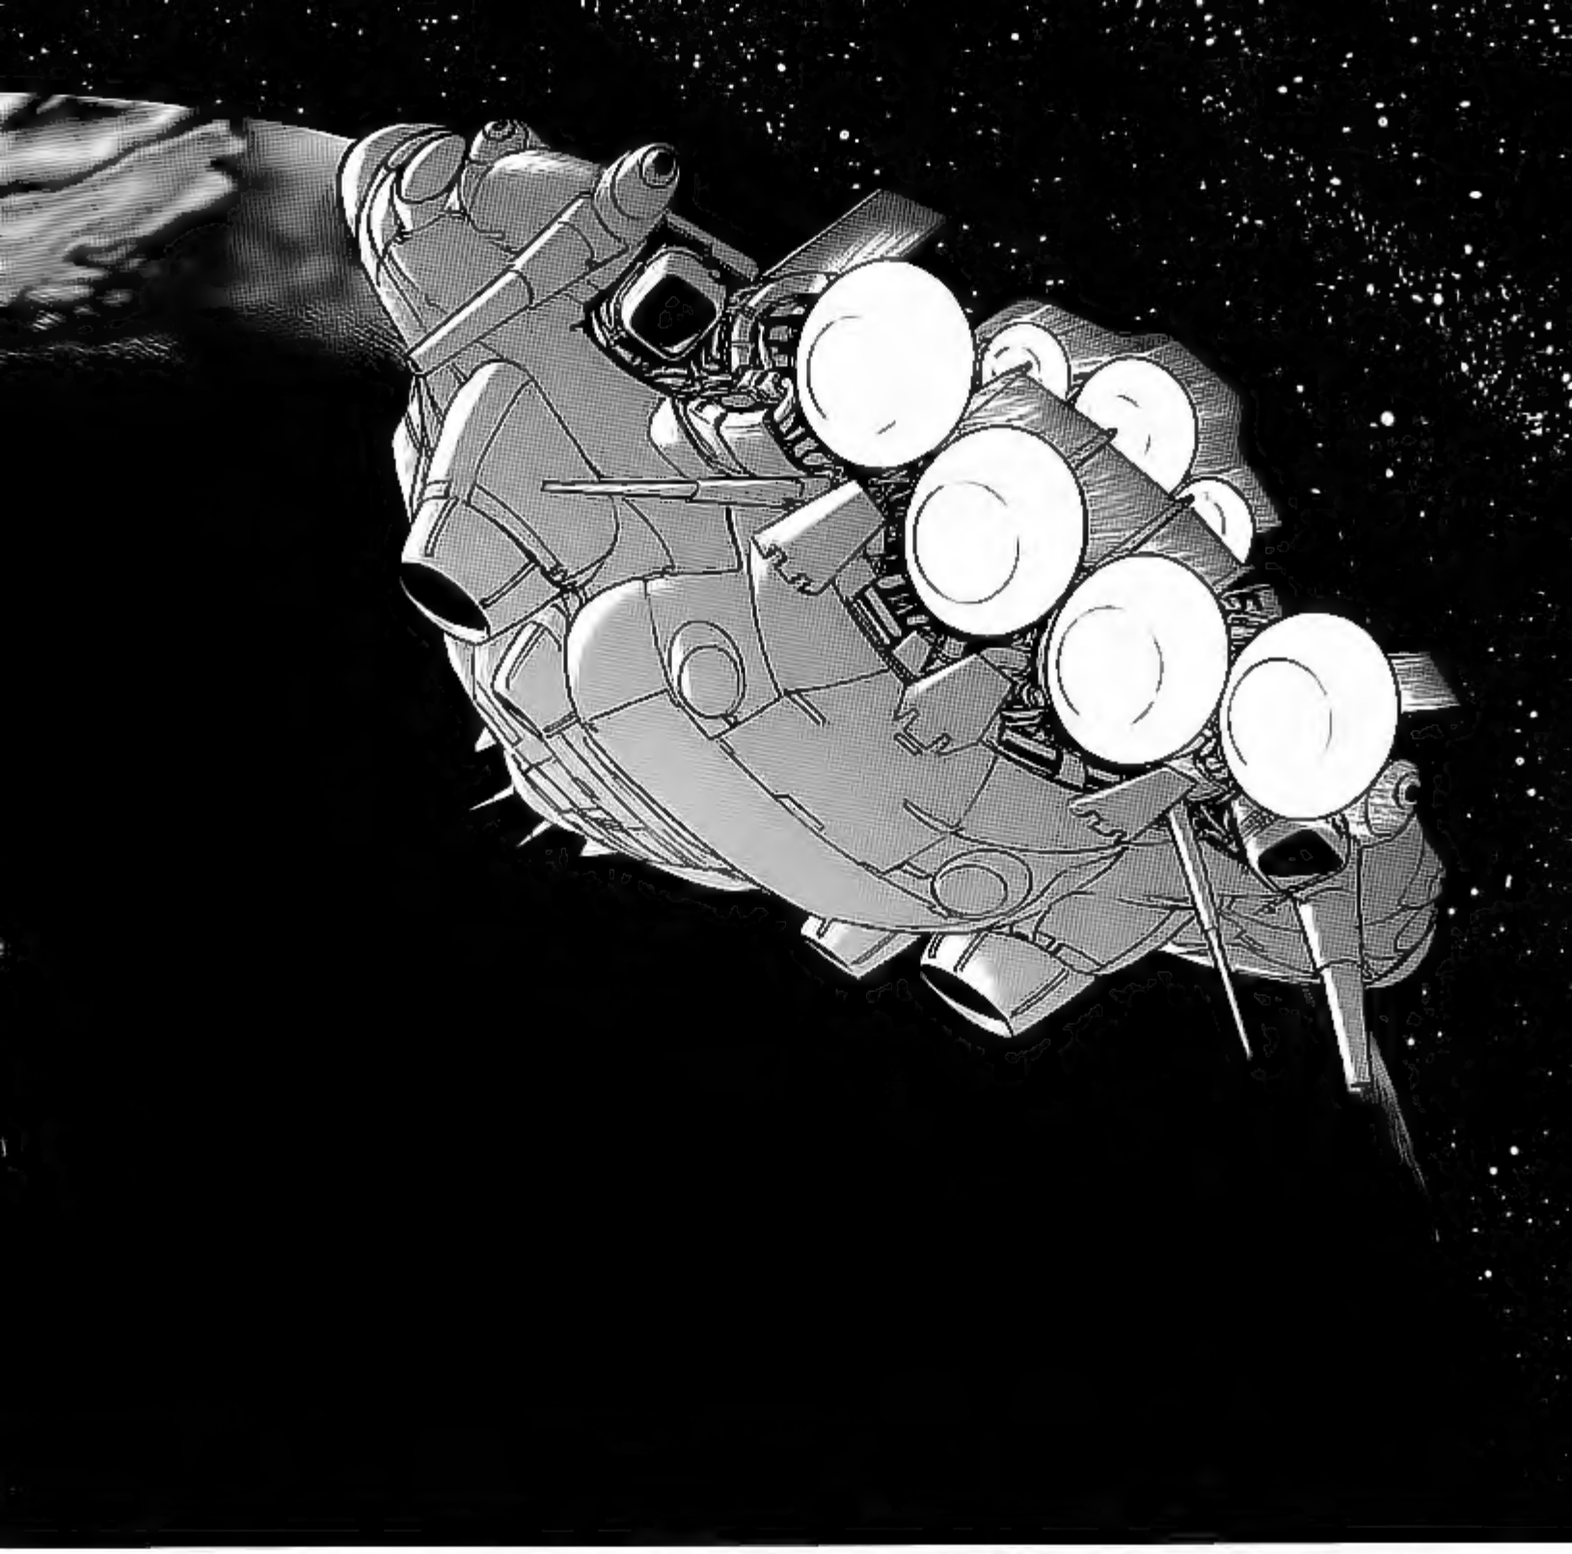
AND THE **STRONGEST** OF THEM ALL WAS THE KODOKU WORM!

NOTE: KANJI USED FOR KODOKU MEANS "POISONOUS RICE WORM"

KOUOKU EXPERIMENT

コドク・エクスペリメント

vol.1

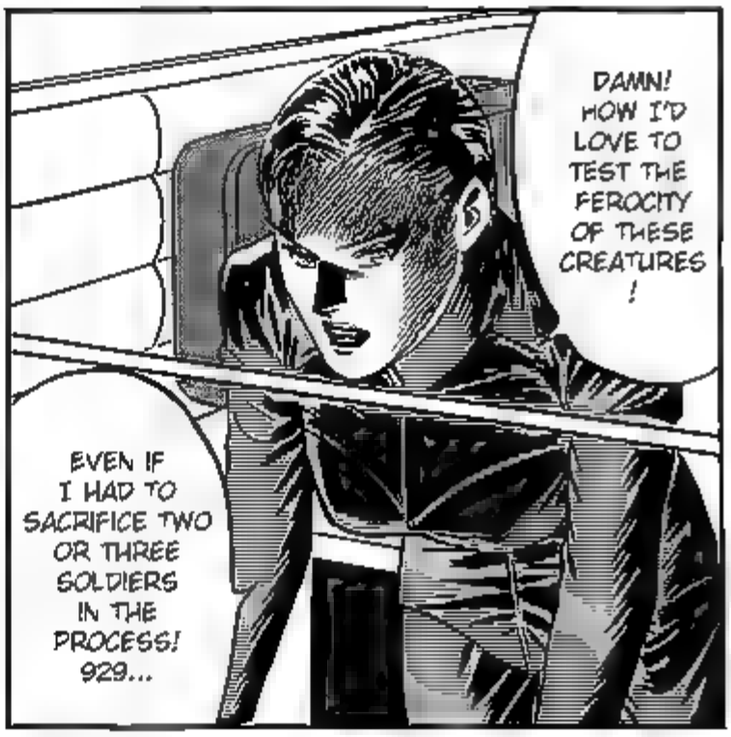


ACCORDING TO THE INVESTIGATION, DUE TO THE EASTERN HEMISPHERE'S CONSTANT TECTONIC FLUCTUATIONS, THERE'S NOTHING ALIVE THERE. THE ENTIRE BIOSPHERE SEEMS TO HAVE BEEN DRIVEN OVER TO THE WEST HEMISPHERE

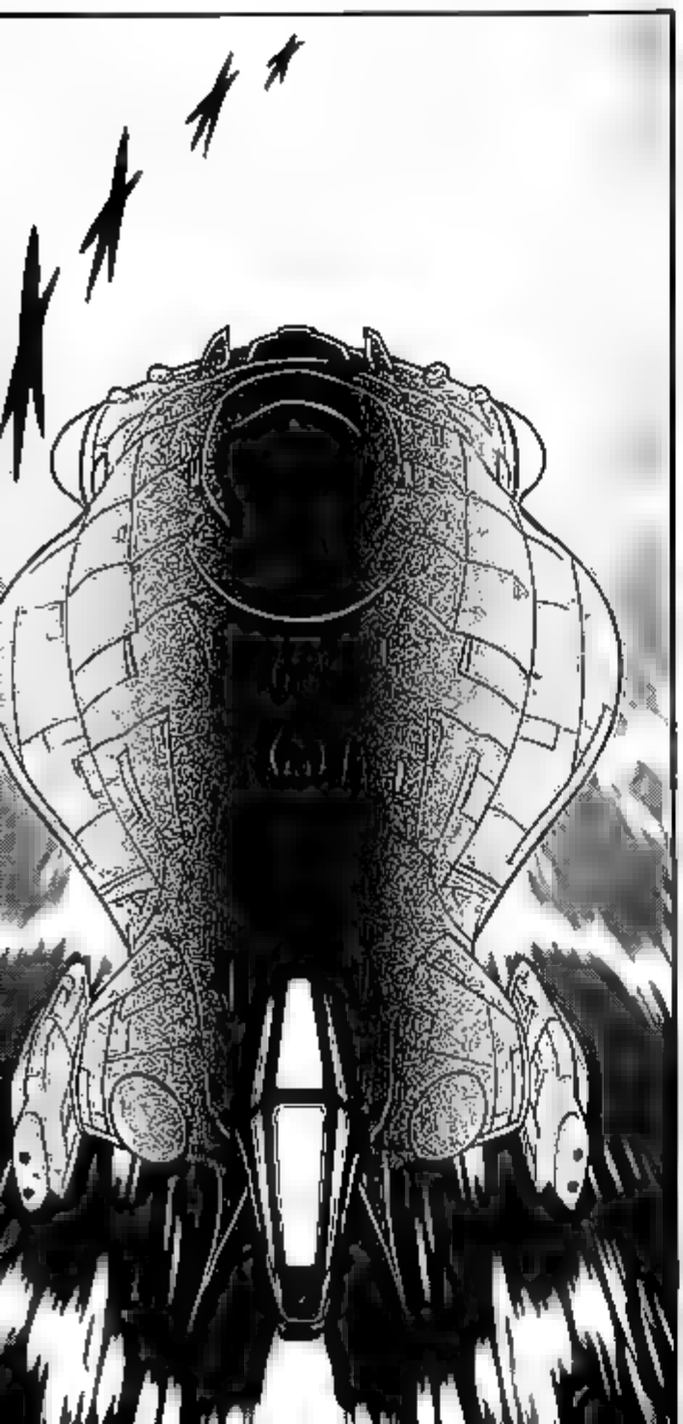
WE ARE PROCEEDING WITH PLANS. CONTINUE THE LANDING ON WEST HEMISPHERE'S POINT D2.
YES SIR! FIRST LIEUTENANT BUGLESS!

DERONG 5 ALPHA...WE ASSUMED THAT THIS WAS YET ANOTHER PLANET WHERE THERE WAS LIFE IN THE OCEANS, VEGETATION ON THE LAND AND MANY DIFFERENT SPECIES OF HERBIVORES.
.....
BUT CURRENTLY THERE ARE NO SEAS OR OCEANS, AND THE ONLY LIVING CREATURES ARE SURFACE DWELLING CARNIVOROUS ANIMALS....
AND THE INTELLIGENCE GATHERED BY THE ROBOT PROBE ON THE SURFACE INDICATES THAT ALL OF THEM ARE ENGAGED IN A GAME OF SURVIVAL OF THE FITTEST, STRUGGLING FOR EXISTENCE, TO EAT OR BE EATEN IN A CONSTANT BATTLE WHICH WILL EVENTUALLY LEAD TO A DAY OF TOTAL EXTINCTION.
I WONDER WHAT KIND OF CREATURE WILL BE THE LAST ONE SURVIVING BEFORE THE FINAL END .?
THIS PLANET ALMOST TOTALLY ADHERES TO THE DEFINITION OF A "KODOKU EXPERIMENT" IF EVER IT WAS PUT INTO EFFECT
THE ONLY POINT WHERE THAT DOESN'T MATCH IS THE FACT THAT THE PLANET'S SURFACE BECAME SO UNSTABLE .
ALSO, WE HAVE NO IDEA WHAT STRENGTHS AND METHODS THESE CARNIVORES USE TO SURVIVE IN THAT ECOLOGY

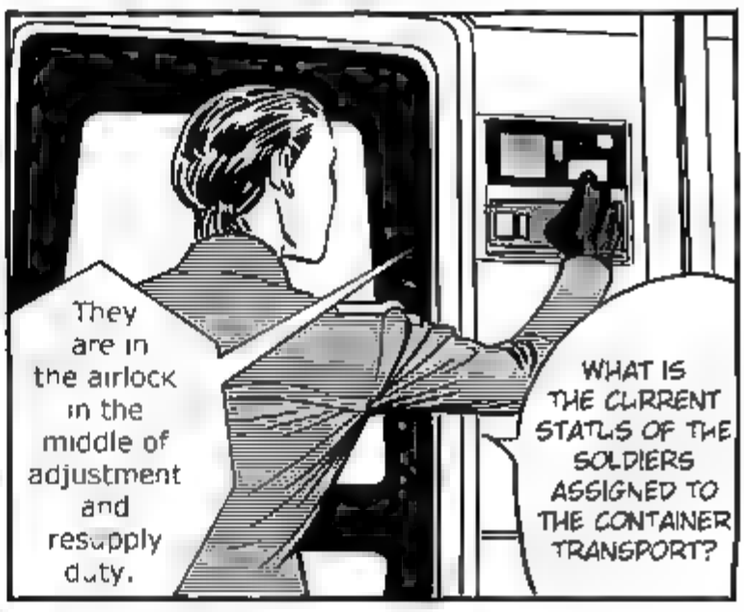
.....



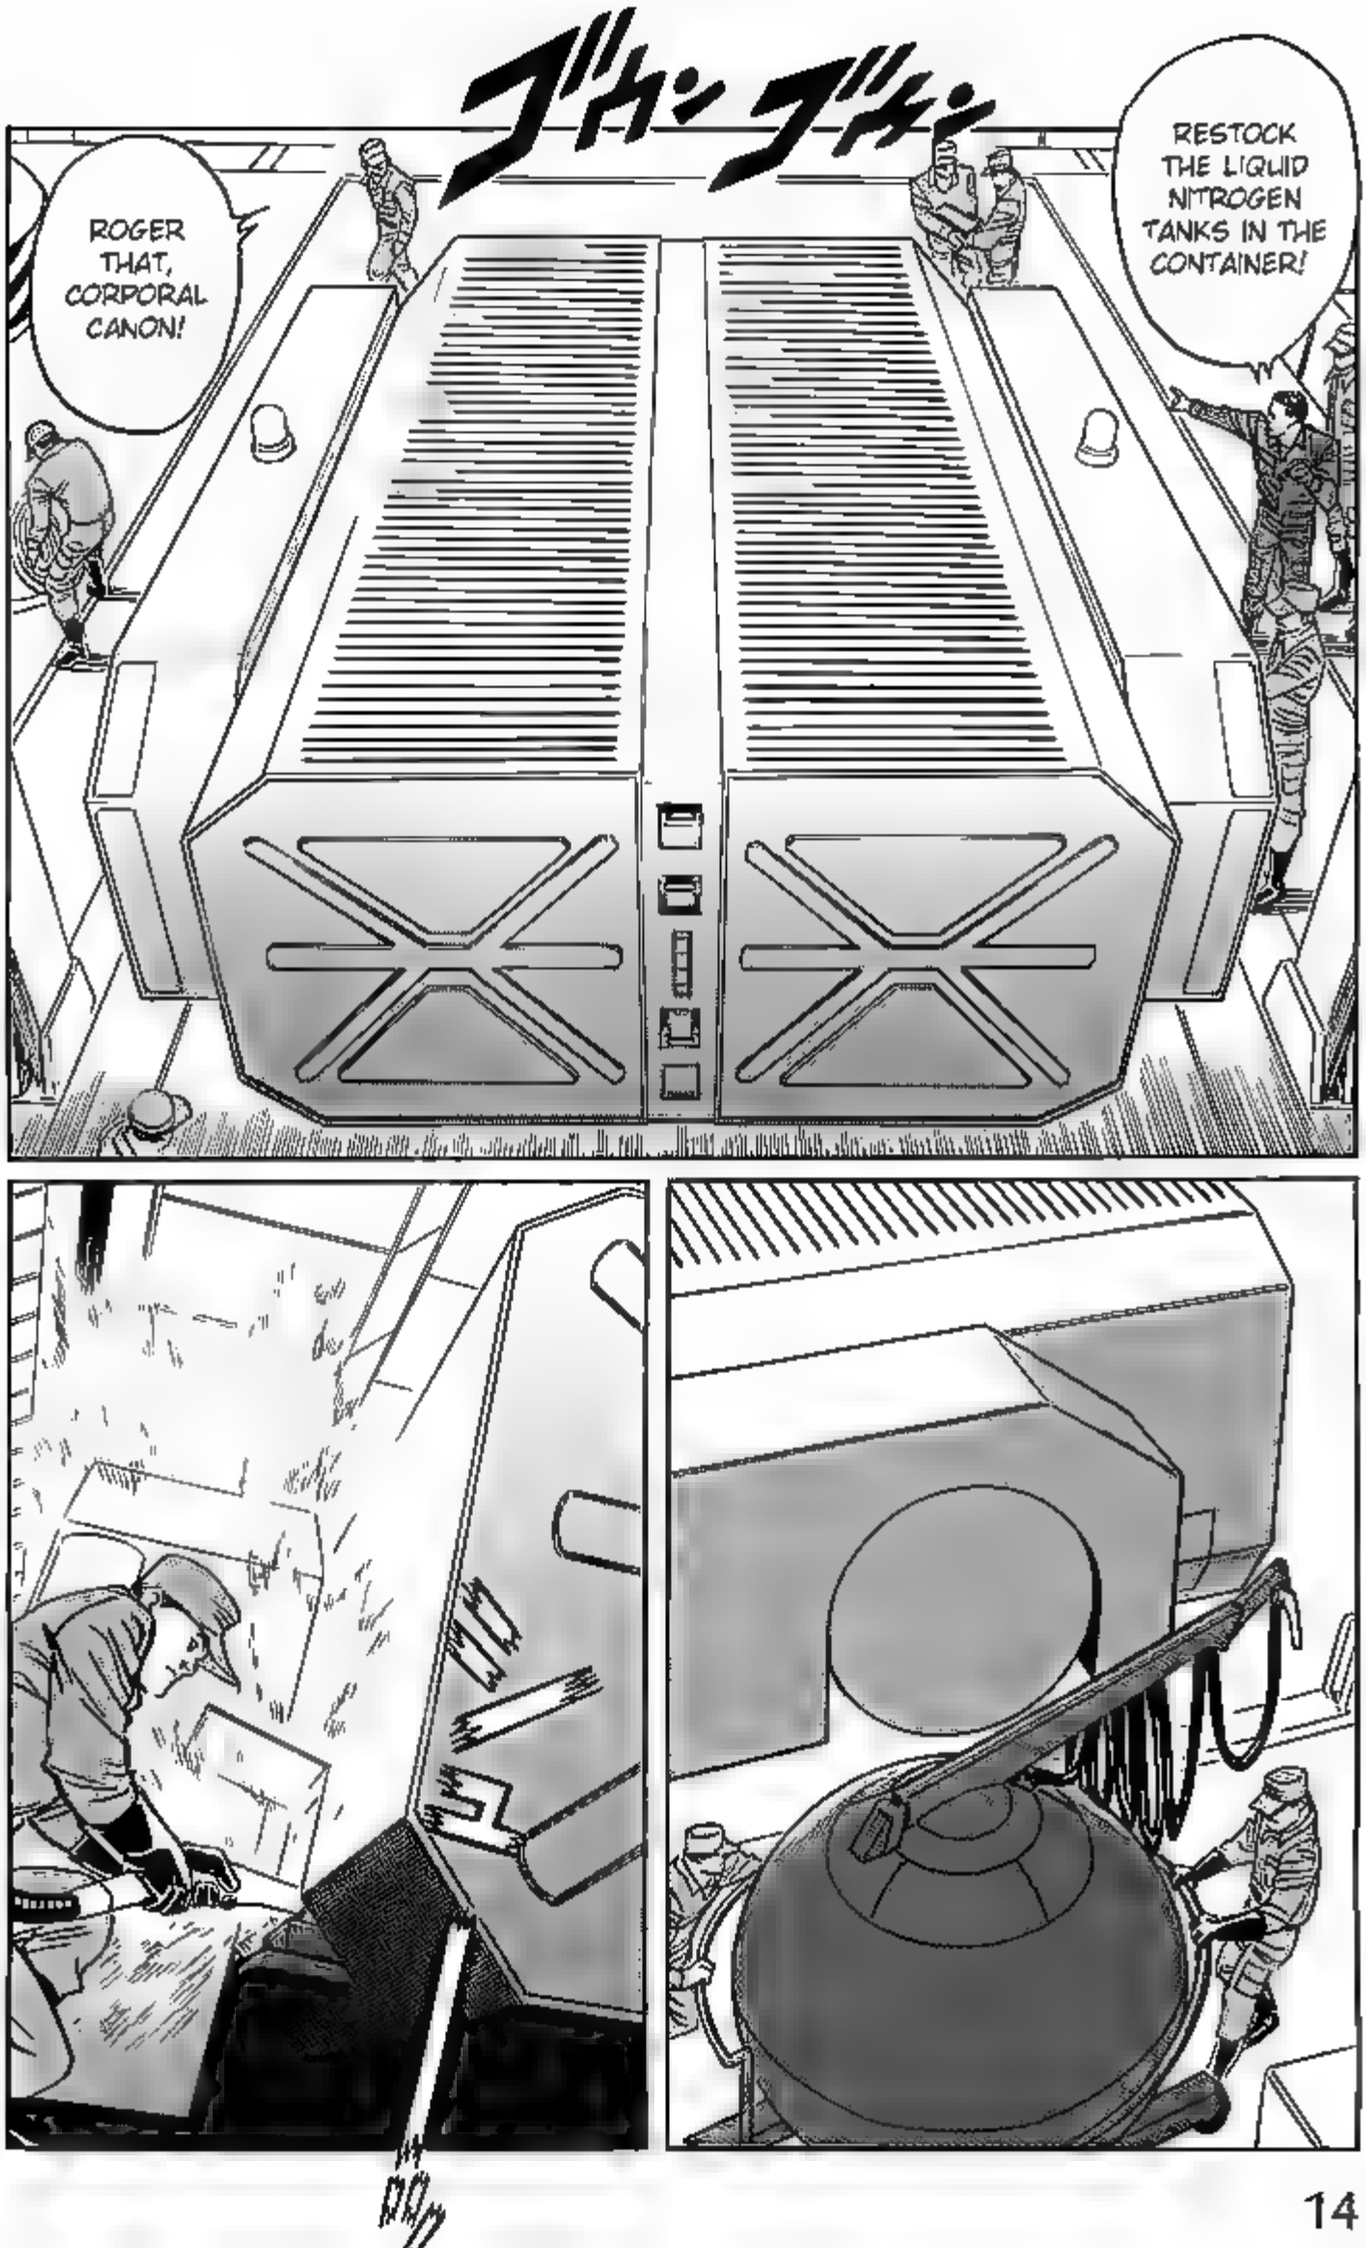
DAMN! HOW I'D LOVE TO TEST THE FEROCITY OF THESE CREATURES !
EVEN IF I HAD TO SACRIFICE TWO OR THREE SOLDIERS IN THE PROCESS! 929...



929--- DELETE THE PREVIOUS STATEMENT FROM THE OFFICIAL RECORD.



They are in the airlock in the middle of adjustment and resupply duty.
WHAT IS THE CURRENT STATUS OF THE SOLDIERS ASSIGNED TO THE CONTAINER TRANSPORT?



ゴゴゴゴ
ROGER THAT, CORPORAL CANON!
RESTOCK THE LIQUID NITROGEN TANKS IN THE CONTAINER!

WELL YOU CAN ALWAYS SEND YOUR APPLICATION ..THOUGH I DOUBT THEY WILL ACCEPT IT.
YEAH, IT'D SURE BE NICE TO TAKE A BREAK BACK AT THE MOTHERSHIP, RIGHT, CORPORAL?
SHIT! IF ALL THEY EVER GIVE US IS CLEANING UP THE GIANT CENTIPEDES FROM THE PSIAS SYSTEM, OR ODD JOBS LIKE SECURING THIS CONTAINER, THEN OUR MILITARY EFFICIENCY WILL START DROPPING RAPIDLY!
HMM! IT SEEMS THAT DURING THE TRANSPORTATION OF THAT CONTAINER, THIS SUPPORT GOT BENT. THAT MIGHT CAUSE A PROBLEM WITH OPENING THE AIRLOCK. GO BRING SOME TOOLS.

... CORPORAL, IS IT? I HAVE SOME MATTERS TO DISCUSS WITH YOU.
I NEVER HEARD OF ANYTHING LIKE THAT, FIRST LIEUTENANT BUGLESS!! THE ORDER WE RECEIVED ONLY INVOLVED THE SAFE DELIVERY OF THAT CONTAINER!!

BUT THE SELF-PROPELLED, REMOTE OPERATED CAMERA CAN EASILY BE DROPPED BY THE UNMANNED CARRIER, CAN'T IT!?
WELL, IT SEEMS THAT SINCE THIS PLANET'S MAGNETIC POLES ARE IN DISORDER, THERE'S TOO MUCH INTERFERENCE BY ELECTRO-MAGNETIC WAVES, WHICH MEANS THAT WE CAN'T MAINTAIN
I WILL HAVE MY ORDER ENFORCED BY CONTACTING HEADQUARTERS, IF NEED BE!
UNTIL THE CONTAINER GETS DROPPED OFF AT ITS FINAL DESTINATION, YOU ARE UNDER MY COMMAND!
BUT STILL "
SO UNLESS THE BACKGROUND NOISE STOPS, ESTABLISHING REMOTE CONTROL IS IMPOSSIBLE, MAKING US UNABLE TO CONDUCT PROPER OBSERVATIONS.
THERE IS NO TIME FOR THAT CORPORAL! WE'RE ALMOST ON THE GROUND!
AND UNTIL YOU GET THOSE ORDERS, THERE'S NO WAY IN HELL THAT I'LL LET MY SUBORDINATES LAND ON THIS GOD-FORSAKEN PLANET!
WELL NOW! THEN PLEASE CONTACT THEM!

NOTE: SHE SAID "UNABLE TO CONDUCT PROPER EXPERIMENT" BUT AS HE "HEARD" IT AND NOT "READ" IT - AND "OBSERVATING/ WITNESSING" IS SAID EXACTLY THE SAME WAY - IT'S OBVIOUS HE WOULD HEAR "OBSERVATIONS"

IT'S AN ORDER FROM YOUR SUPERIOR !!
WITH THIS CONTAINER, FUCKING CHILDREN WOULD BE ABLE TO LEAVE FOR A MOMENT AND THEN COME BACK! ARE YOU SAYING THAT OUR SOLDIERS, MEN FULL OF PRIDE AND VALOR, CAN ONLY SIT ON THEIR FUCKING ASSES!!?
CORPORAL ..... DO YOU HAVE ANY IDEA WHAT KIND OF ANIMALS INHABIT THIS PLANET?
UNDERSTOOD! WE WILL START PREPARING.
AND THIS APPLIES EVEN IF, BY SOME REMOTE CHANCE, YOU GUYS RELEASE THE STUFF FROM THE CONTAINER. GOT IT?
THEY ARE PART OF A VERY IMPORTANT EXPERIMENT, SO DON'T YOU DARE KILL THEM!

WE'LL SOON BE ARRIVING AT LANDING SITE D2 IN THE WEST HEMI-SPHERE. COMMENCING DESCENT.

DO WE TAKE OUR GUNS WITH US, CORPORAL?
YEAH. IT ALWAYS PAYS TO BE COURTEOUS AND DON'T FORGET TO TAKE SPARE MAGAZINES.

SO WE SOMEHOW END UP INVOLVED IN SOME SHITTY EXPERIMENT, HUH? AND WHO THE HELL IS THAT WEIRD FIRST LIEUTENANT?
I HEARD THAT SHE'S A "COPPER AND IRON MAIDEN" FROM HEADQUARTERS' WEAPONS DEVELOPMENT DEPARTMENT
BUT I HAVE NO IDEA WHETHER THIS "NICKNAME" ONLY MEANS THAT SHE'S HEARTLESS OR MAYBE SOMETHING ELSE...
SOMETHING ELSE?
MAYBE SHE'S REALLY MADE FROM COPPER AND IRON...!

*NOTE: CONTEXT INDICATES SHE IS A CYBORG, WHICH WOULD EXPLAIN HER ONE-HANDED STRAIGHTENING OF THE AIRLOCK SUPPORT, EARLIER.)

LET'S COMMENCE STAGE ONE OF THE "KODOKU" EXPERIMENT! LAUNCH THE OBSERVATION AND THE CONTAINER!
REPORT TO HEADQUARTERS: WE'VE SUCCESS-FULLY COMPLETED OUR LANDING ON DERONG 5 ALPHA. EVERYTHING UNDER CONTROL.

BE COMPLETE IN TWO MINUTES.
THANKS! NONE OF US WANT TO STAY ON THIS BALL

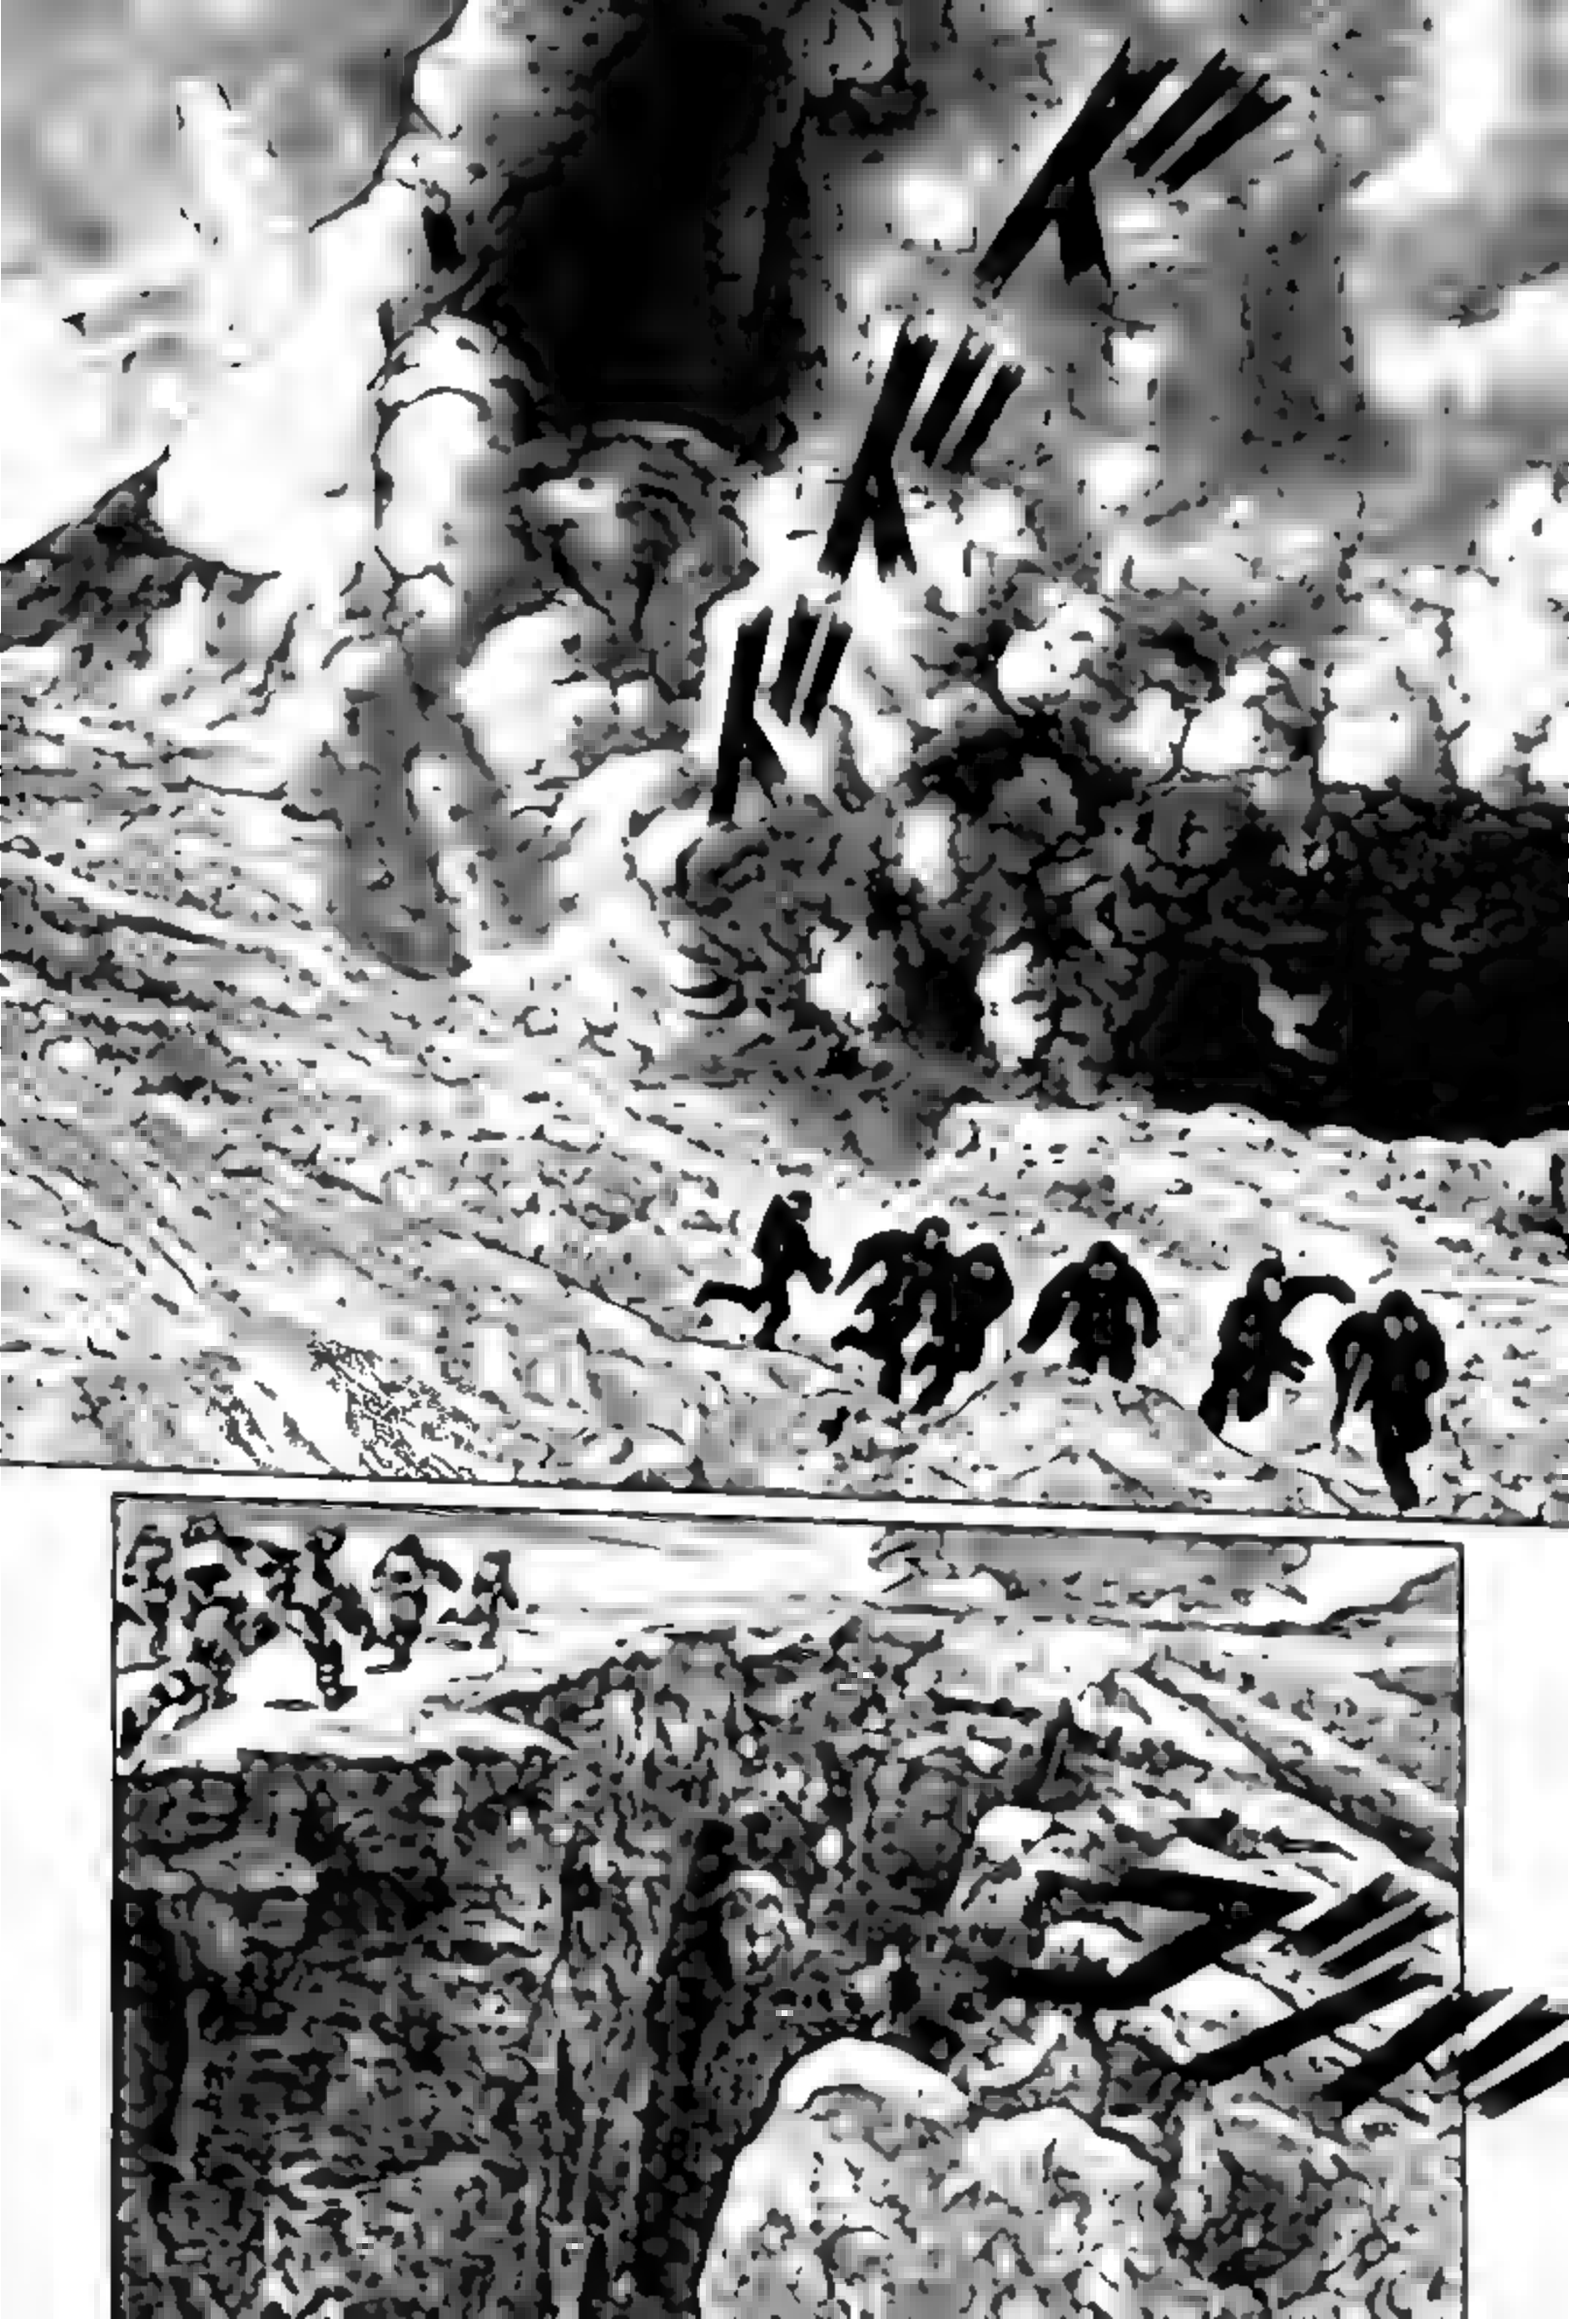
THE CONTAINER WILL AUTO-MATICALLY OPEN IN 10 MINUTES, SO LET'S GET BACK TO THE SHIP!

WAAA
LOPEZ!!

Guee
gaga....
YAKO
BI!!!
DON'T SHOOT!
IT'S TOO LATE
FOR HIM AND THESE
ANIMALS ARE THE
TARGET OF THE
EXPERIMENT!
THAT'S THE
ORDER FIRST
LIEUTENANT
BUGLESS
GAVE US!

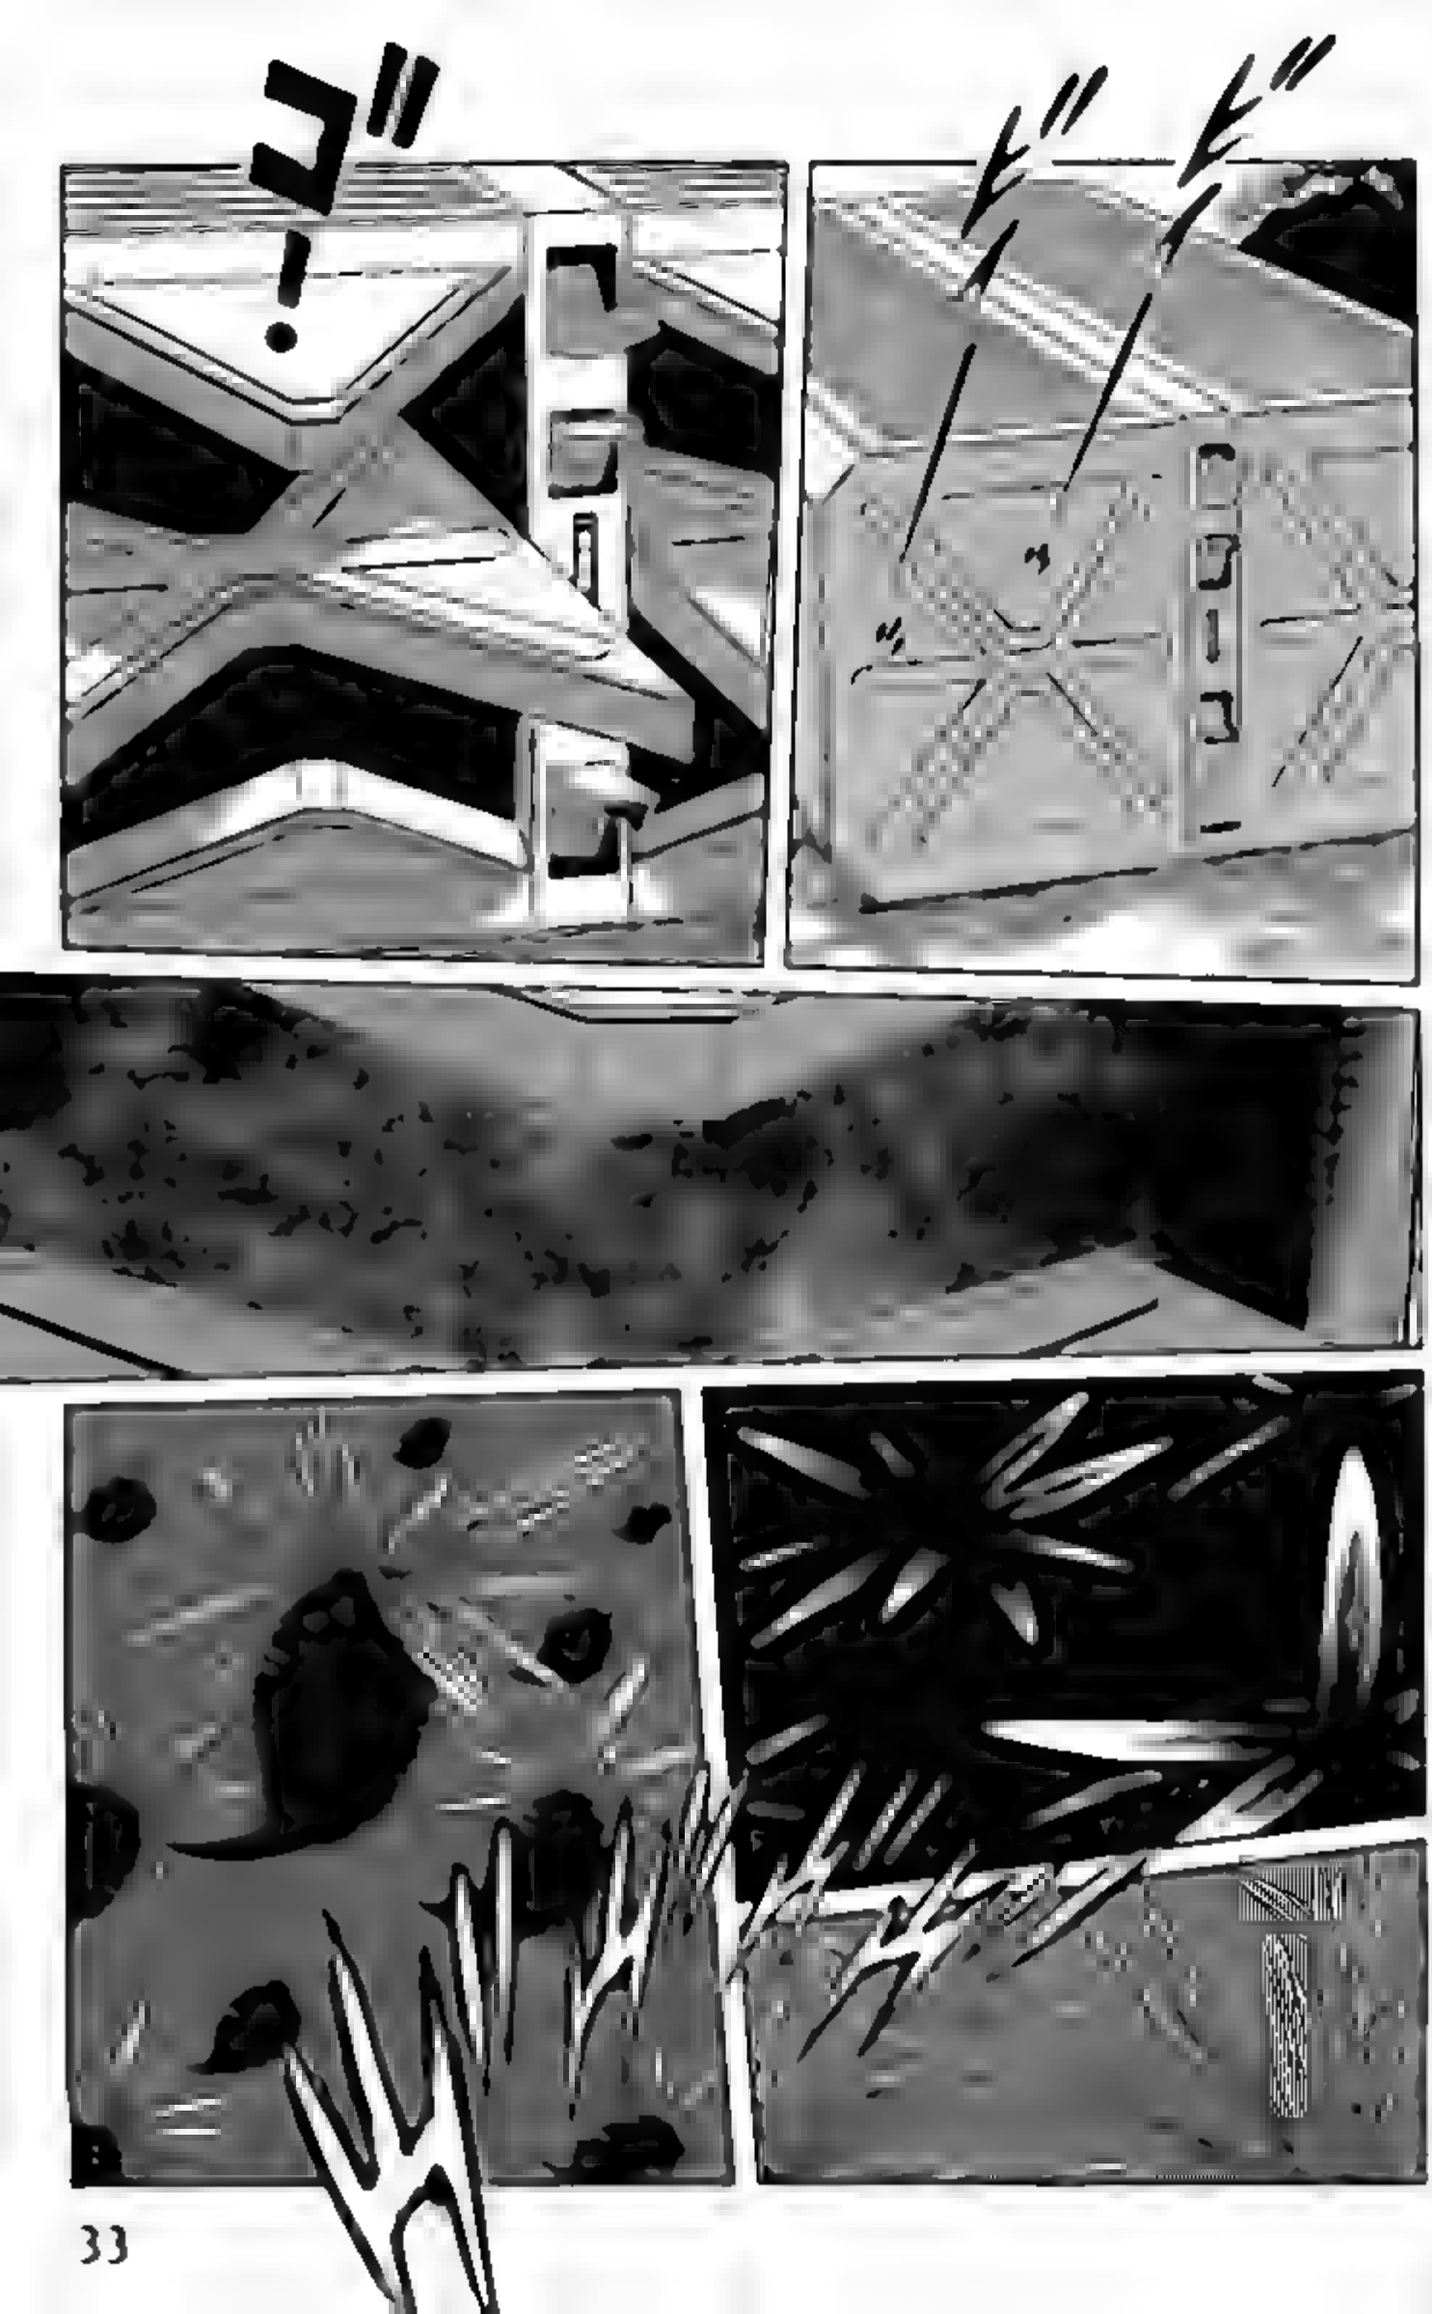
WH- WHAT THE HELL IS WITH THIS PLANET, CORPORAL CANON?!
I KNOW NOTHING BESIDES OUR ORDERS!
RUN FOR IT! THE "FEVER BEE" WILL GET OUT OF THAT CONTAINER SOON! THAT'S THE STUFF THAT WIPED OUT THE WHOLE KAITAKU COMPANY BACK AT THE PARU SYSTEM!!

NOTE: ACTUALLY KAITAKU MEANS "RECLAMATION" BUT IT'S JUST THE JOB THATCOMPANY WAS GIVEN SO I THOUGHT IT WOULD SOUND MUCH BETTER TO PUT IN ORIGINAL



B-BUT CORPORAL CANON'S UNIT IS ALMOST HERE...
DIDN'T YOU FUCKING HEAR ME!?
EM-EMERGENCY TAKEOFF!!

O-OVER THERE! LET'S MOVE TO A MORE STABLE GROUND!



ゴ!!
ド
ド

FIRST LIEUTENANT BUGLESS! WE'RE OVER HERE!! WE NEED PICKUP!!
LIEUTE-NANT BUG-LESS!?

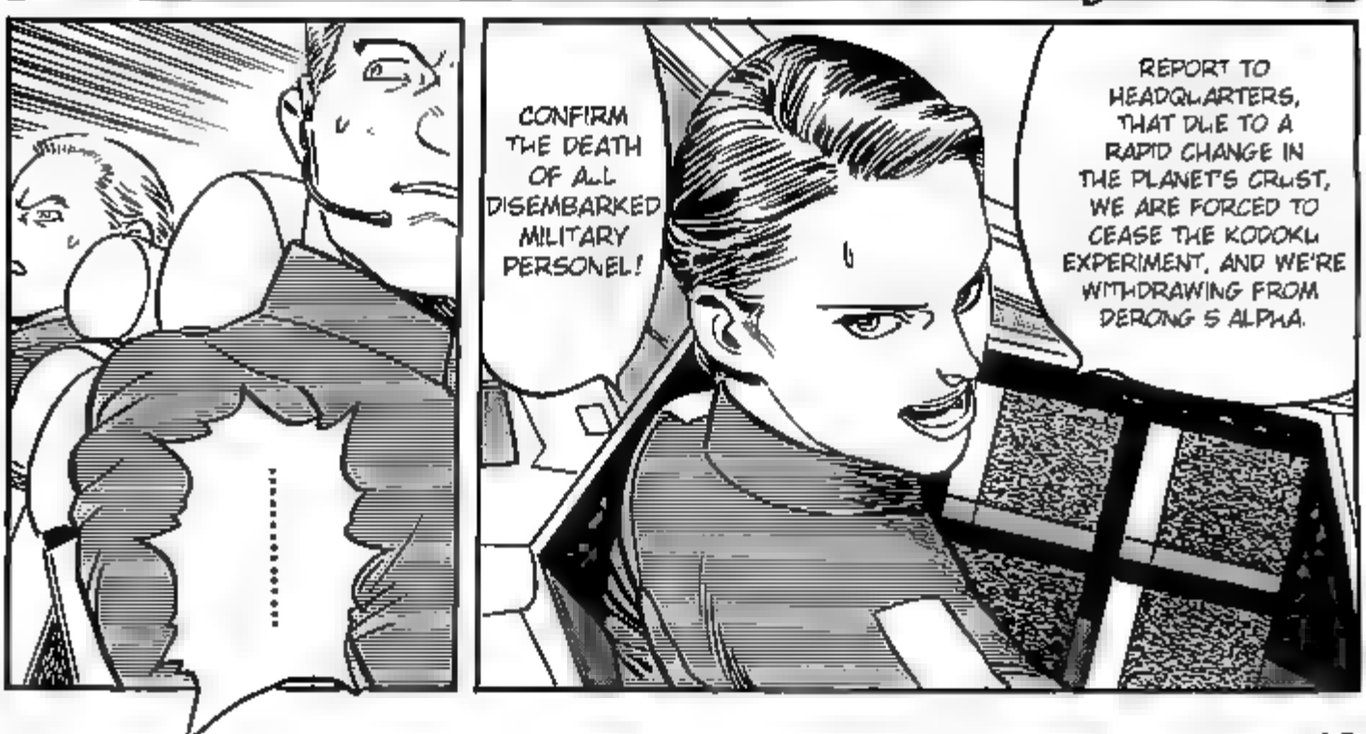
WAAAAA
TO HELL WITH IT! SHOOT THEM! SHOOT THEM ALL!!
GYAAAA

DAMN! IT'S JUST LIKE I SAID. IT WOULD'VE BEEN MUCH BETTER TO SEND DOWN THE CONTAINER BY REMOTE CONTROL. IT WOULD ALL BE DONE WITHOUT ANY PEOPLE DIRECTLY INVOLVED!
SO THE RESCUE WAS IMPOSS-IBLE!
BUT EVEN IF WE SOMEHOW MANAGED IT, PICKING THEM UP WOULD MEAN LETTING FEROCIOUS FEVER BEES ON BOARD!
THERE WAS A MAGMA ERUPTION CAUSING WILD AIR TURBULENCE. SO BOTH THE DESCENT AND LANDING WERE IN DANGER!
B- BUT, IT WAS YOU, LIEUTENANT, WHO SAID THAT WE HAVE TO TRANSPORT SOLDIERS THERE, DUE TO ELECTRO-MAGNETIC INTERFERENCE!
I DIDN'T! THE SOLDIERS REQUESTED TO GO THERE ON THEIR OWN, AND I HAD NOTHING TO DO WITH IT!

ゴゴゴゴ
KILL

UOOOOO

CANON



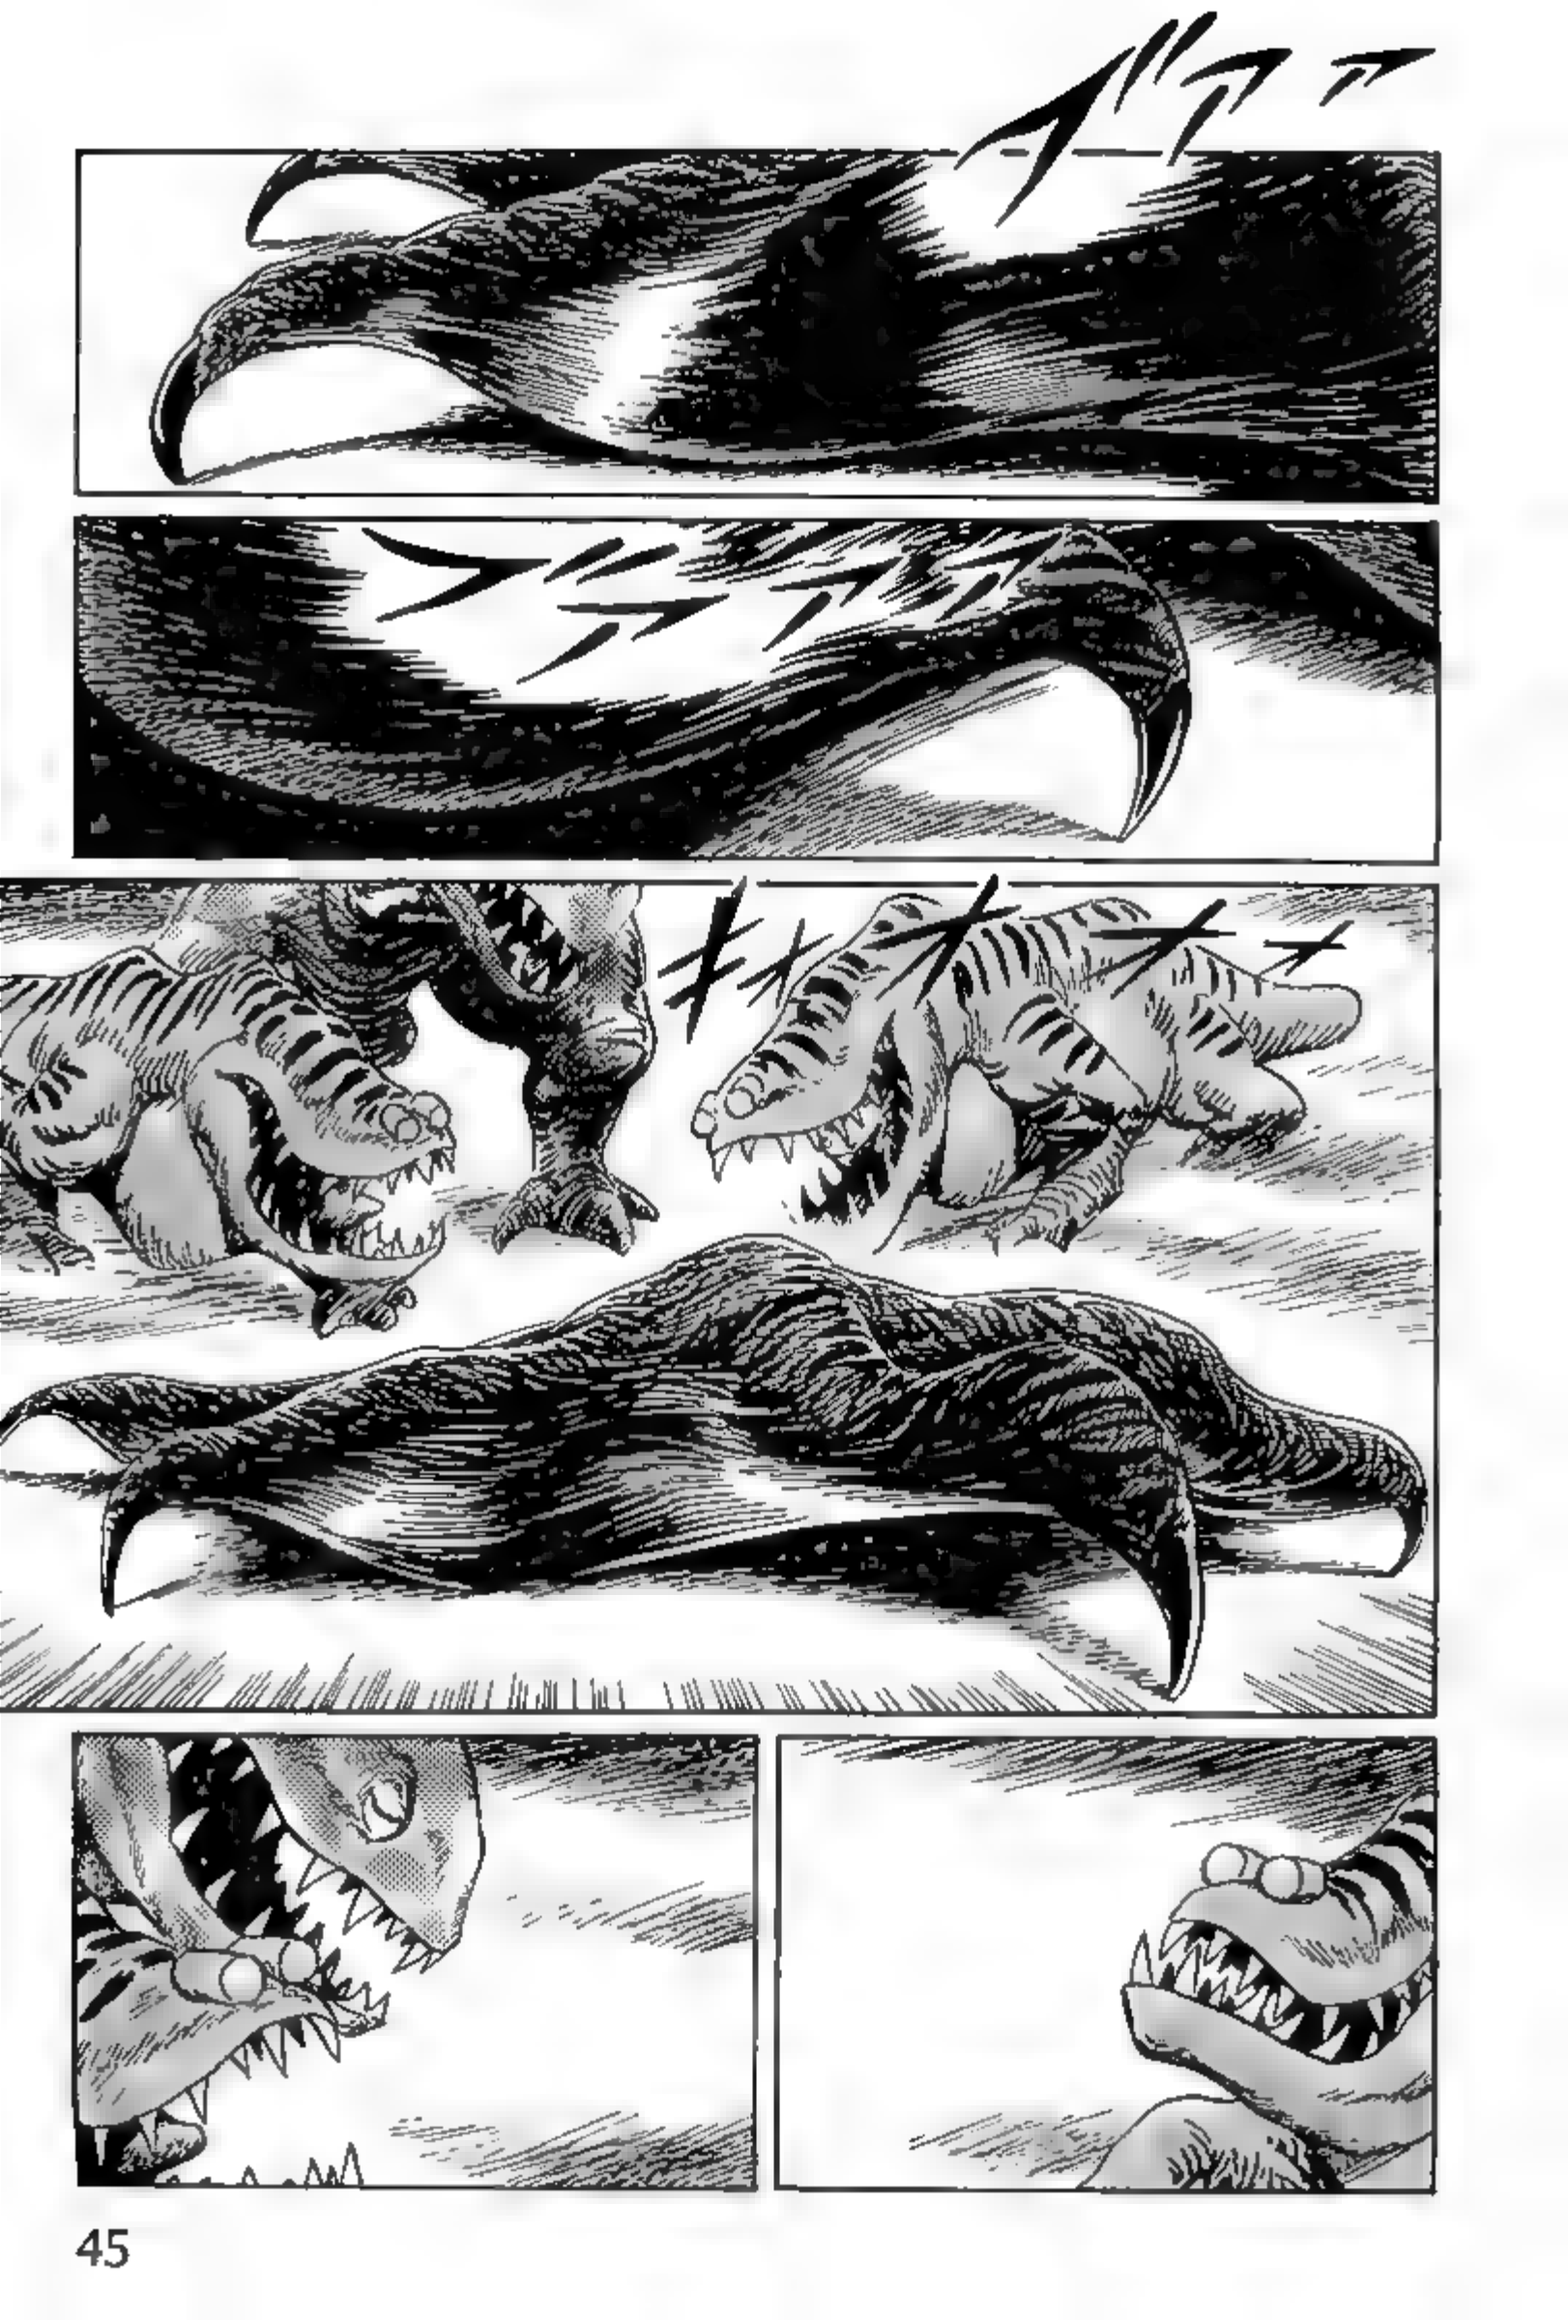
.....
CONFIRM THE DEATH OF ALL DISEMBARKED MILITARY PERSONEL!
REPORT TO HEADQUARTERS, THAT DUE TO A RAPID CHANGE IN THE PLANET'S CRUST, WE ARE FORCED TO CEASE THE KODOKU EXPERIMENT, AND WE'RE WITHDRAWING FROM DERONG 5 ALPHA.

COUGH
COUGH...
BA...
BARKU!
JOHN!
ROMAN!!

UUUU——
U...

BUGLESS!!
I WILL FUCK-ING KILL YOU !!

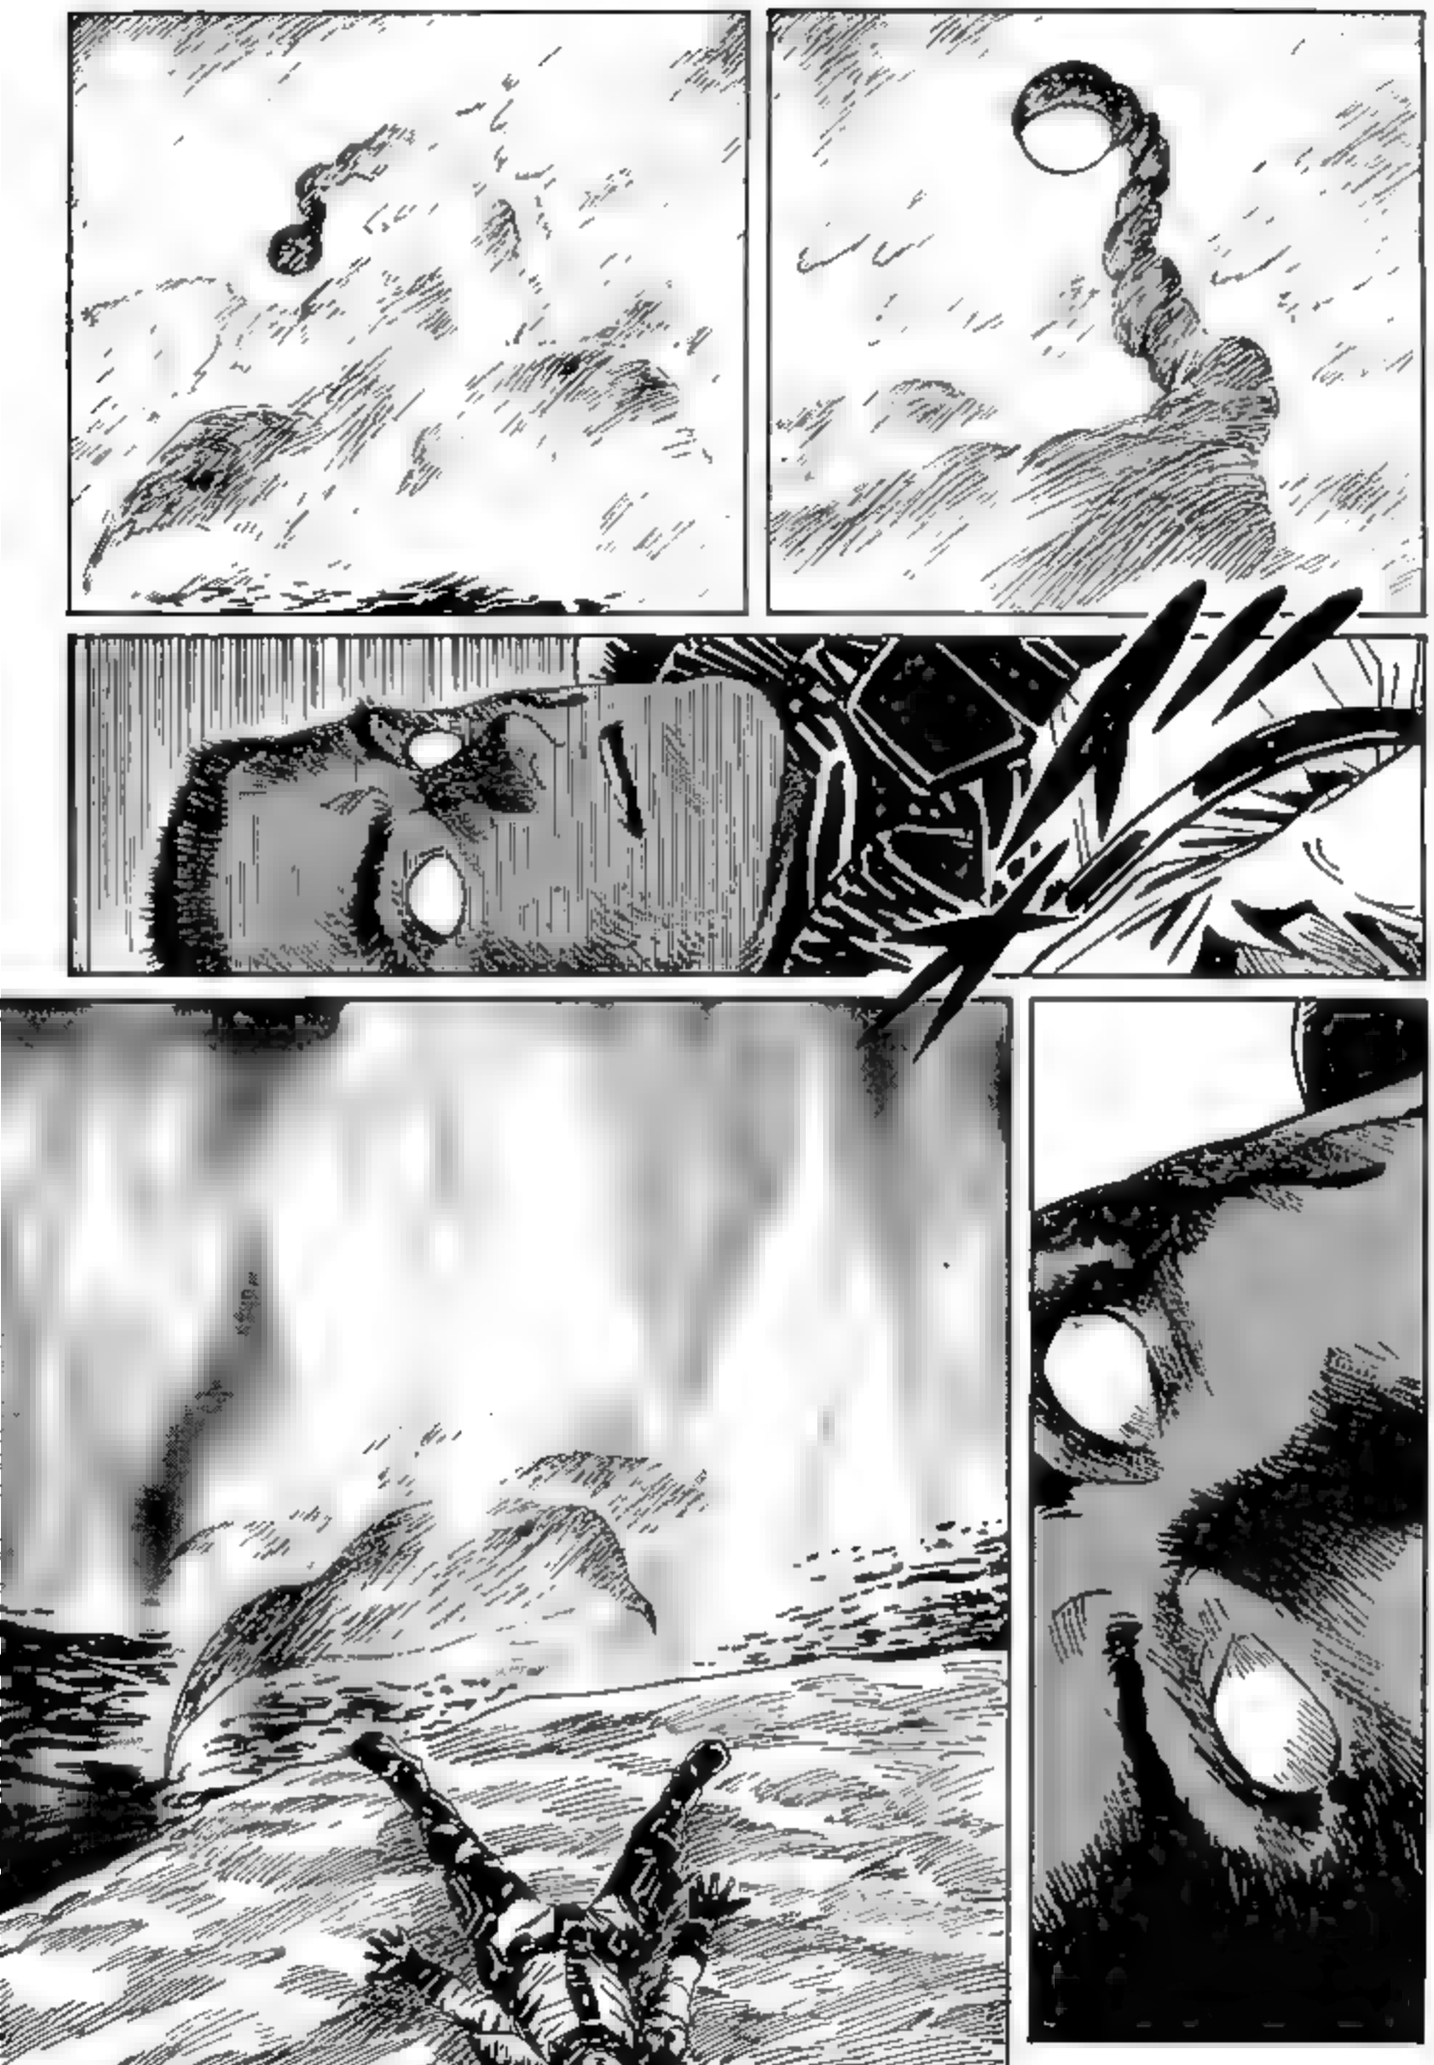
I WILL KILL YOU EVEN IF IT'S THE LAST THING I DO!
I WILL FUCKING DRAG YOU TO HELL!!



ガァー

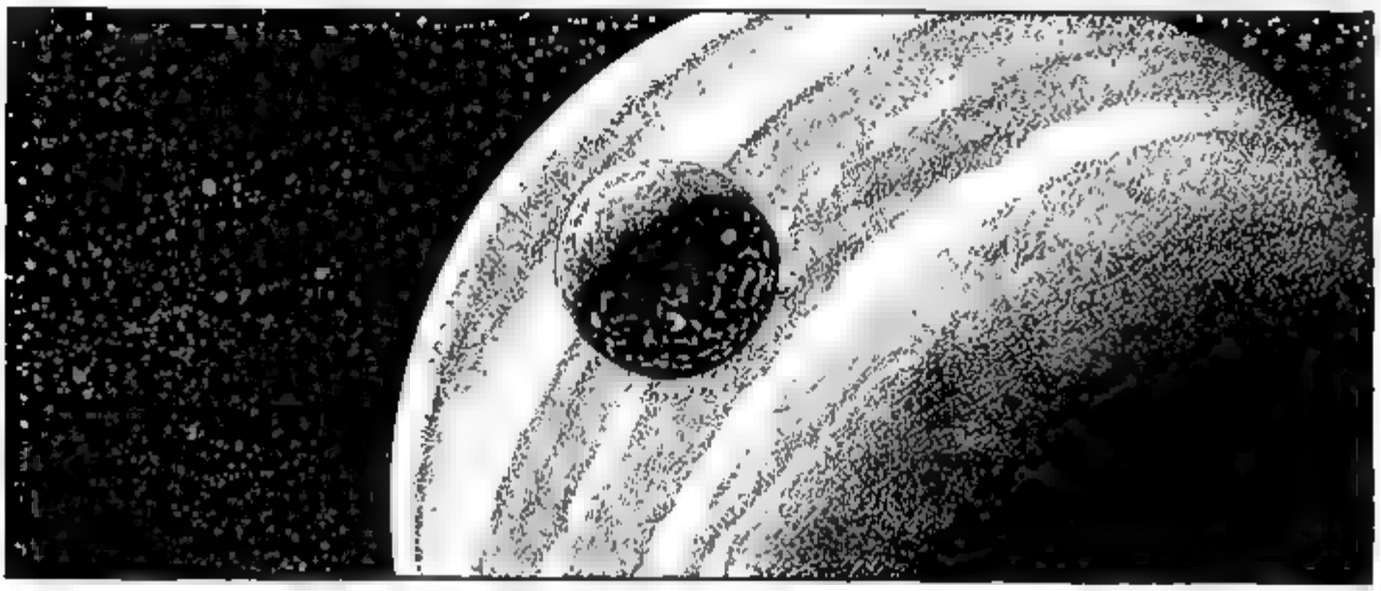
ギィ〜ッ
ズ
ズ
ズ

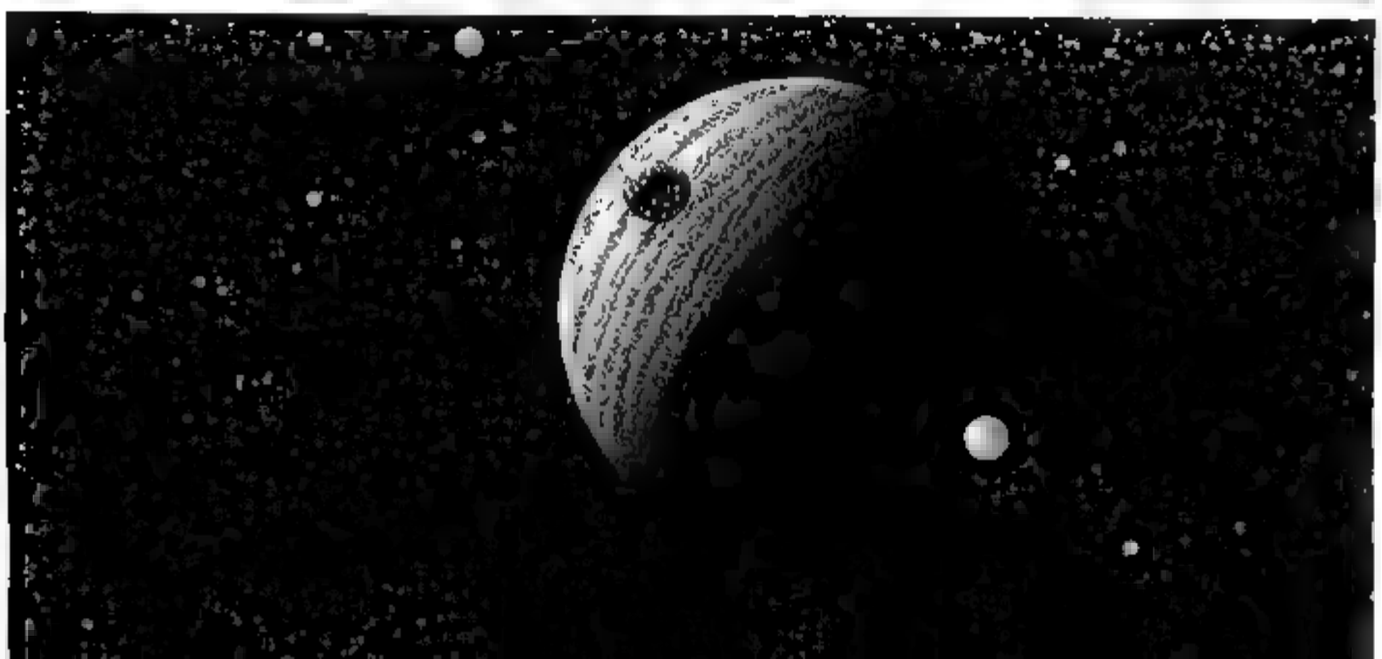
I'VE HAD ENOUGH OF YOU...
GET LOST!
COUGH
...



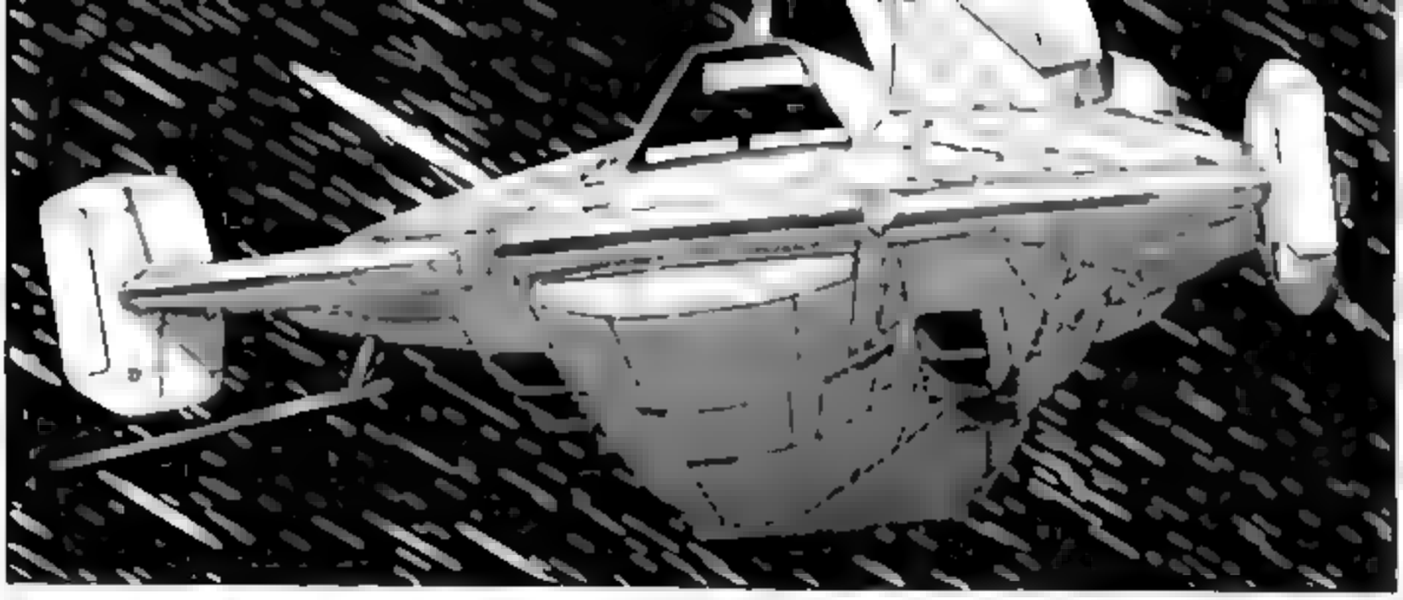
FAILURE?
— NO!

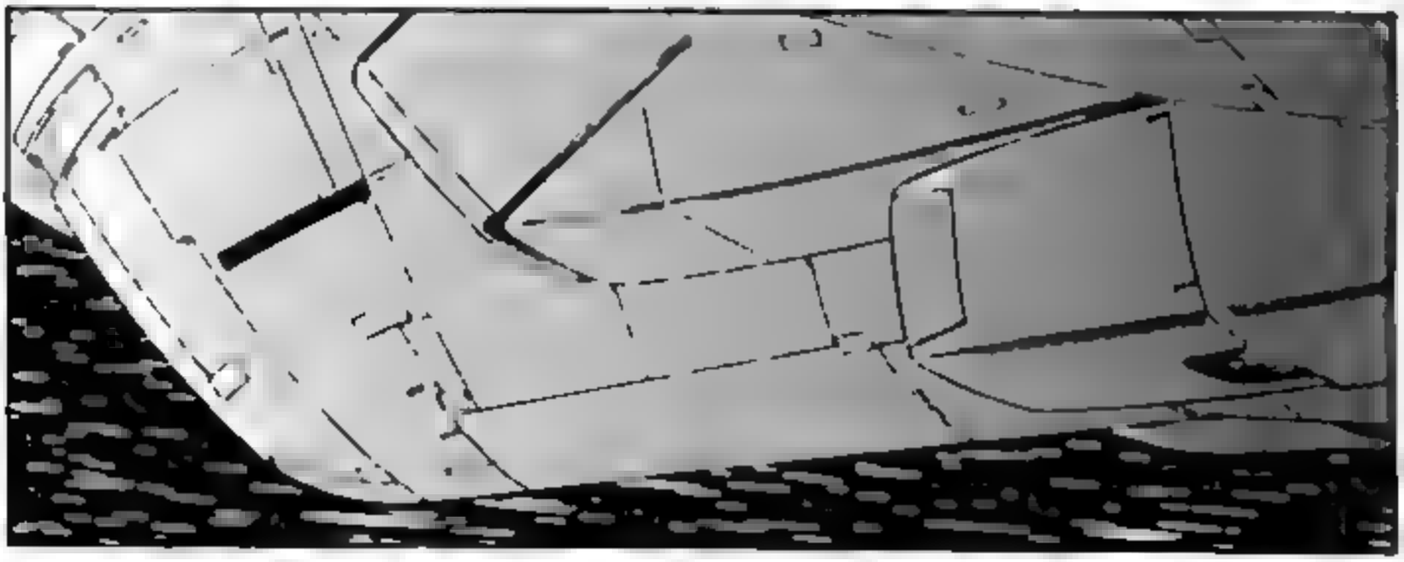
THERE'S NO WAY THAT THESE 7 OR 8 LIVES WILL STAIN MY CAREER!!
THIS EXPERI-MENT HAS TO PRODUCE RESULTS!!

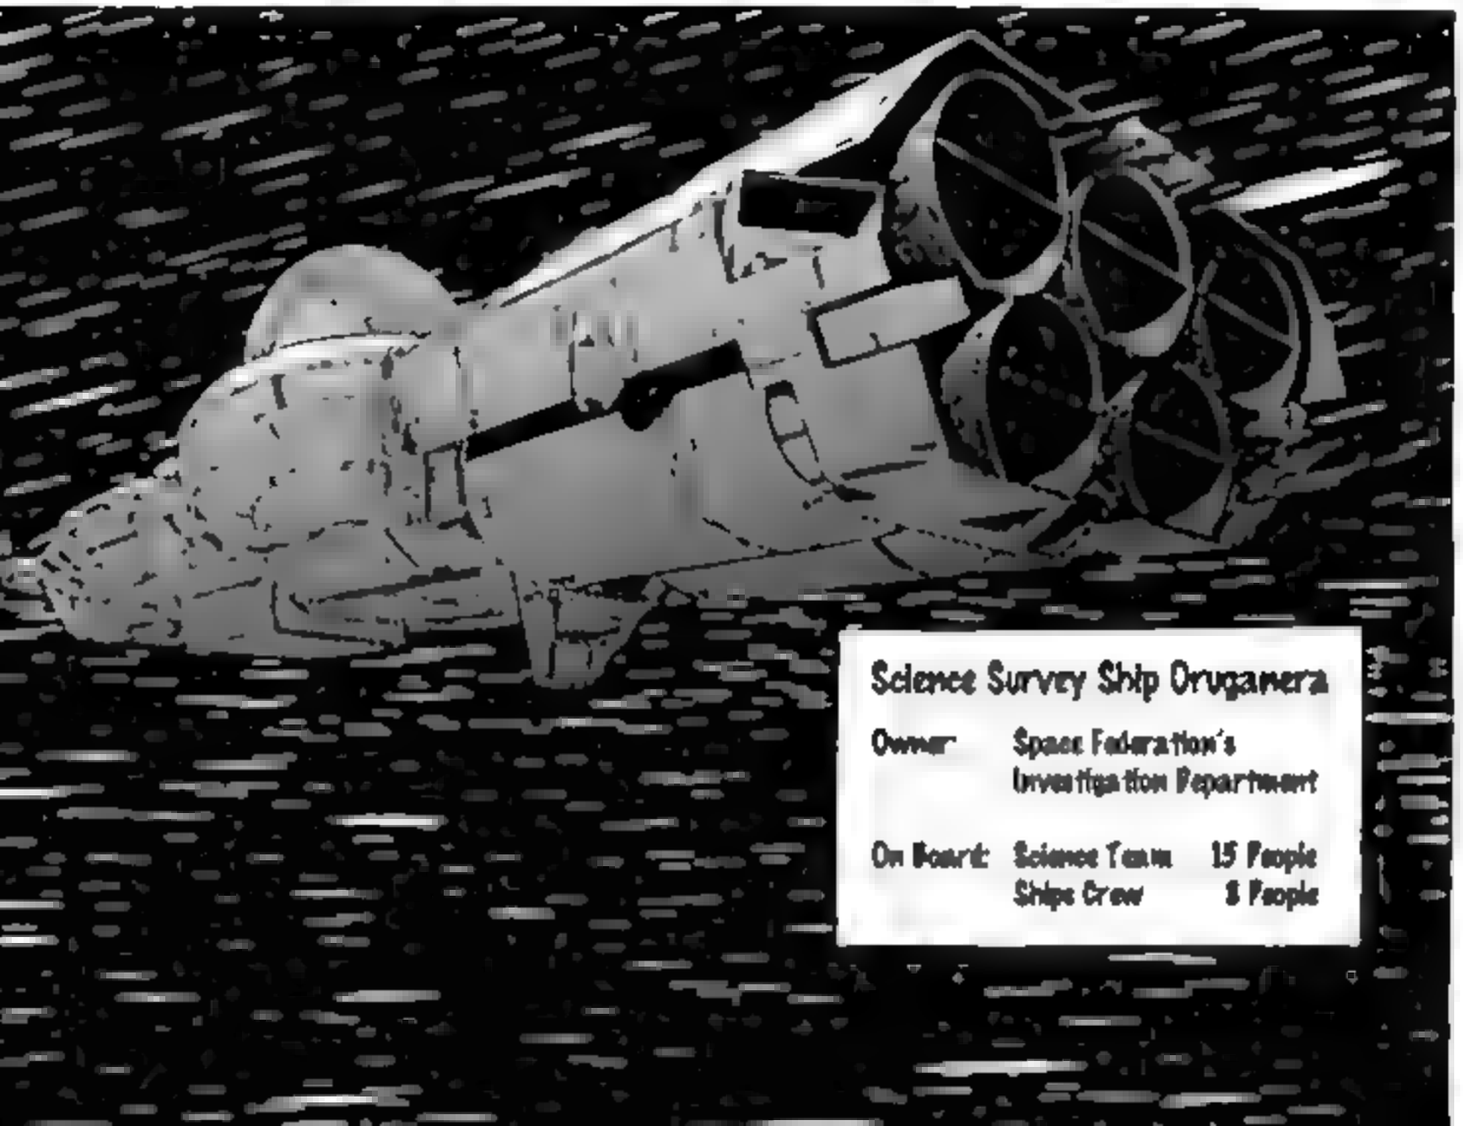




20 years later

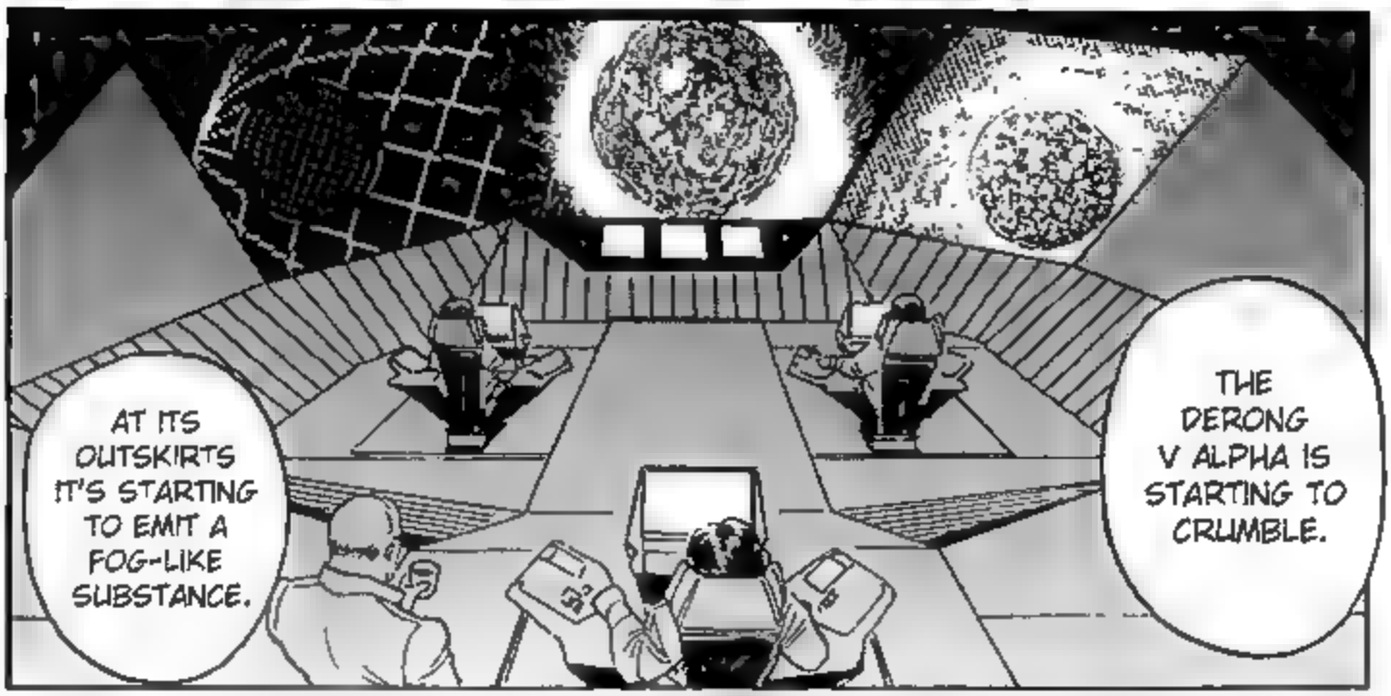






Science Survey Ship Oruganera

Owner:	Space Federation's Investigation Department	
On Board:	Science Team	15 People
	Ships Crew	8 People



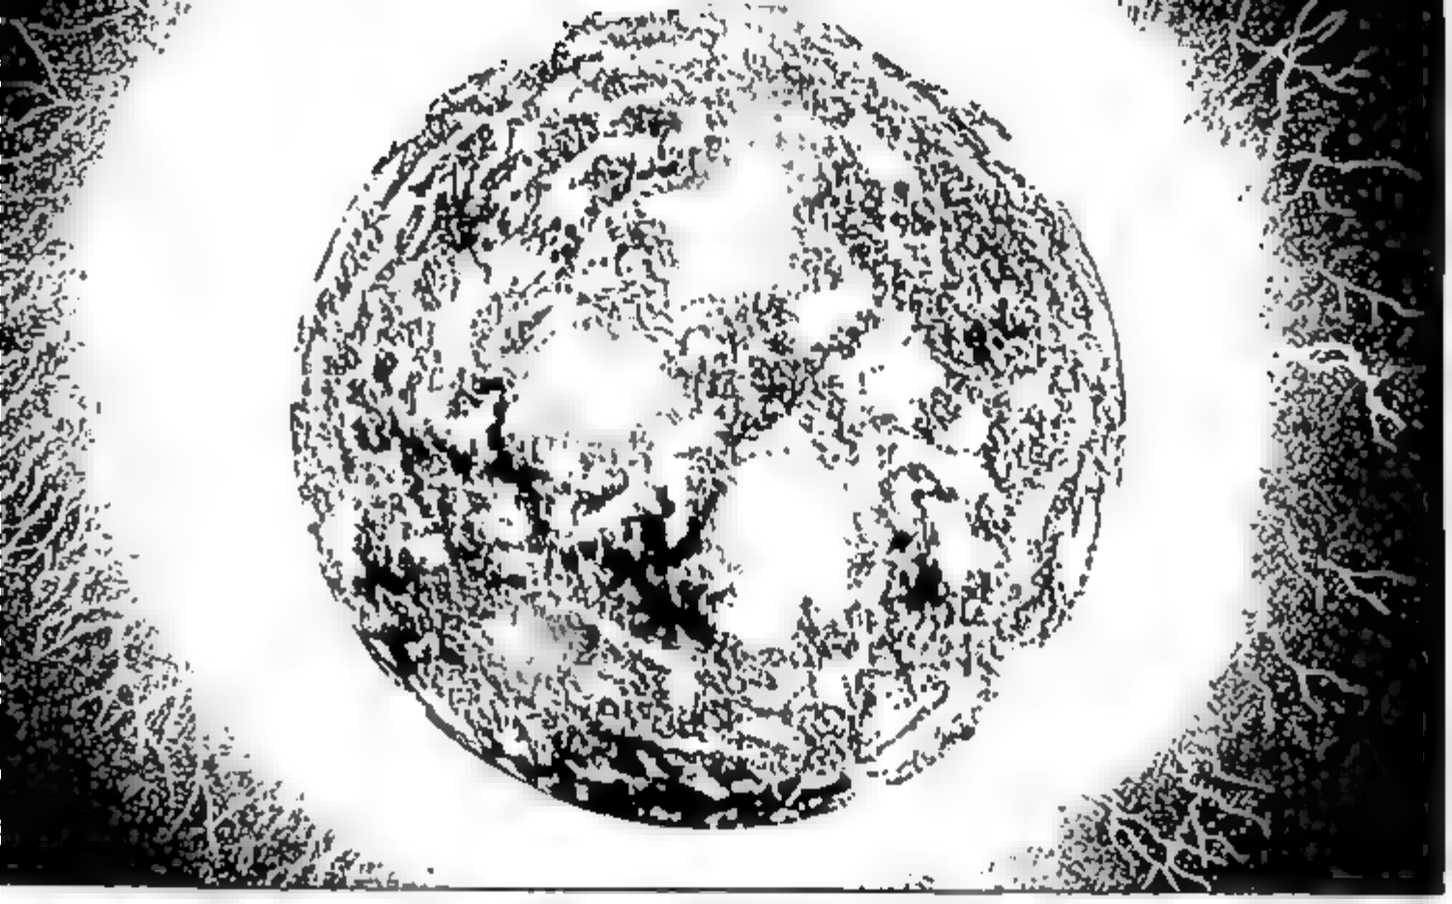
AT ITS OUTSKIRTS IT'S STARTING TO EMIT A FOG-LIKE SUBSTANCE.
THE DERONG V ALPHA IS STARTING TO CRUMBLE.

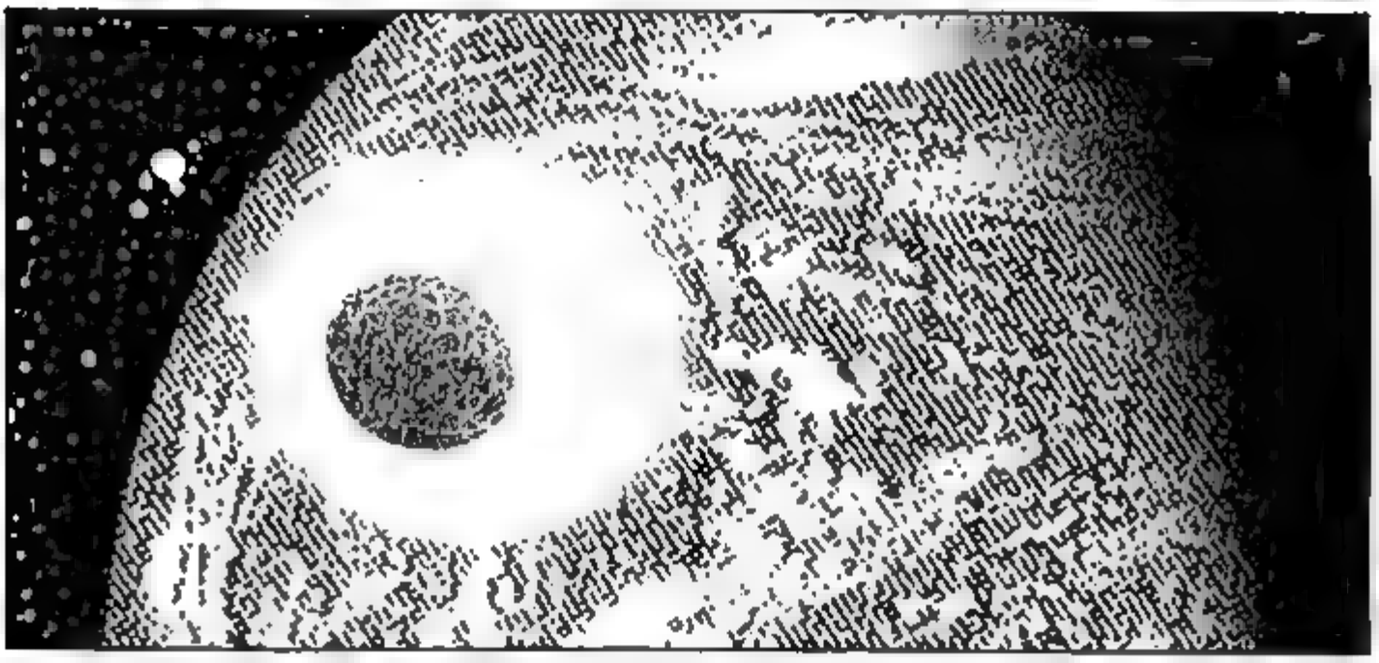
YES, THIS IS A VERY RARE MOMENT. FROM THE TIME WE DISCOVERED THIS PLANET WE KNEW THAT IT WOULD EVENTUALLY BREAK UP PIECE BY PIECE UNTIL IT WAS COMPLETELY ANNIHILATED, BUT STILL...

ANY LIVING ORGAN-ISMS?
THERE USED TO BE SOME...
EVEN THOUGH IT'S UNKNOWN WHAT TRIGGERED IT, BUT STILL... IT SEEMS THAT THE ENORMOUS TIDAL FORCES OF THE GIGANTIC PLANET GEROG V HAVE SLOWLY BEGUN TO EXCEED THE LIMITS THAT ITS SATELLITE PLANET CAN ENDURE.
AND YET, IT SEEMS THAT MANY TENS OF THOUSANDS OF YEARS AGO THIS BALANCE CRUMBLED. THE SEAS WERE OVERRUN BY LAVA, AND BOTH PLANTS AND HERBIVORES DIED OUT...
THE TIDAL FORCE'S STRAIN ON THE CORE OF THIS PLANET MAKE IT "CREAK" CONSTANTLY, GENERATING ENOUGH GEOTHERMAL ENERGY TO HEAT UP THE CLIMATE AND CREATE AN ENVIRON-MENT CAPABLE OF SUPPORTING LIFE.
FROM WHAT THE LAST REPORT SAYS, THERE WERE ONLY A HUGE NUMBER OF CARNIVORES LEFT HERE 20 YEARS AGO.
THEY ALL MUST HAVE DIED OUT ALREADY, EVEN AS WE WITNESS THEIR PLANET'S FINAL MOMENTS.

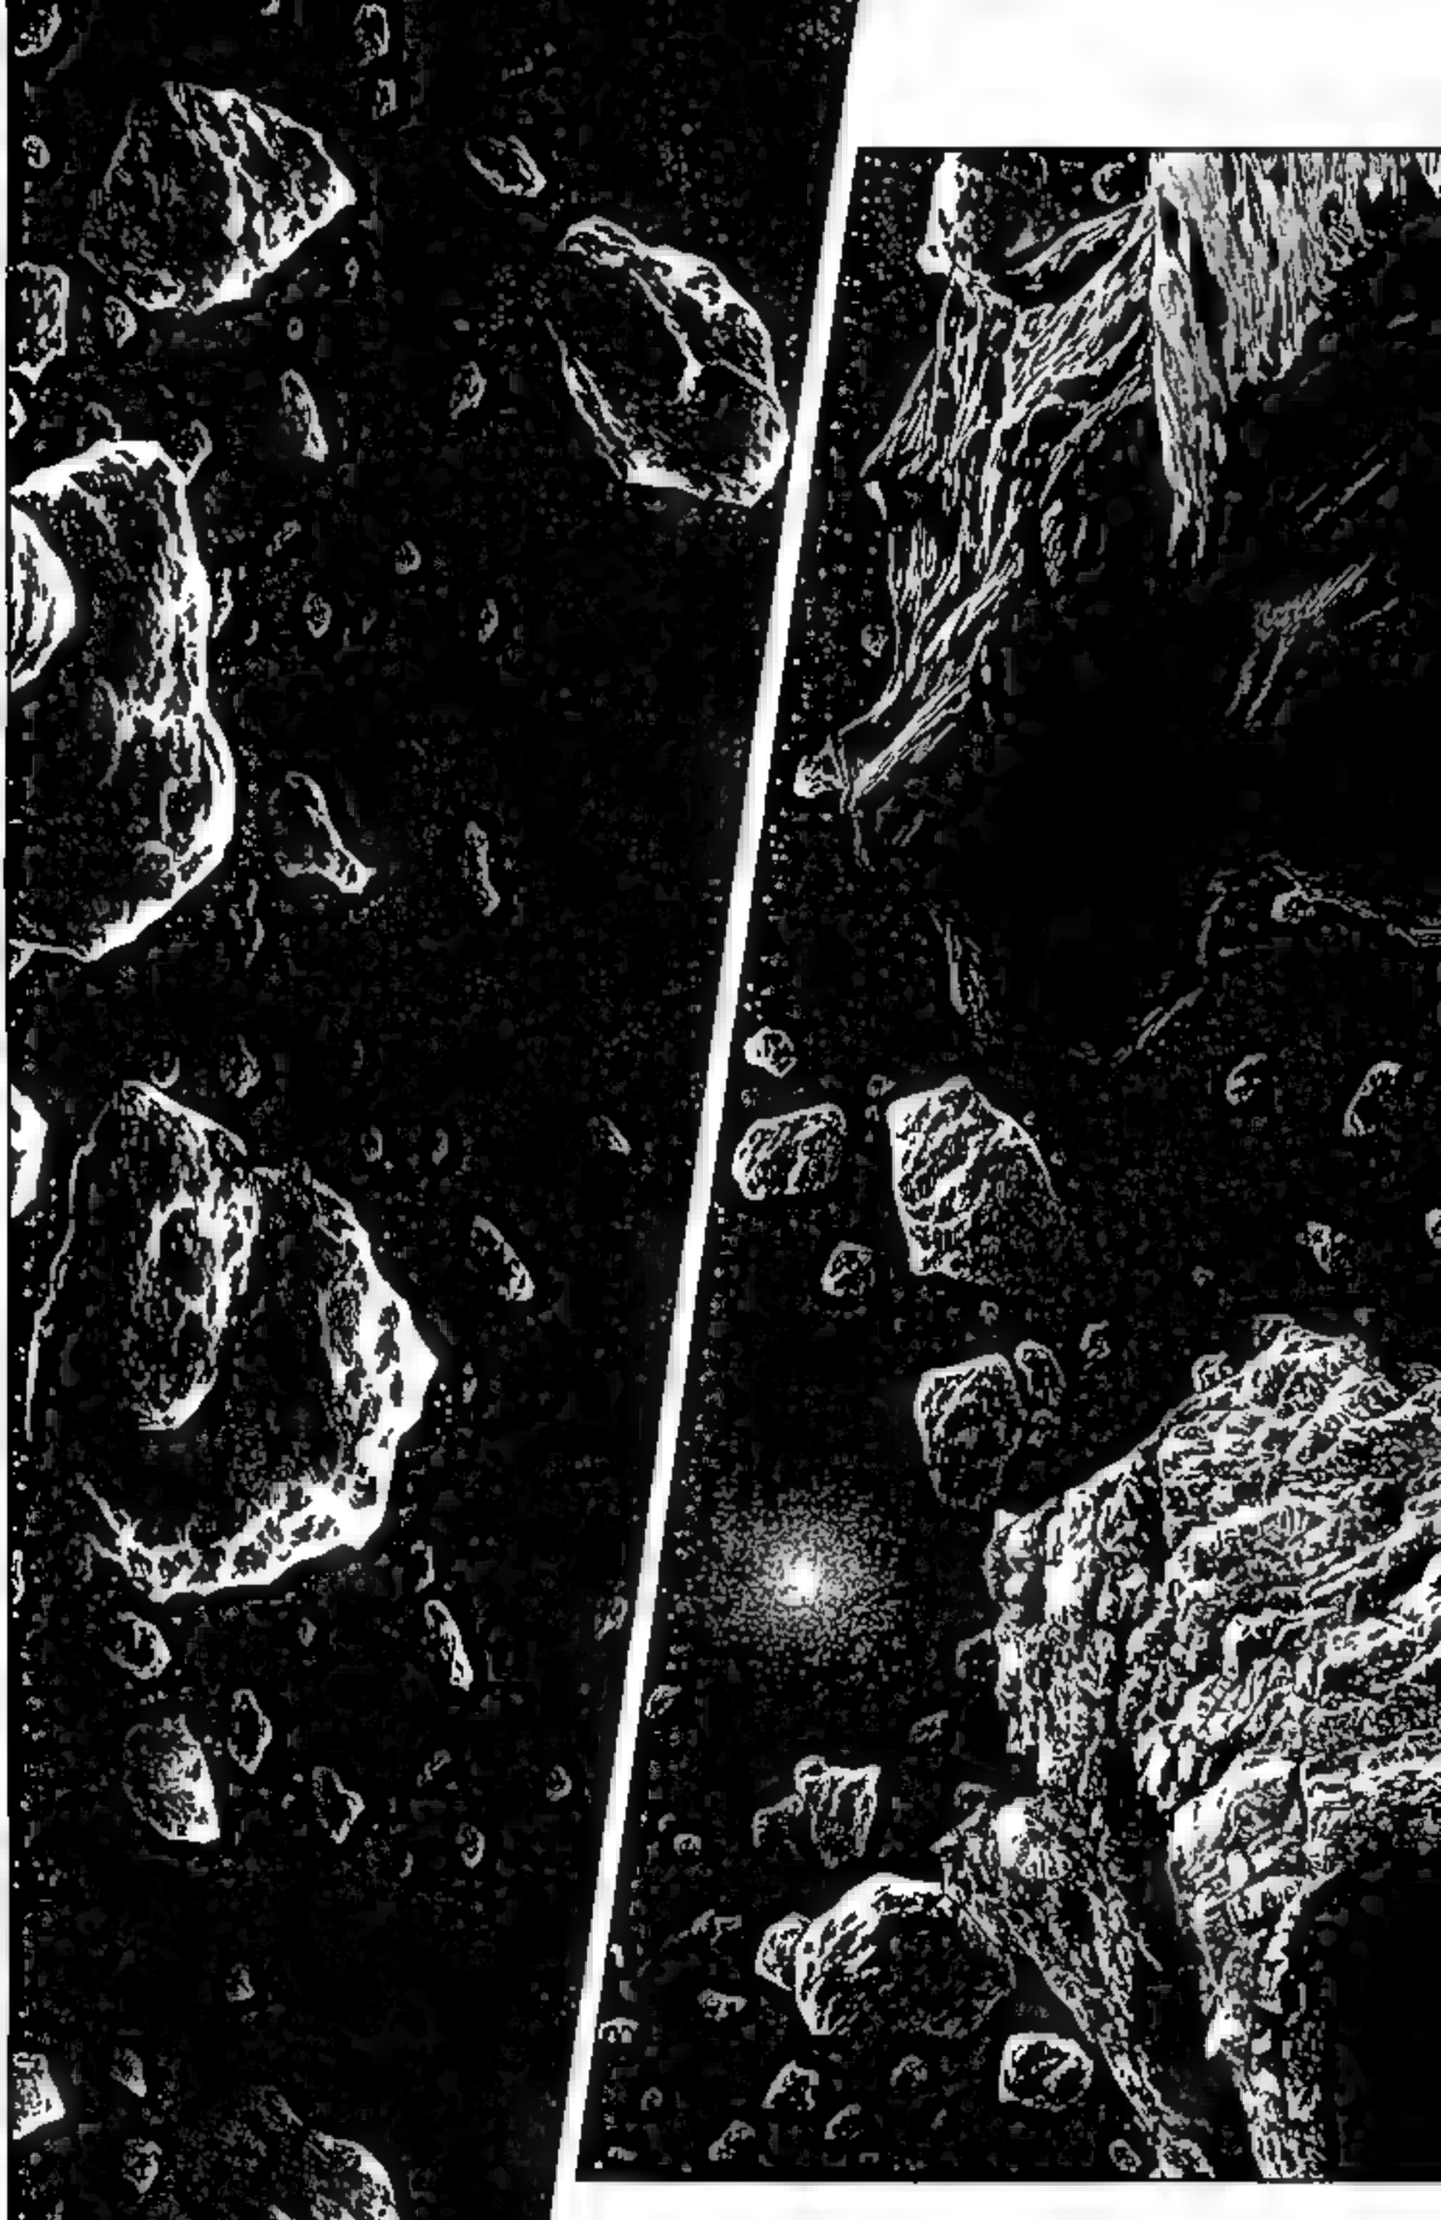
THERE IS AN INCREASE IN ERUPTIONS AND CRUSTAL MOVMENT OVER THE ENTIRE PLANET'S SURFACE.
ALSO, BOTH THE ROTATION AND IT'S ORBIT ARE STARTING TO OSCILLATE WILDLY!!

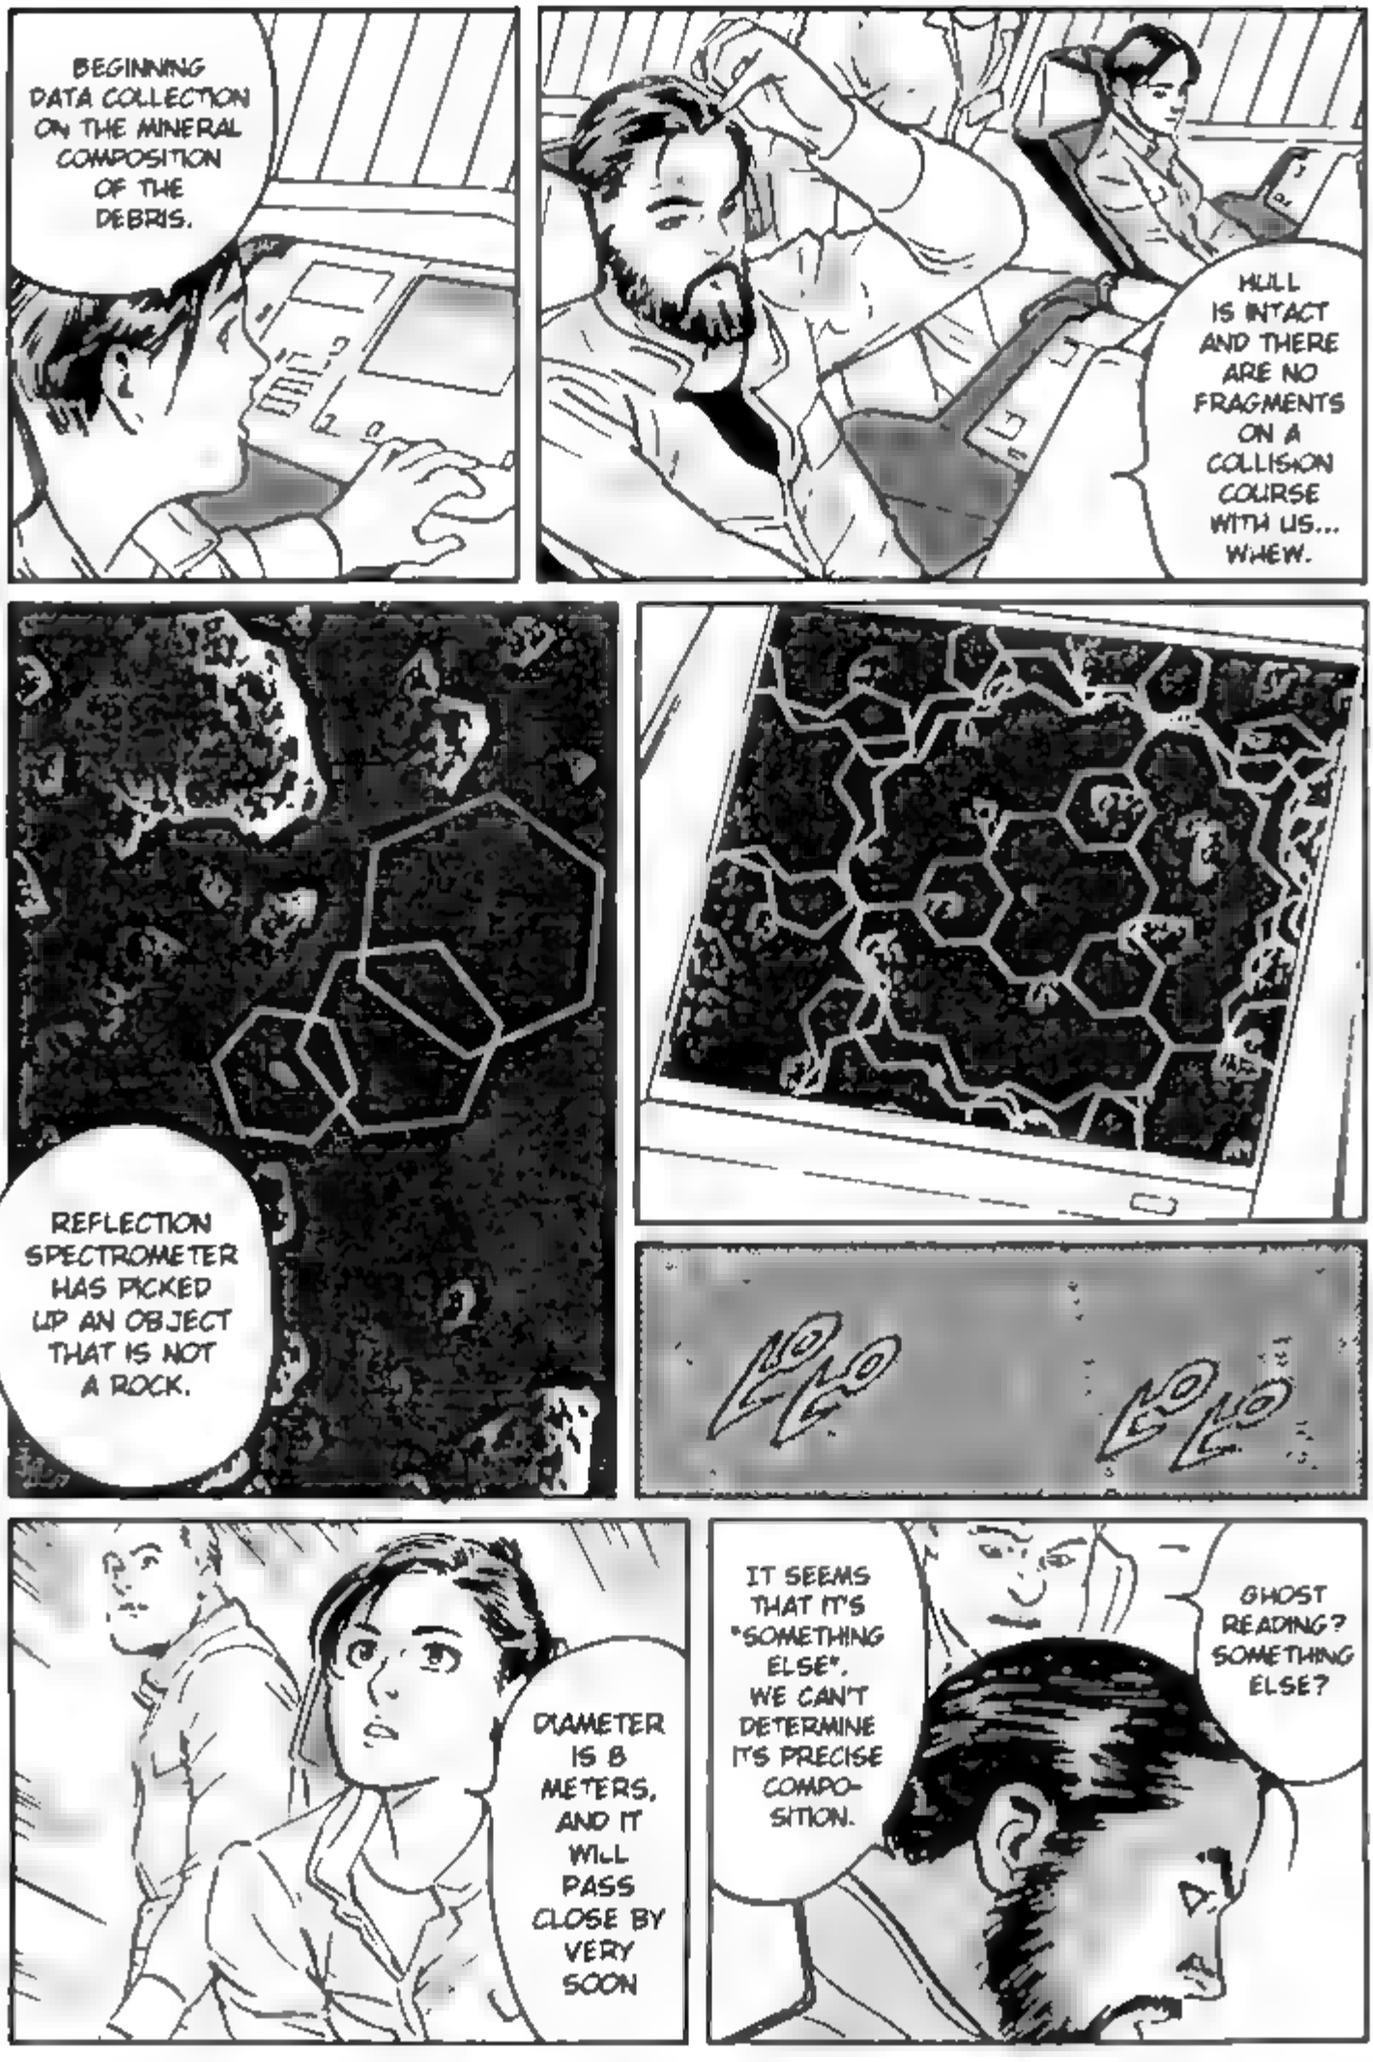
WELL NOW, IT SEEMS THESE ARE THE LAST CONVULSIONS BEFORE DEATH. BUT TO BE ON THE SAFE SIDE, I THINK WE SHOULD DISTANCE OURSELVES, CAPTAIN.
ACTIVATE THE SHOCK-WAVE SHIELDS!



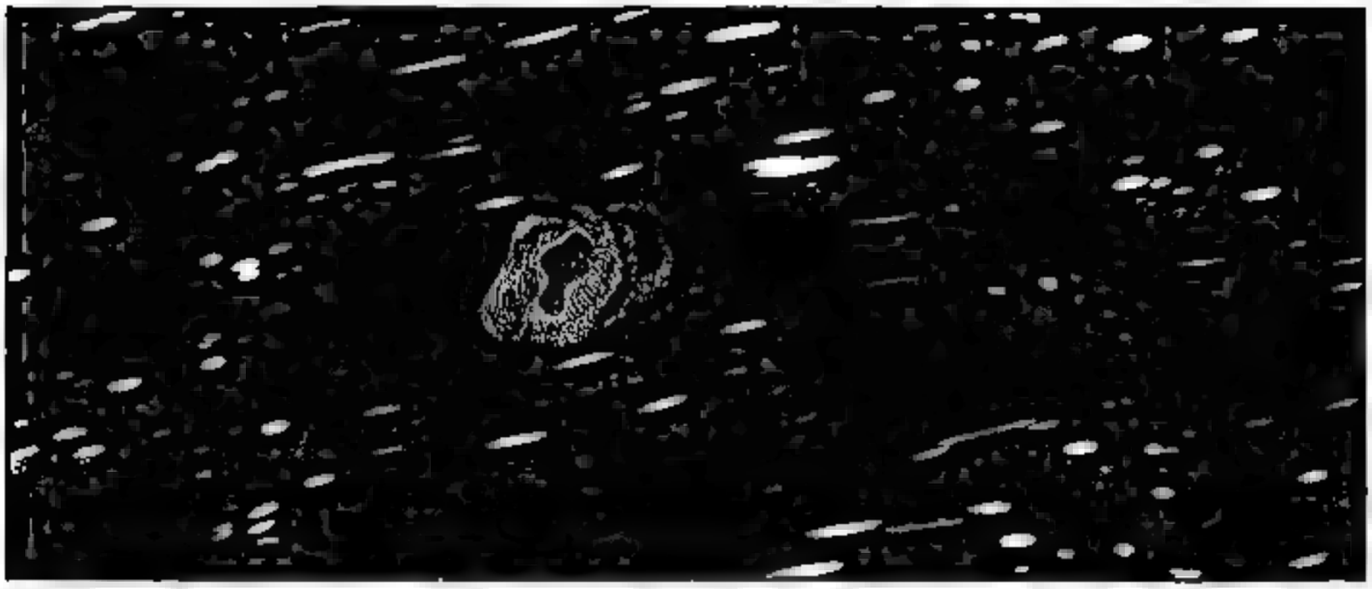


ドドドドド
……





BEGINNING DATA COLLECTION ON THE MINERAL COMPOSITION OF THE DEBRIS.
HULL IS INTACT AND THERE ARE NO FRAGMENTS ON A COLLISION COURSE WITH US... WHEW.
REFLECTION SPECTROMETER HAS PICKED UP AN OBJECT THAT IS NOT A ROCK.
DIAMETER IS 8 METERS, AND IT WILL PASS CLOSE BY VERY SOON
IT SEEMS THAT IT'S "SOMETHING ELSE". WE CAN'T DETERMINE IT'S PRECISE COMPO-SITION.
GHOST READING? SOMETHING ELSE?



IT APPEARS TO BE TRYING TO LOOK LIKE AN INORGANIC OBJECT, DOESN'T IT?

HAH!
SHAPE ANALYSIS? VECTORS-

KODOKU EXPERIMENT
コドク・エクスペリメント
VOL.2

THE PLANET FURUSATO WHERE YOUR MOTHER AND FATHER ARE LIVING HAPPILY.
THIS IS WHERE YOU GREW UP AND BECAME A STRONG, CONFIDENT YOUNG MAN
YOU MIGHT HAVE FORGOTTEN IT ALREADY, BUT THE FLAVOR OF HOME COOKING HAS ALWAYS BEEN EXCEPTIONAL.

IN THIS BRUTAL UNIVERSE OF OURS, YOUR ENEMIES MIGHT JUST SUDDENLY GO OUT AND KILL THOSE YOU LOVE!!

IF YOU LOVE YOUR MOTHER, IF YOU LOVE YOUR FAMILY,

YOU HAVE TO FIGHT TO PROTECT YOUR LOVED ONES!!

AND YOU'RE THE ONE THAT HAS TO PROTECT THEM! DON'T EVER SHOW MERCY TO THE ENEMIES THAT LURK IN THIS UNIVERSE!

YOU FIGHT FOR THE SAKE OF LOVE!!

Sfx: Hiss of door opening

Sfx: Gurgle of liquid draining

Platoon 101 cold sleep deactivation. Three month duty aboard warship to be initiated.
Entire Strength: 25
Squad Members:
Gai C.
Somare F
Butto S.
Popli K.
Ryou T.
Tony S.
.. ..

GAI, WERE YOU SITTING ON YOUR MOTHER'S LAP IN YOUR DREAM?
NAAH, BUT WHAT ABOUT YOU SOMARE?
YEAH, THOUGH IT'S ONLY US "INITIALS" ISN'T IT? IF YOU ASK ANY OTHER SOLDIER ABOUT IT, EACH AND EVERY ONE HAS A DIFFERENT DREAM. AND SOMETIMES THOSE DREAMS ARE THE KIND YOU WOULD NEVER TELL ANYONE ABOUT
Or something along those lines at least.
YOU KNOW THERE'S NO WAY I WOULD HAVE THAT ONE GAI. THEY ARE ALL PREPROGRAMMED DREAM SEQUENCES.
DAMN, IT'S UNFAIR THAT ONLY WE ARE BEING TRAINED EVEN IN OUR DREAMS!

HEY THERE, 101 PLATOON INHERITING OUR DUTIES NOW ARE YOU? GREAT THEN, AT LAST IT'S OUR TURN TO SLEEP IN THESE FLUFFY COMFORTABLE BEDS.
HAA HAA HAA ...
MAKE SURE TO FIGHT WITH ALL YOUR MIGHT FOR THOSE DREAMS OF YOURS, YOU DAMN DNA FREAKS.

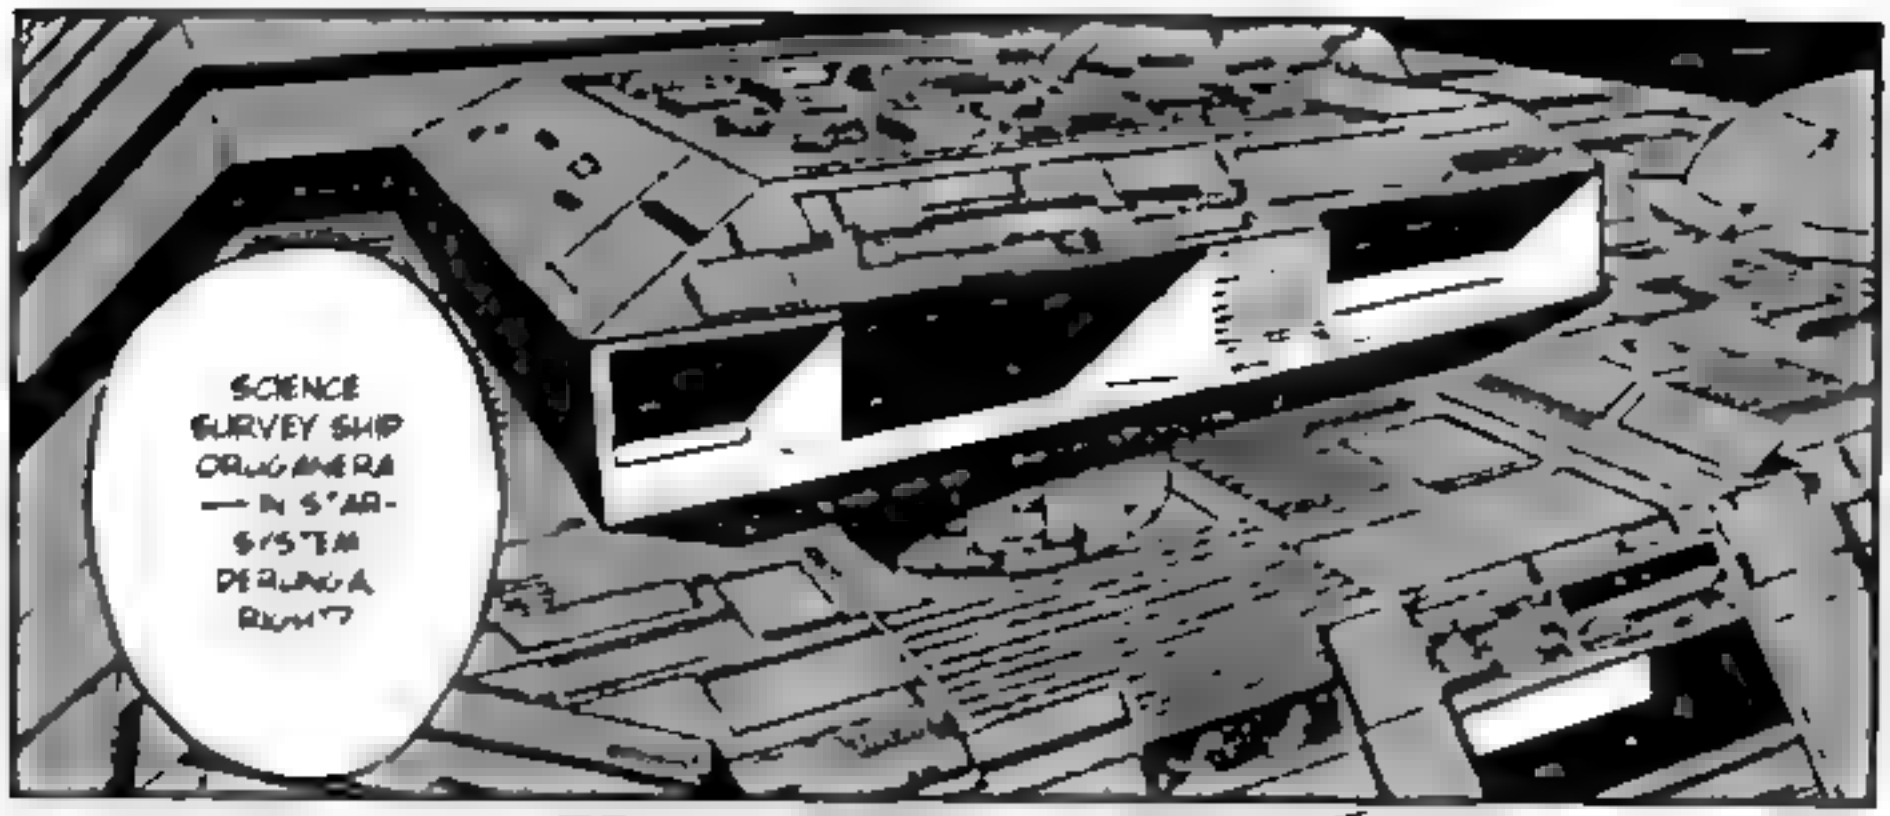
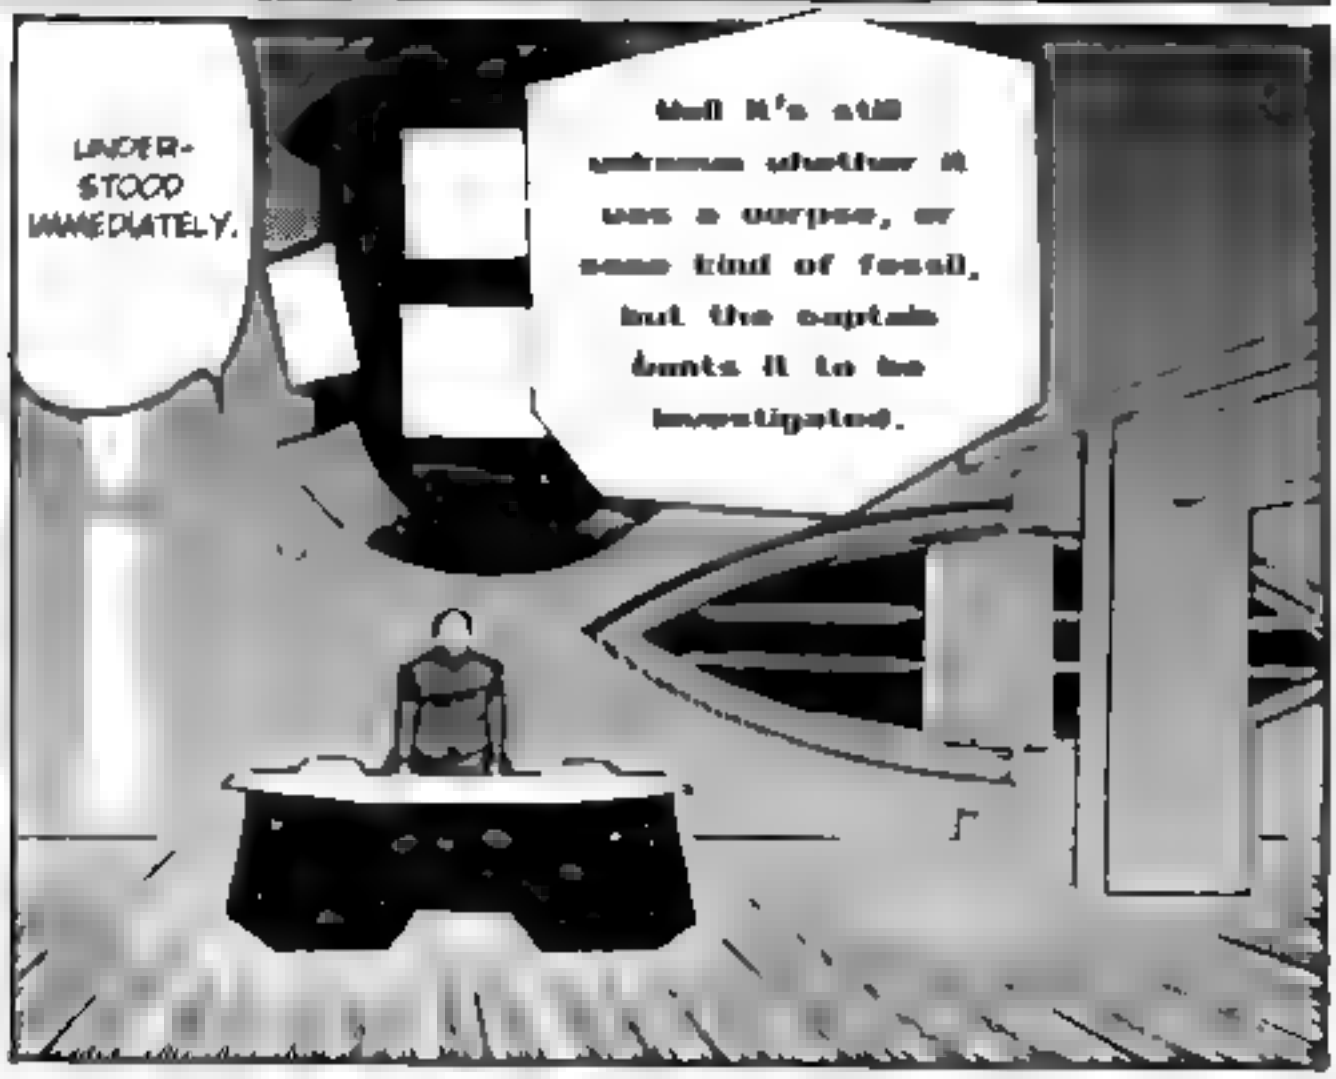
Military Personnel in Suspension:
Countless



SCIENCE SURVEY SHIP ORUGANERA — IN STAR-SYSTEM DERUNGA. RIGHT?

Well then, headquarters out.



UNDERSTOOD IMMEDIATELY.
Well it's still unknown whether it was a corpse, or some kind of fossil, but the captain wants it to be investigated.

PUT ME THROUGH TO THE SPECIAL CASES COMMANDER
SO THE "INITIALS" HUH?

Platoon 321 has just encamped their station.
WHAT IS THE CURRENT STATUS OF ACTIVE SLEEPERS ONBOARD?
REALLY THEY KEEP BOTHERING US

THESE ARE DIRECT ORDERS FROM HEAD-QUARTERS.
WE'LL HEAD OVER TO THE ORUGANERA IN THIS TRANSPORT SHIP, AND ACHIEVE THE OBJECTIVE OF RETRIEVING THE SPECIFIED OBJECT.
PENDRAGON WILL BE HEADING TO HEADQUARTERS IN THE MEANTIME, AND ON THE WAY BACK WILL STOP BY THE DERONGA SYSTEM, SO WE'LL BE PICKED UP THERE.
EVEN THOUGH IT'S NOT A COMBAT MISSION, IT'S YOUR FIRST ONE OUTSIDE OF THIS SHIP. SO DON'T YOU DARE FUCK THIS UP!
THE FIVE OF YOU WERE CHOSEN OUT OF PLATOON 101 BECAUSE OF YOUR EXEMPLARY TRAINING RECORDS
YES SIR!!

SFX: Don (dramatic impact)

YES SIR!

AS SOON AS WE REACH A SAFE DISTANCE INITIATE THE HYPER DRIVE

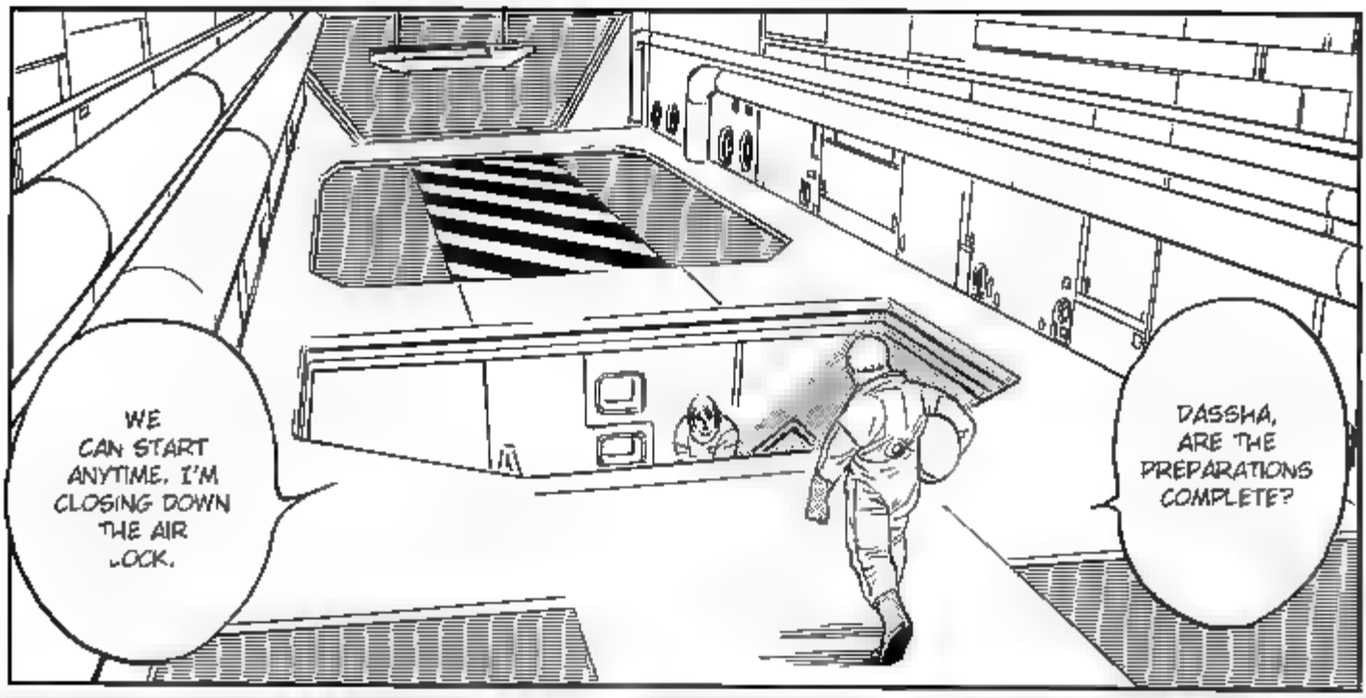
HOW MANY TIMES DO I HAVE TO TELL YOU THIS FOR YOU TO UNDERSTAND, MATT? EVER SINCE TWENTY YEARS AGO, WHEN SOME TROOPS WERE FOOLISHLY SENT DOWN THERE, THIS PLANET'S CRUST HAS BEEN TOO UNSTABLE FOR ANYONE TO EVEN GET NEAR IT, MUCH LESS SURVIVE THERE!

THE HELL WE DO! BESIDES, IF WE CAN'T EVEN DO ONE SINGLE EXAMINATION ON OUR OWN THEN WHAT THE HELL IS THE PURPOSE OF THIS SCIENCE SHIP HUH?!

BUT IF THIS REALLY IS A CORPSE, THEN WE HAVE NO OTHER CHOICE BUT TO HAND IT OVER TO THE MILITARY!

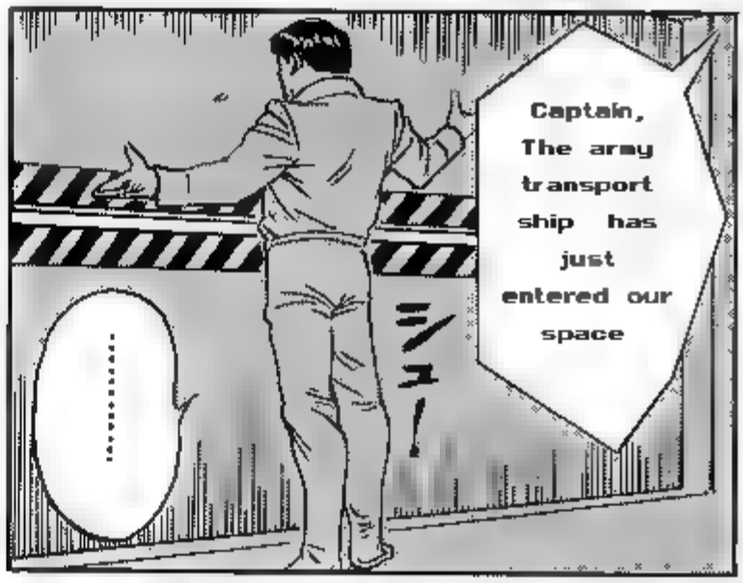
HEY, MATT!

WELL, THE SCAN WAS INCOMPLETE AND SINCE THE MILITARY STILL ISN'T HERE, I GUESS WE'LL JUST HAVE TO START WITHOUT THEM.

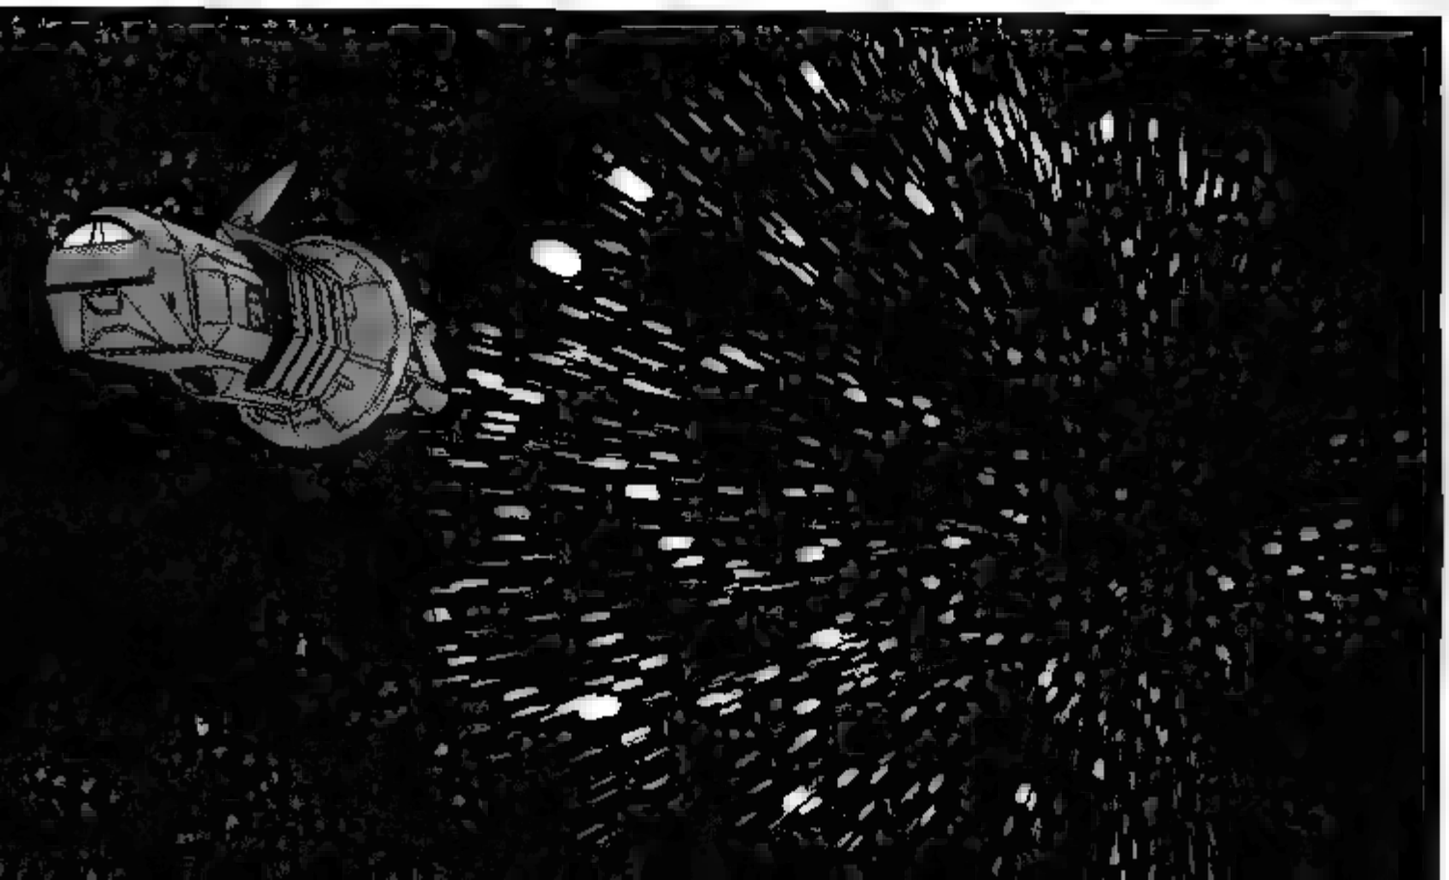


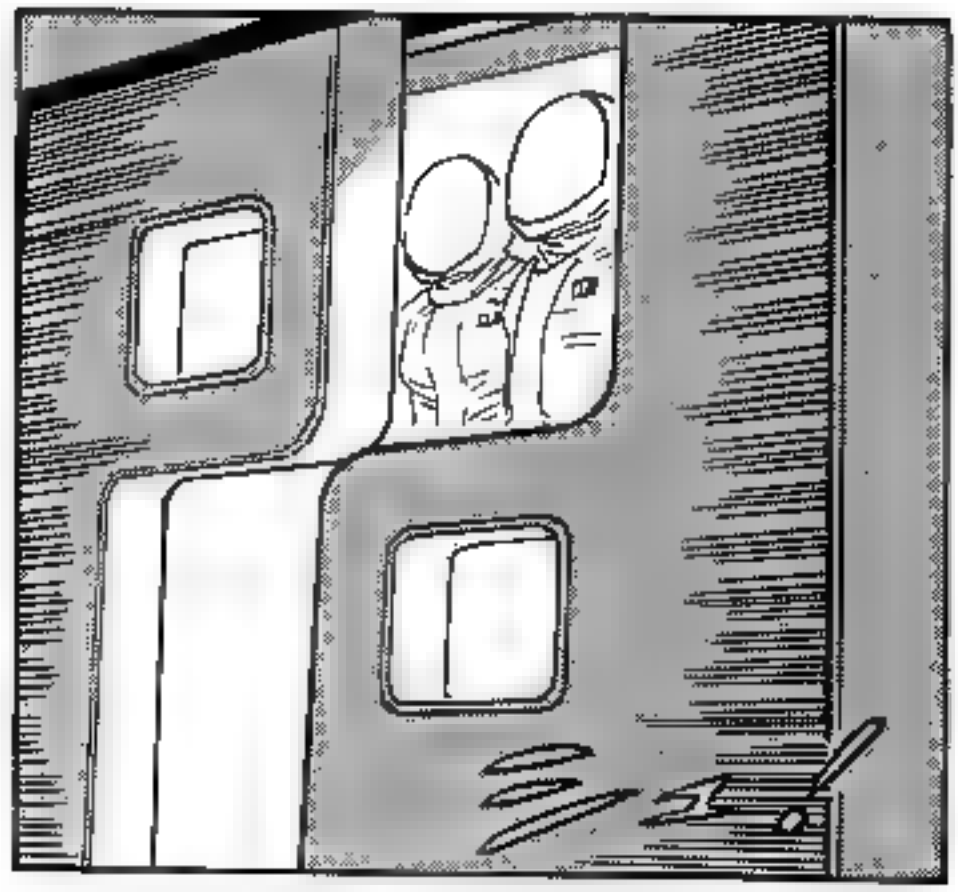
WE CAN START ANYTIME. I'M CLOSING DOWN THE AIR LOCK.
DASSHA, ARE THE PREPARATIONS COMPLETE?

AAH, DAMN IT!
NOW I'LL HAVE TO SWEET TALKE THEM A BIT

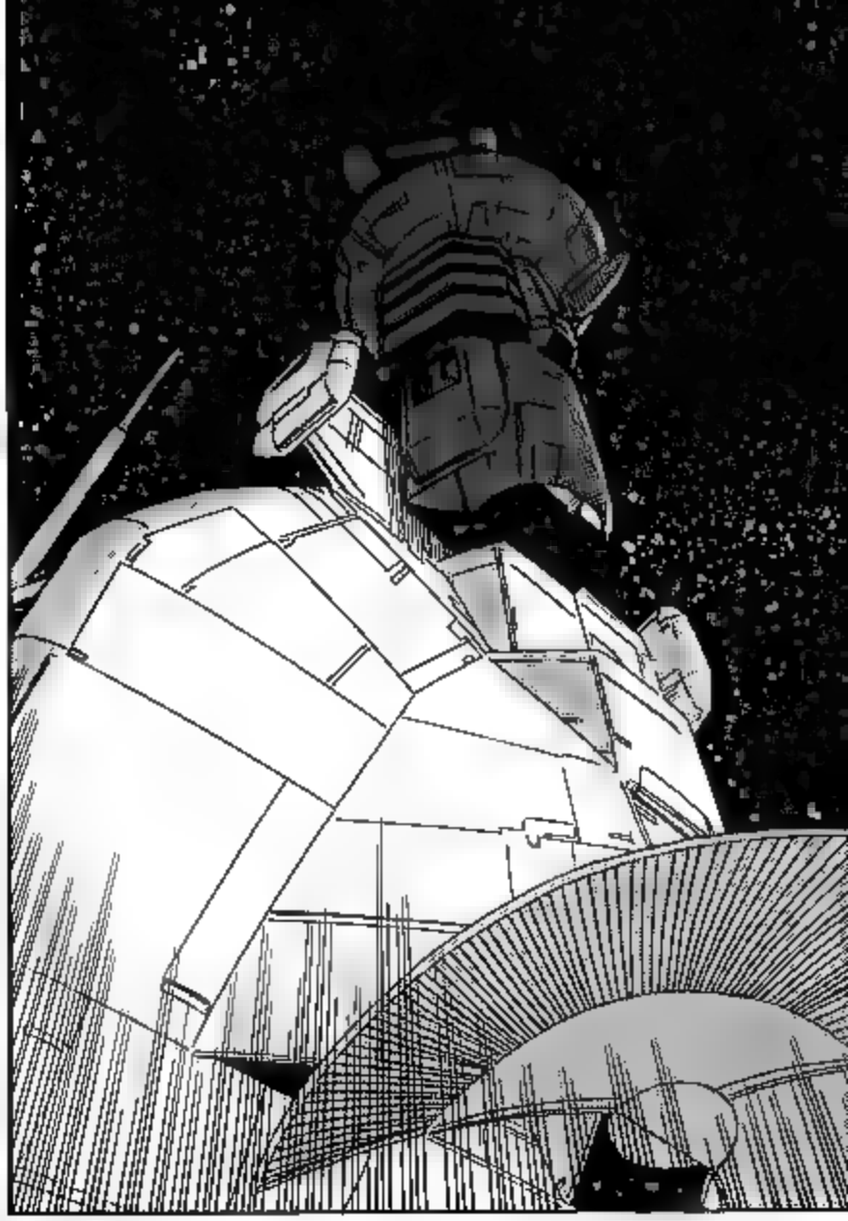


Captain, The army transport ship has just entered our space
シュ！
……





I'M SECOND LIEUTENANT KAASH FROM BATTLECRUISER PENDRAGON.



I'M COUNTING ON YOU HERE LIEUTENANT. THE MATTER S PRETTY SIMPLE ACTUALLY WE'LL JUST EXAMINE IT A BIT, AND WHEN WE KNOW FOR SURE IT CAME FROM THAT PLANET, THEN WE'LL JUST HAND IT OVER TO
THAT WAY EVERYONE WOULD BE HAPPY, RIGHT?

.....

"ON" IS THE KEY WORD HERE AS YOU CAN READ IN THE REPORT, THE THING WE DISCOVERED WAS IN THE VOID OF SPACE AT THE TIME
BUT THAT'S NOT WHAT WAS ARRANGED CAPTAIN COLIN. THE MILITARY HAS THE RIGHTS TO ANY LIVING ORGANISM FOUND ON THIS PLANET

AN AIRLOCK, HUH?
IT'S A TEMPORARY SAFETY MEASURE. IF, BY ANY CHANCE, THERE ARE BACTERIA LYING DORMANT ON IT, WE CAN IMMEDIATELY JETTISON IT OUTSIDE.
THE SCIENCE PERSONNEL THERE, MATT AND DAASHA, HAVE AIRED THE LOCK, BUT AT THE SAME TIME THEY ARE CONNECTED TO THE SHIP'S INTERNAL OXYGEN SUPPLY BY WIRE CABLE. SO EVEN IF WE DO HAVE TO JETTISON IT THEY WILL BE ALRIGHT

Dassha, hand me the laser scalpel.

Solid surface, of which the top layer shows signs of carbonization. It feels like a rock to the touch, but I would be more inclined to believe it to be an effect of fossilization

Let's try to open it up.

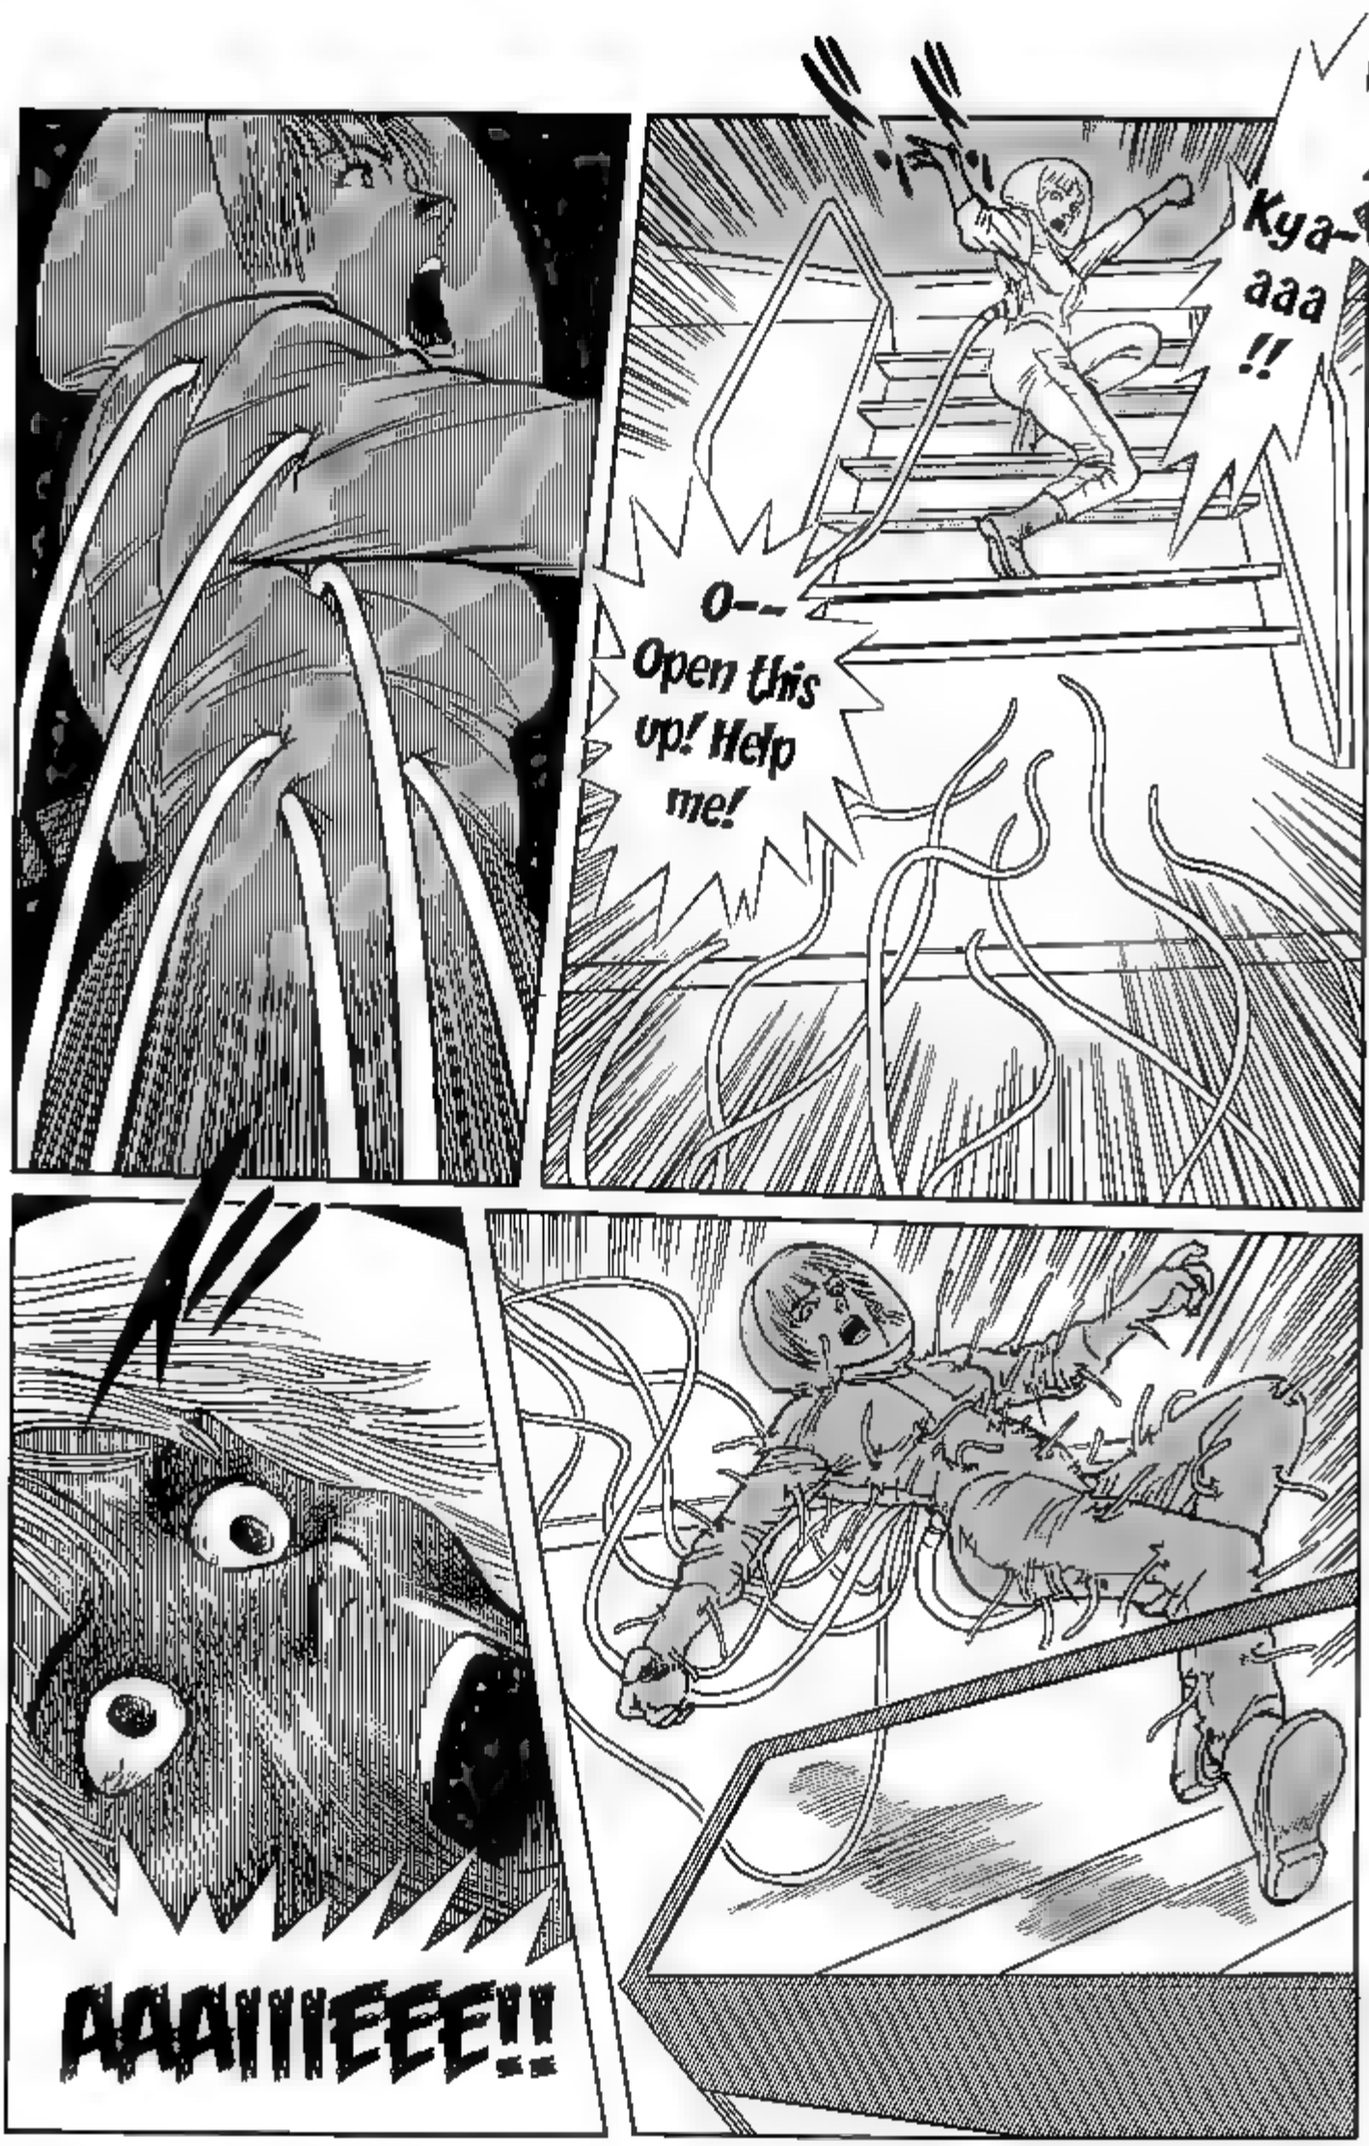
SFX: TAPPING ON KEYS.
WHICH WOULD MEAN THAT THE OUTER LAYER OF THAT THING WOULD HAVE TO BE CAPABLE OF ENDURING MAGMA OF OVER 1000 DEGREES CELSIUS, WOULDN'T IT
LO LO LO LO
NO MATTER HOW MANY TIMES WE SCAN, IT SHOWS HOMOGENEOUS STRUCTURE, WITH NO ORGANS OR NERVOUS SYSTEM. I REALLY DOUBT THERE COULD BE SUCH A LIVING THING.
A SPECIALIST IN VECTOR PLANETS PHYSICS LIKE YOU, SHOULDN'T BE SPOUTING SUCH ABSURD THEORIES. THAT KIND OF CREATURE...
IT MIGHT OR MIGHT NOT EXIST ...
LO LO LO LO
BESIDES, ALL THE LIVING BEINGS ON THAT PLANET WOULD HAVE BEEN IMMERSED IN LAVA WHICH WOULD PRACTICALLY MAKE THEM EVAPORATE.
LO

FEVER BEE!?
THE OUTER LAYER'S COMPOSITION IS STILL UNKNOWN BUT WE'VE GOT AN ESTIMATE ON THIS MATERIAL'S GROSS REFLECTIVENESS.
WE FOUND HIGH AMOUNTS OF MGR GAS INSIDE OF IT'S BODY! THE SAME AS FEVER BEES FROM THE PARU SYSTEM!!
BUT-
—
ALL THE FEVER BEES FROM THE PARU SYSTEM HAVE BEEN EXTERMINATED BY THE MILITARY AND THERE WEREN'T ANY BEES ON THE DERONGA V ALPHA ANIMAL LIST.
THE GAS THAT FEVER BEES ATTACK THEIR PRAY WITH CAN REACH UP TO 1200 DEGREES CELSIUS !! THEN THIS THING MUST BE USING MGR'S PROPERTIES LIKE THE BEES DO WITH THE VARIATION OF MAKING IT AN ACTUAL INSULATION!!
THAT'S NOT MY POINT! I MEAN THAT WITH THE USE OF MGR GAS, IT COULD HAVE SURVIVED EVEN IN THE MOST OF LAVA HELL!!

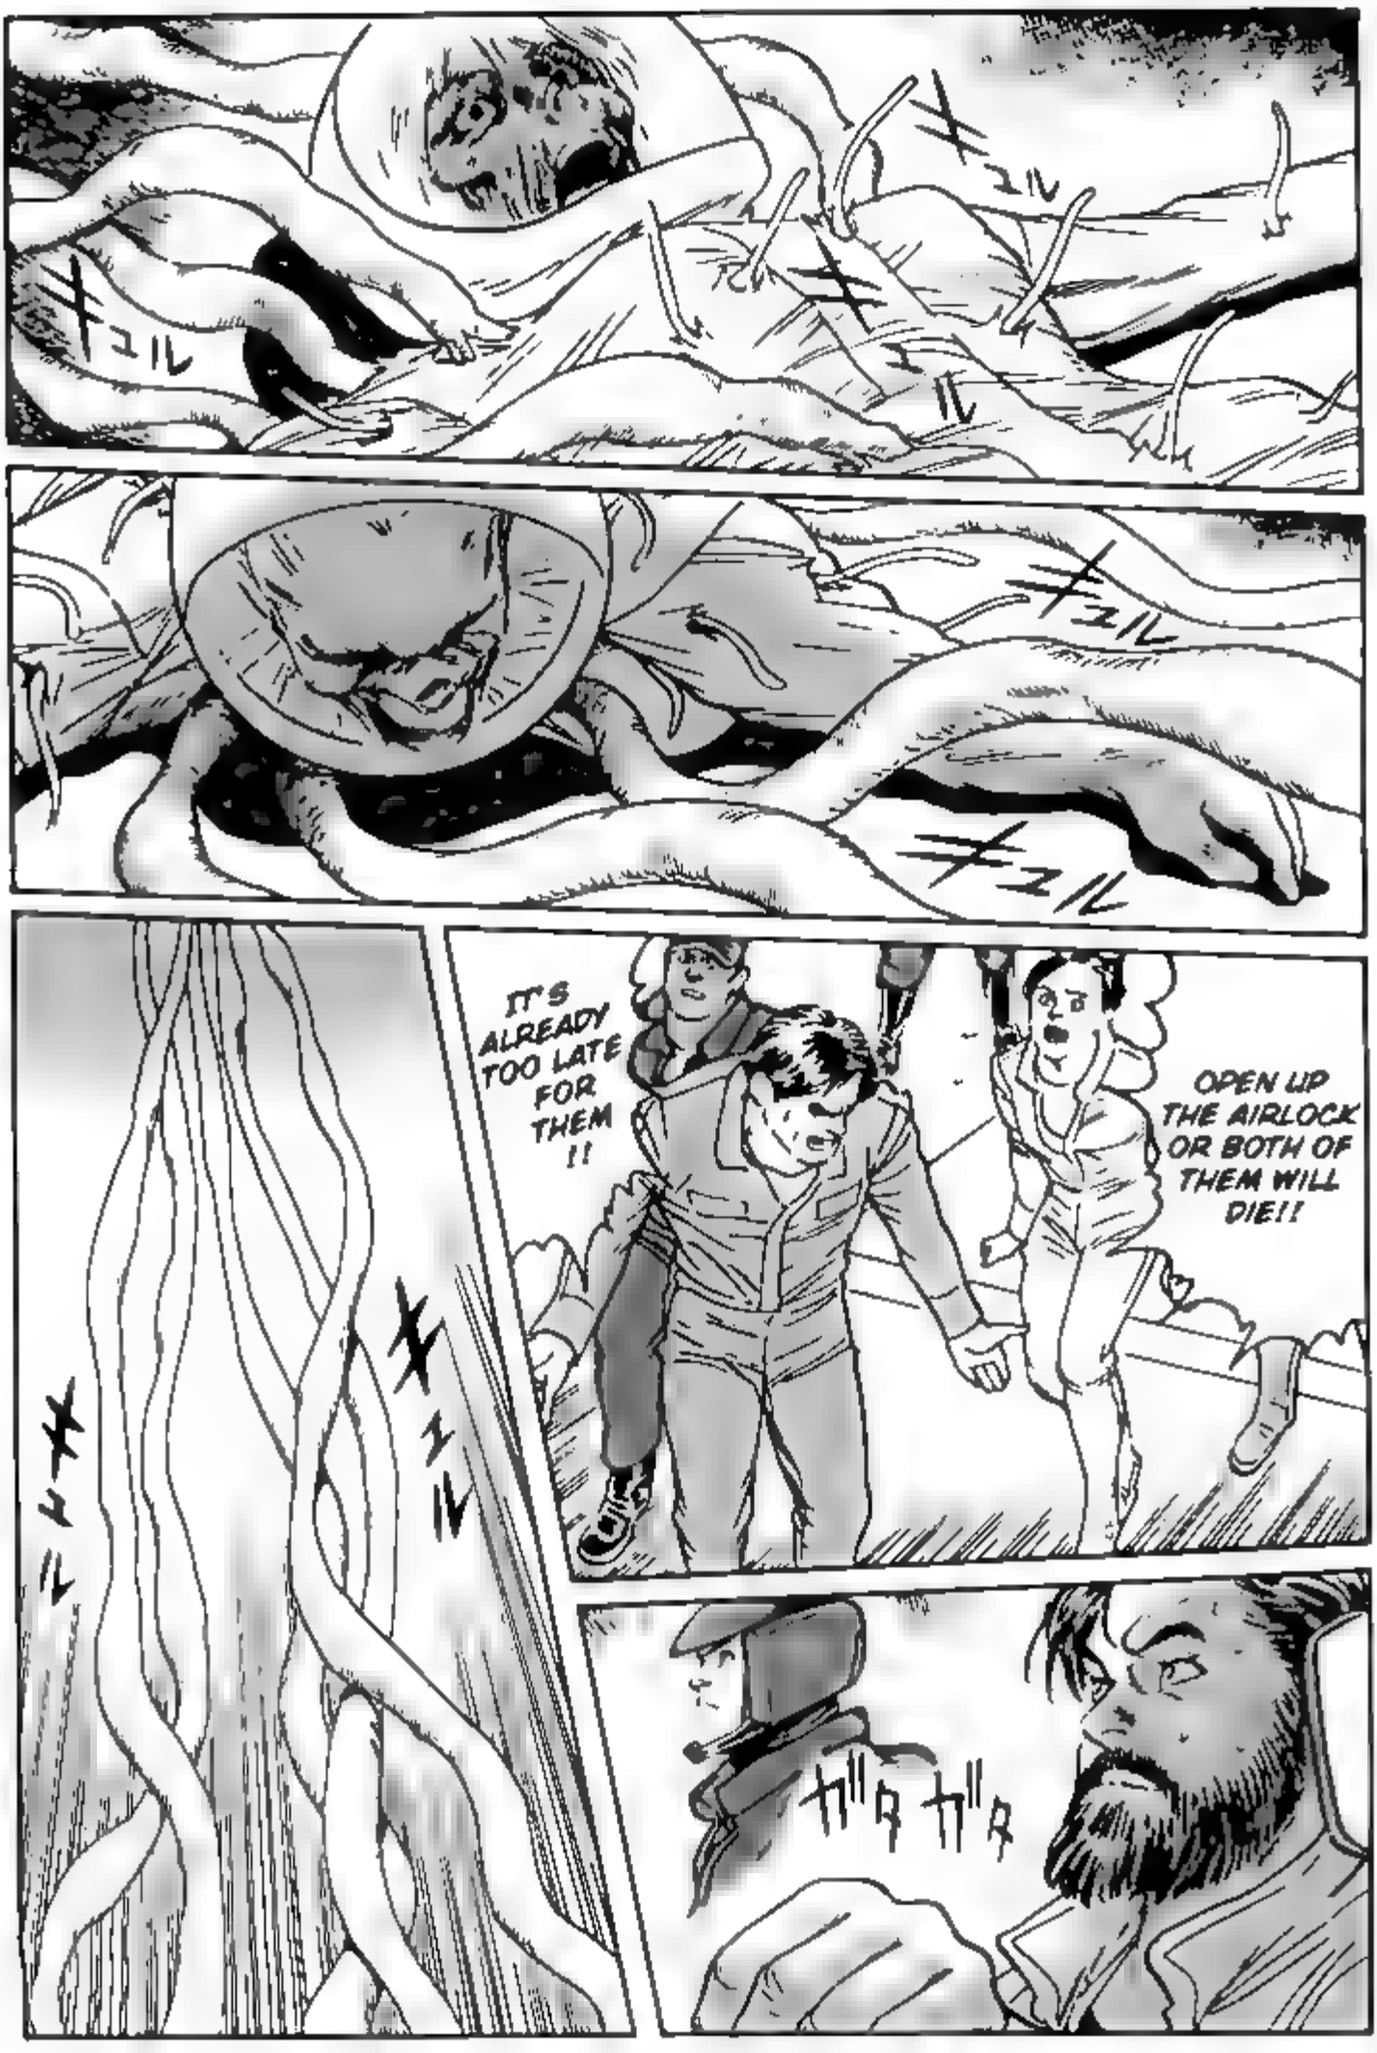
LOOK AT THAT!
SOMETHING INSIDE OF IT STARTED SHIFTING!
NO WAY! THERE'S STILL CELLULAR ACTIVITY !?
G-... GET OUT OF THERE MATT!! THAT THING!!
THAT THING IS STILL ALIVE!!

AHA-....
HAHAA-
AHA!!

GAAAAAAAAAAAAAAAA !!



Kya-aaa!!
O--Open this up! Help me!
AAAIIEEE!!



IT'S ALREADY TOO LATE FOR THEM !!
OPEN UP THE AIRLOCK OR BOTH OF THEM WILL DIE!!

キュキュル

キュキュル キュル

ヒロ

ヒロ

THIS THING IS NOW MILITARY PROPERTY. IT'S NO LONGER YOUR DECISION TO MAKE!

I'M OPENING UP THE OUTSIDE AIRLOCK!

IT HAS TO BE JETTI-SONED INTO THE VOID OF SPACE!

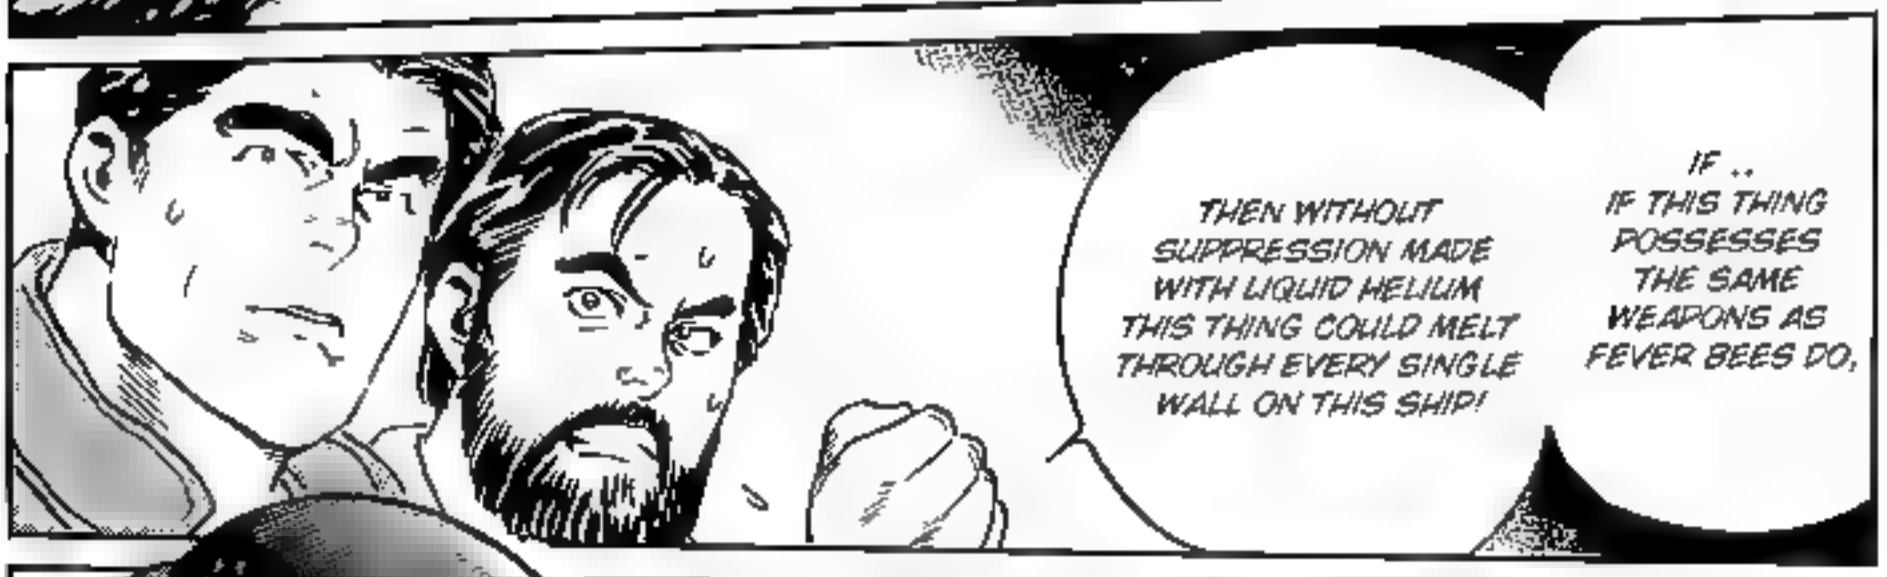
THEN FUCKING GO IN THERE AND TAKE IT FROM THIS SHIP!

OUR MISSION IS TO RETRIEVE IT!

THIS THING JUST KILLED TWO PEOPLE! DON'T YOU GO SPOUTING BULLSHIT ABOUT WHO'S THIS MONST-ROSITY IS!

IT.... IT'S MOVING... IT'S ALMOST AS IF...IT WAS EMERGING FROM ITS HARD SHELL AFTER RECEIVING ITS DOSE OF NOURISHMENT!

VG!



THEN WITHOUT SUPPRESSION MADE WITH LIQUID HELIUM THIS THING COULD MELT THROUGH EVERY SINGLE WALL ON THIS SHIP!
IF .. IF THIS THING POSSESSES THE SAME WEAPONS AS FEVER BEES DO,

IT DISPLAYED HOSTILITY ONBOARD AN INBOUND SHIP, AND OUR DUTY IS TO PUT IT DOWN AGAIN!
THAT THING IS OUR ENEMY!
AND WHY IS THAT LIEUTENANT? WEREN'T OUR ORDERS TO BRING BACK THE "CORPSE" ?
THIS IS QUITE AN UNEXPECTED SITUATION I GUESS WE WILL HAVE TO CONTACT PENDRAGON.

DISABLE THE SAFETY LOCKS! SWITCH TO EXTERNAL CONTROL B STATION!
COME ON, OPEN THE EXTERNAL AIRLOCK! RELEASE IT!!
CAP-TAIN !
THAT'S RIGHT, I'M THE CAPTAIN! AND I MADE A HUGE MISTAKE IN PICKING THAT MONSTROSITY UP!
RELEASE !!

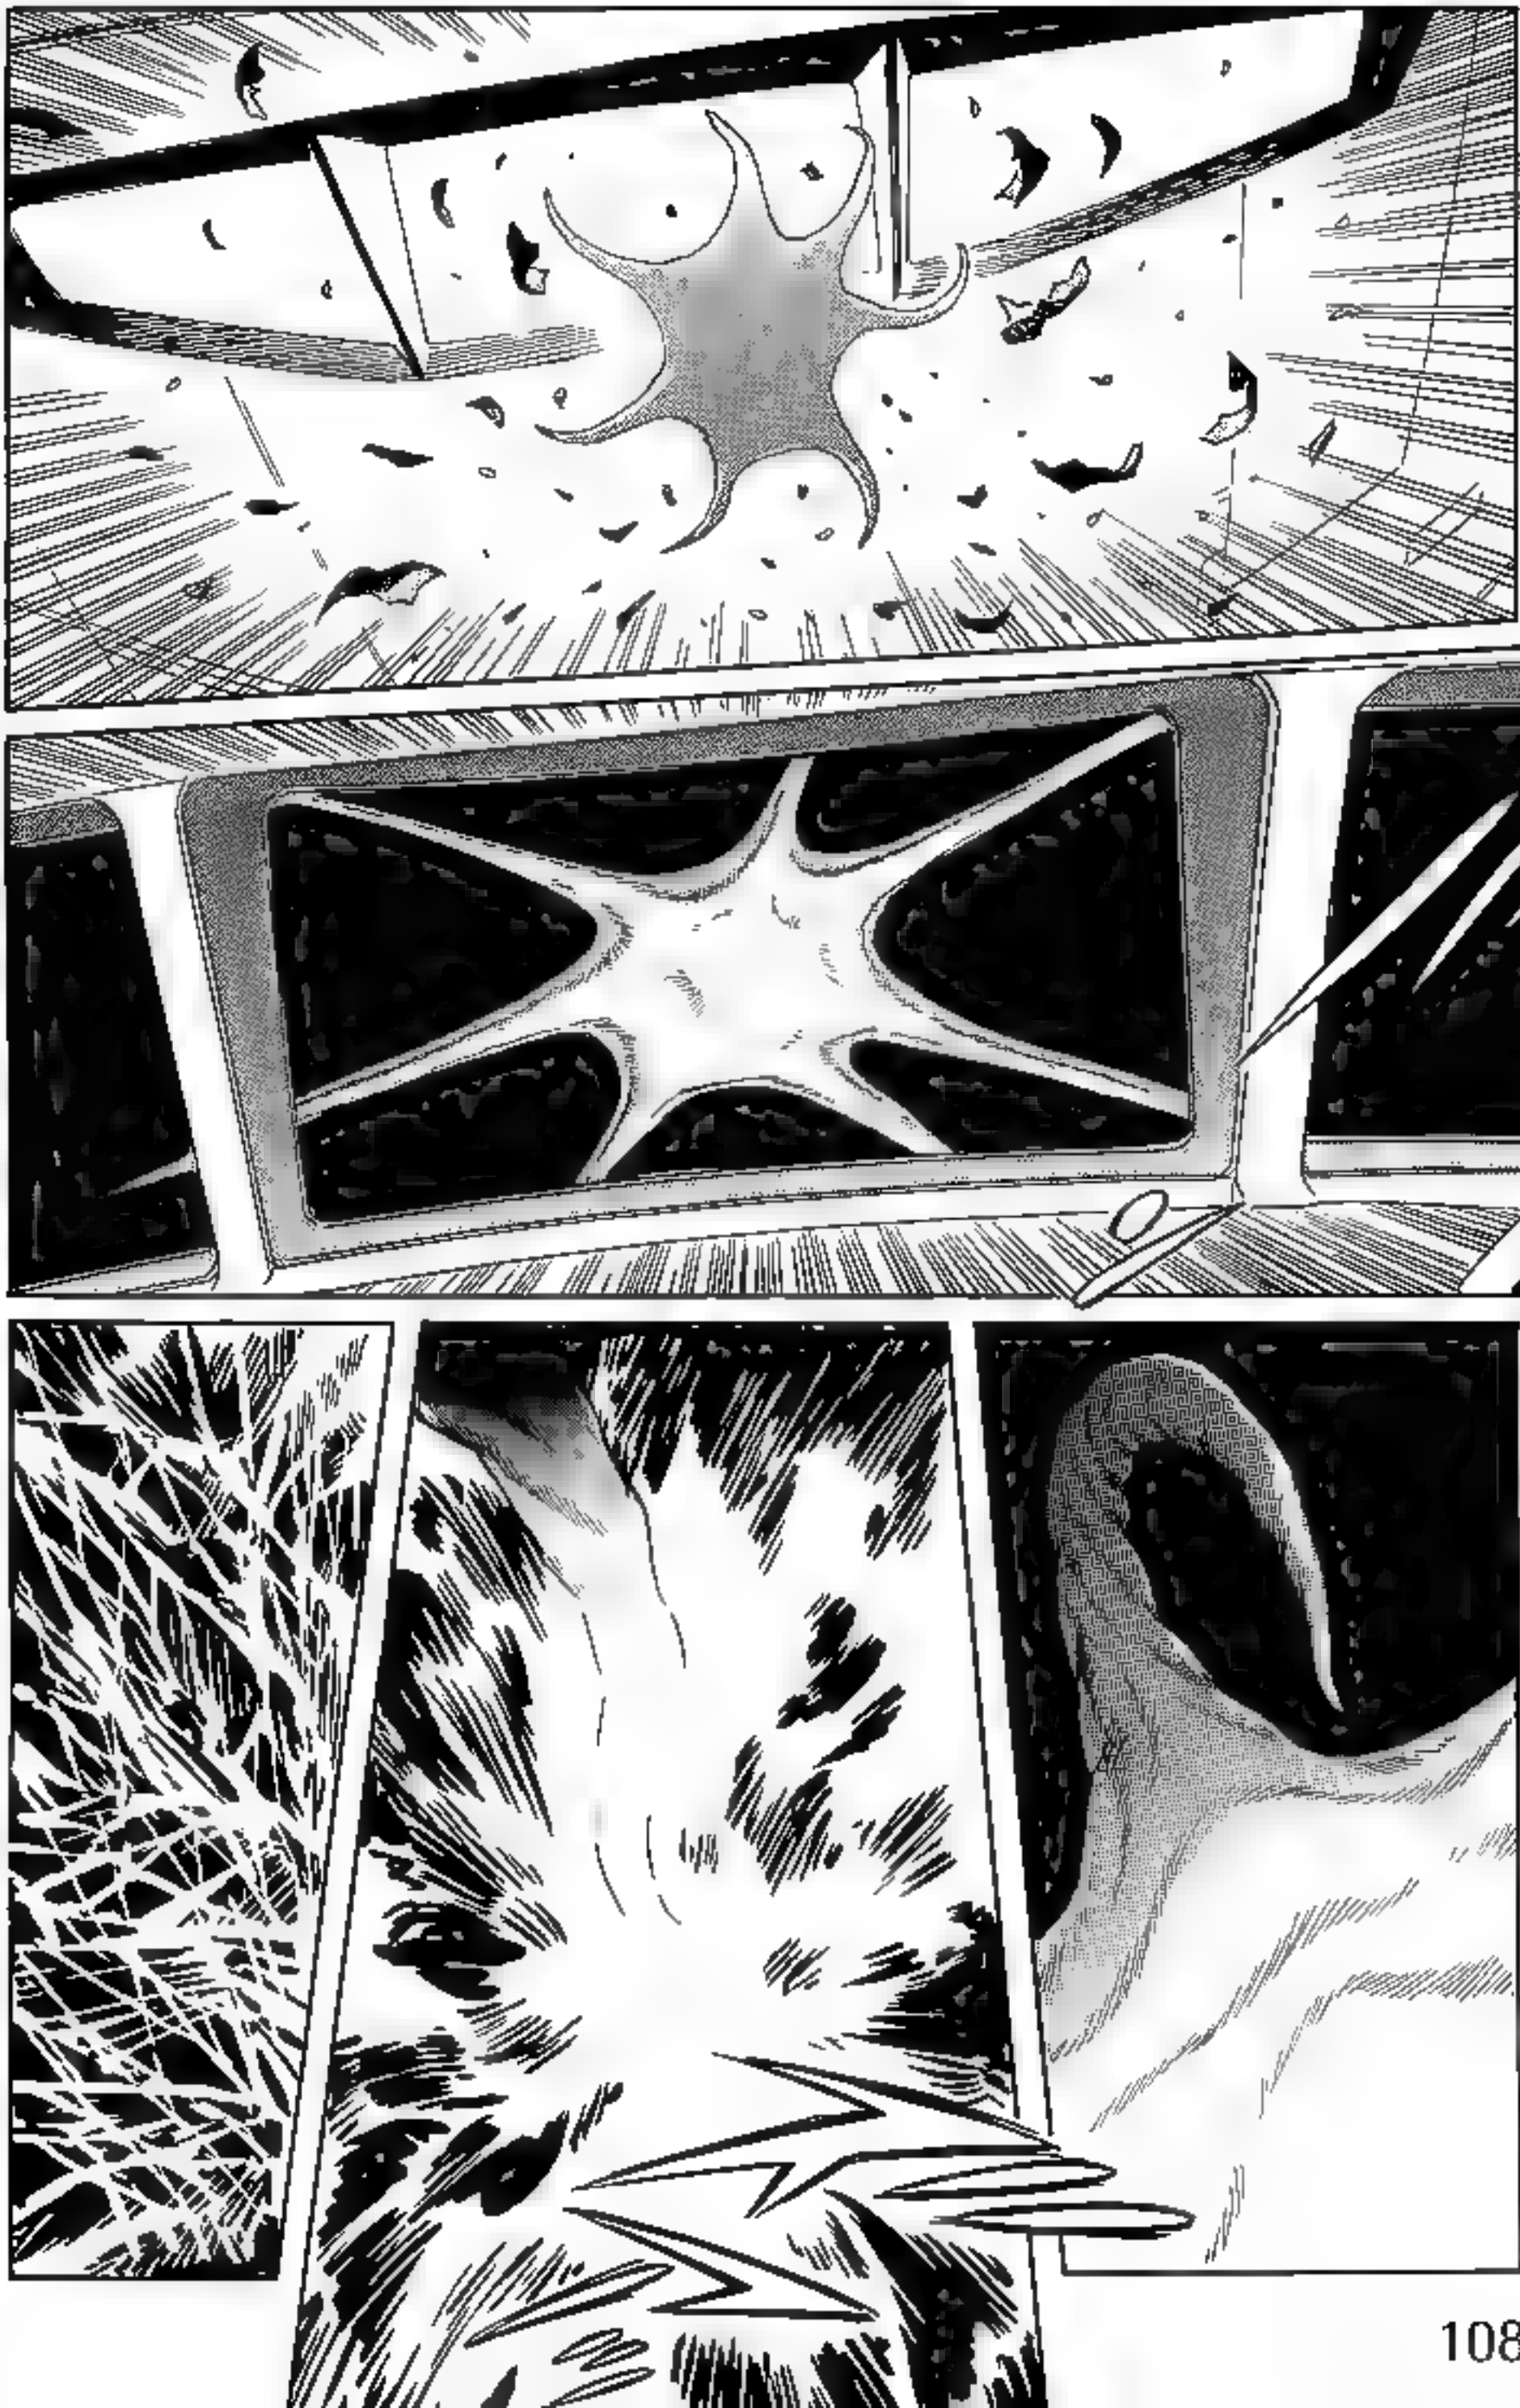
WELL NOW, YOU'LL JUST HAVE TO CHASE IT DOWN WITH YOUR TRANSPORT SHIP. THOUGH IF YOU ARE LUCKY IT MIGHT FALL INTO ANOTHER STATE OF APPARENT DEATH BECAUSE OF SUFFOCATION.

YOU KNOW, SINCE THERE S VACULIM IN SPACE AND ALL.

*t, I note actually it says that the air is still being "consumed" or "intercepted"

AIR IS STILL BEING SUPPLIED*! CUT THE CONNEC-TION!

W... WIRE TUBE!! THE AIR IS STILL ...

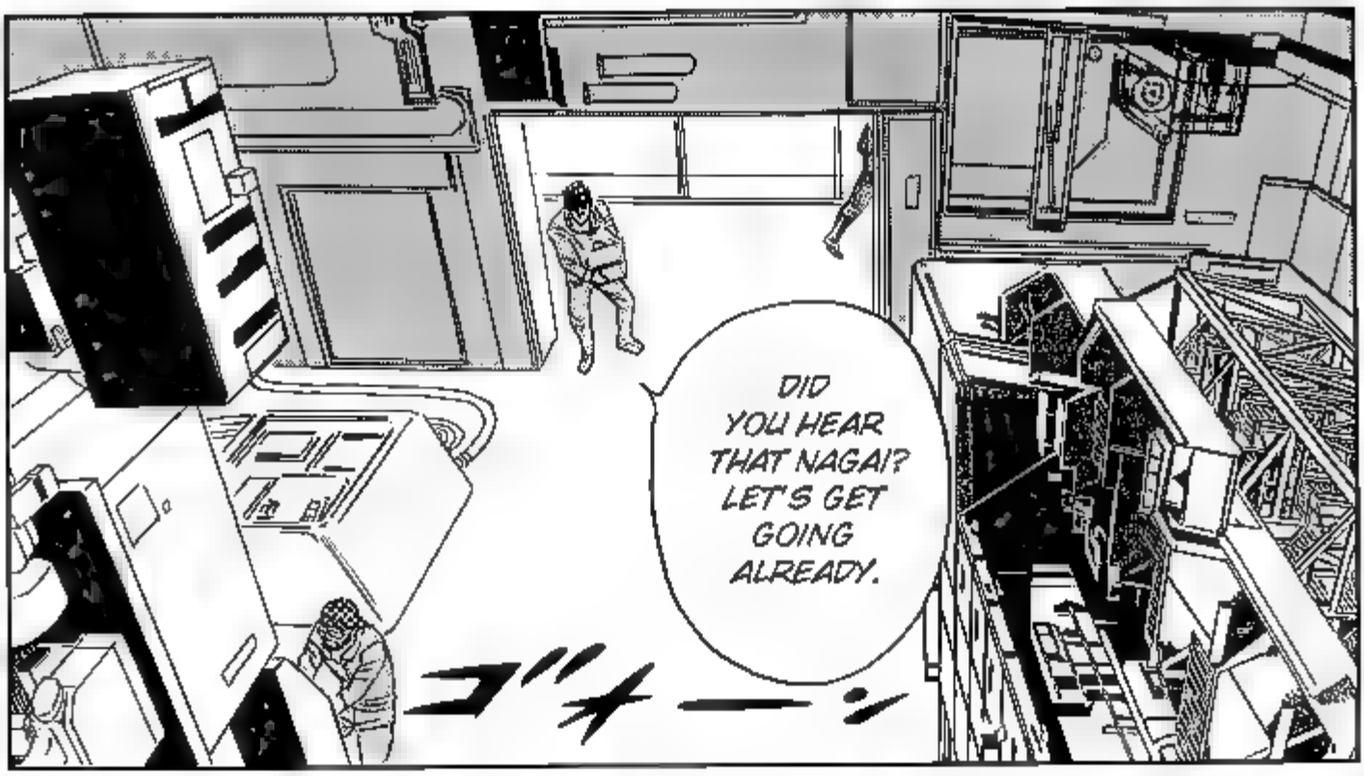


THIS WAY!!
HULL BREACH AND ATMOSPHERIC LEAKAGE IN BOW OBSERVATION ROOM! ATMOSPHERIC LEAKAGE IN BOW OBSERVATION ROOM!
*He s saying this in an computic voice

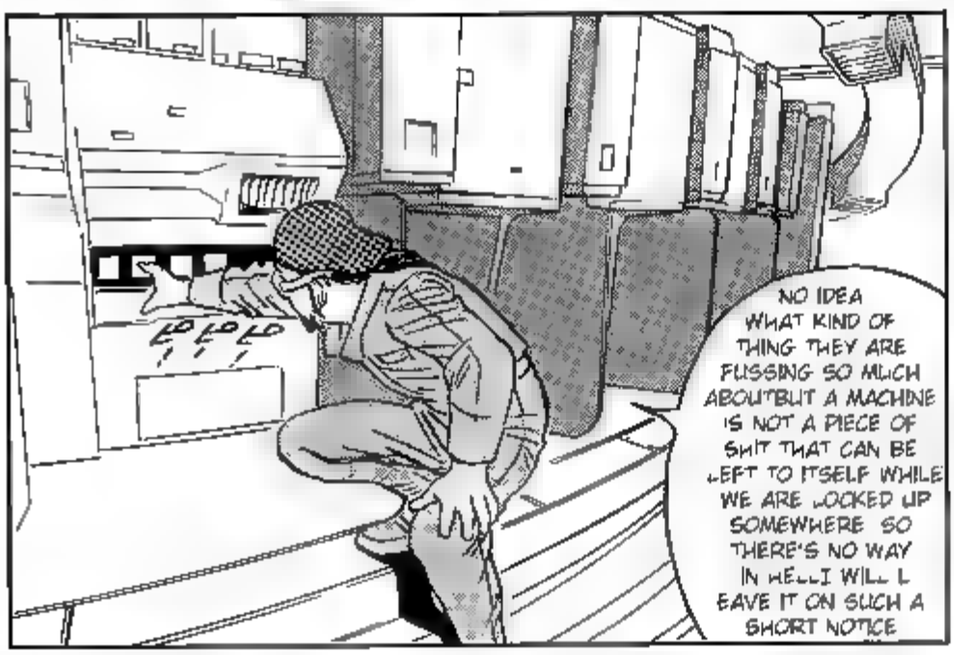
DON'T SHOOT! SOMARE! THAT'S NOT IT!

WE ARE GOING TO CHECK THE PROVISIONS STORAGE ROOM, SO PLEASE GATHER WITH EVERYONE ELSE IN THE SHIP'S CONTROL CENTER.

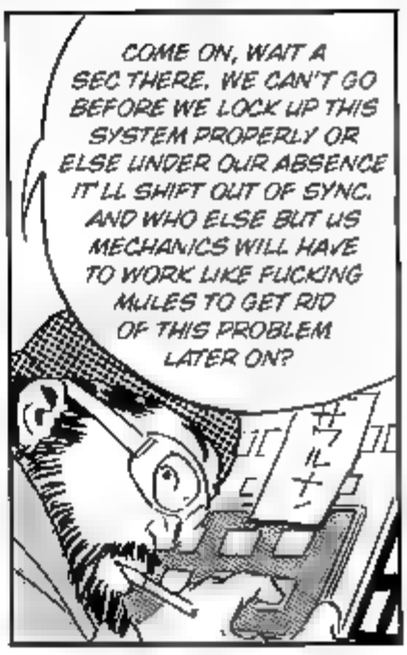
WE HAVE NO IDEA WHERE IT MIGHT HAVE HIDDEN, BUT IT WOULD BE BETTER FOR NORMAL CREW MEMBERS TO STAY SOMEWHERE SAFE.



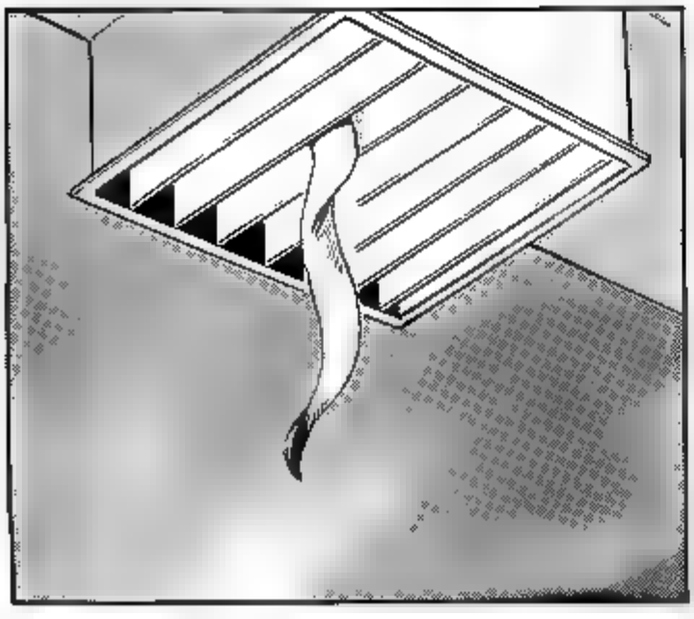
DID YOU HEAR THAT NAGAI? LET'S GET GOING ALREADY.
ゴゴゴゴ



NO IDEA WHAT KIND OF THING THEY ARE FUSSING SO MUCH ABOUTBUT A MACHINE IS NOT A PIECE OF SHIT THAT CAN BE LEFT TO ITSELF WHILE WE ARE LOCKED UP SOMEWHERE SO THERE'S NO WAY IN HELLI WILL L EAVE IT ON SUCH A SHORT NOTICE



COME ON, WAIT A SEC THERE. WE CAN'T GO BEFORE WE LOCK UP THIS SYSTEM PROPERLY OR ELSE UNDER OUR ABSENCE IT'LL SHIFT OUT OF SYNC. AND WHO ELSE BUT US MECHANICS WILL HAVE TO WORK LIKE FUCKING MULES TO GET RID OF THIS PROBLEM LATER ON?



BESIDES IT MIGHT BE SOMETHING LIKE A SNAKE OR COCKROACH.JUST WAIT! IF IT SHOWS UP THEN I WILL BE THE ONE TO GRIND IT WITH MY HEEL. HEHEHEHEEE.....

NAGAI
!!

HI-!
HIIIIIII!

KNOCKOUT EXPERIMENT
VOL. 3

SO IT CAN CHANGE ITS SHAPE AT WILL, AND IS VERY FAST.
BUT WE HAVE NO WAY TO KNOW IF IT HAS ALREADY REGENERATED ITS FULL STRENGTH OR NOT.
OUR MOTHER SHIP, PENDRAGON WHICH WILL BE ARRIVING HERE SOON, IS PROUD TO BE ONE OF THE STRONGEST MILITARY UNITS OF OUR SPACE NAVY!
CALL FOR HELP IMMEDIATELY! I'M SURE THERE MUST BE SOME SHIP THAT'S...
THAT WON'T BE NECESSARY

I WAS WONDERING IF MAYBE WE COULD USE YOUR TRANSPORT SHIP. OUR SHIP HERE HAS SEVERAL RESCUE PODS, BUT THERE'S NO WAY THAT ALL HANDS WILL FIT ONBOARD OF THEM
BUT WHILE USING YOUR TRANSPORT SHIP WE COULD ALL LEAVE THIS SHIP AND THAT THING ALONE HERE, WHILE WE WOULD CALMLY WAIT FOR PENDRAGON TO ARRIVE. WHAT DO YOU THINK?
IF. IF THAT'S THE CASE THEN .
YES SIR!
ALRIGHT! FIRST OF ALL WE'RE GOING TO THE TRANSPORT SHIP TO GET IN CONTACT AND MAKE A PROPER REPORT! TONY. S, YOU'RE ON POINT!
TRUE, THAT DEFINITELY WOULD BE THE SAFEST METHOD TO DEAL WITH THIS.
CAPTAIN, I HAVE CONCERNS REGARDING THE TIME OXYGEN WOULD LAST ON THE TRANSPORT IF IT'S LOADED TO FULL CAPACITY, SO I WOULD LIKE TO CONNECT WITH YOUR TANKS TO RESUPPLY OUR OXYGEN LEVELS.
UNDERSTOOD, I WILL LEAVE THAT TO YOU.

GAI C, BOBBIE K, SOMARE F, BUTTO S. KEEP PROTECTING THE REMAINING CREW IN CONTROL CENTER.
WILLIE, OROFU! GIVE THEM A HAND.
LIEUTENANT!
IT'S ALRIGHT TO EVACUATE THE CIVILIANS, BUT I THINK THAT WE, THE SOLDIERS SHOULD REMAIN HERE ON BOARD!
WHAT?
WE HAVE TO REMAIN HERE AND KEEP ON FIGHTING THIS THING!
LEAVING THIS VESSEL IS LIKE ABANDONING OUR [redacted]
WE HAVEN'T COMPLETED OUR DUTY YET! OUR MISSION WAS TO CATCH THAT THING.

NO MATTER WHAT KIND OF MONSTER IT IS, PENDRAGON CAN CATCH IT, AND TRYING TO DO SO RIGHT NOW WOULD SIMPLY INCREASE NEEDLESS LOSSES!
STOP IT, GAI!
!
BUT YOU KNOW, SPEAKING FROM PERSONAL EXPERIENCE I CAN TELL YOU THAT WHEN IT COMES TO BATTLE YOUR ORDERS ARE 100% BULLSHIT!
I KNOW A LITTLE ABOUT WHAT KIND OF TRAINING YOU 'INITIALS' UNDERTAKE. AND IT'S SO AS TO MAKE YOU INTO THE PERFECT COURAGEOUS HERO SOLDIERS THAT WOULD GLADLY THROW THEIR LIVES AWAY IN THE NAME OF DUTY AND YOUR ORDERS!
IN OTHER WORDS, THAT MEANS THAT IF YOU DIE IN BATTLE IT'S 100% IN VAIN! REMEMBER TO VALUE YOUR OWN LIFE, GAI.

PI
PI
THIS IS SECOND LIEUTENANT KAASU. SPECIAL MISSION IN DERONGA STARSYSTEM, ASKING FOR PERMISSION TO SPEAK WITH CAPTAIN MADOKKU.

OK!
IT'S JUST AN EMERGENCY MEASURE, BUT CONNECT THIS TO THE TRANSPORT SHIP'S VALVE. AND MAKE SURE THERE'S NO LEAKAGE.
GACHI
WE HAVE CONTROL HERE OVER THE IN SYSTEM OXYGEN TANK VALVE. AS SOON AS THEY CONNECT IT WE CAN START THE TRANSFER.
INSHIP SYSTEM SENSORS DETECT NO BODY MOVEMENT ON ALL RANGE SPECTRUMS.

I WONDER IF IT'S WAITING IN SLEEP SOME-WHERE?

YEAH, I AGREE. IT MUST HAVE EATEN ITS FILL.

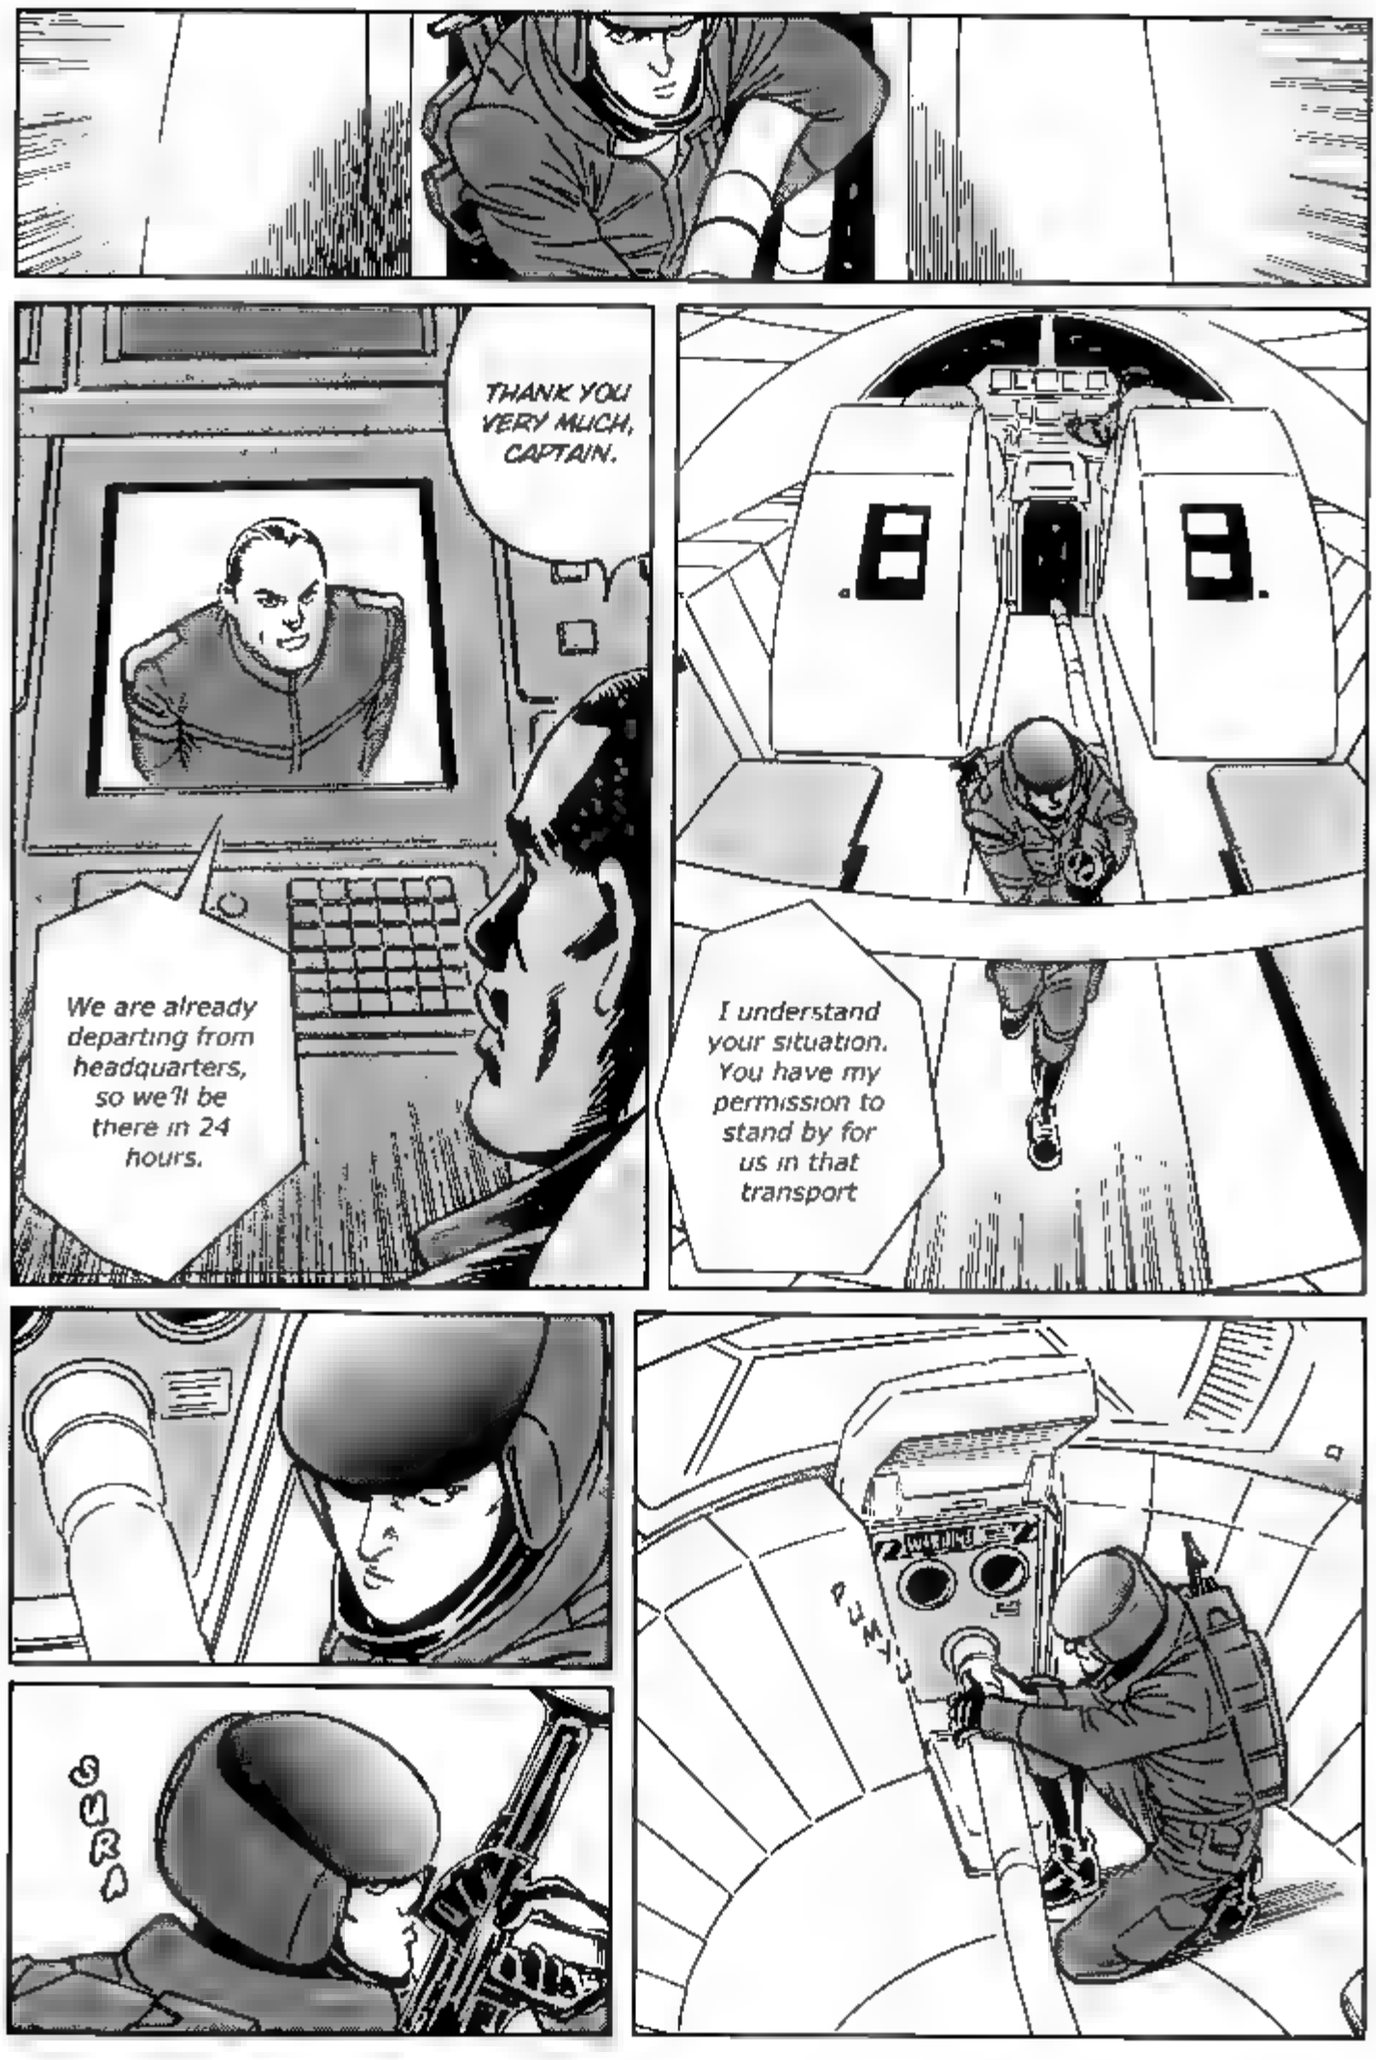
GAI, IF YOU USE THOSE GRAPESHOTS THEN YOU'LL JUST BE ASKING FOR SOME HOLES IN THE HULL, YOU KNOW?

YEAH, I GET THAT.

THEY MIGHT BE USELESS NO MATTER HOW MUCH WE SHOOT AT IT...

STILL OUR USUAL 9 MM BULLETS DIDN'T EVEN SLOW THIS THING.

DYING IN VAIN, HUH?

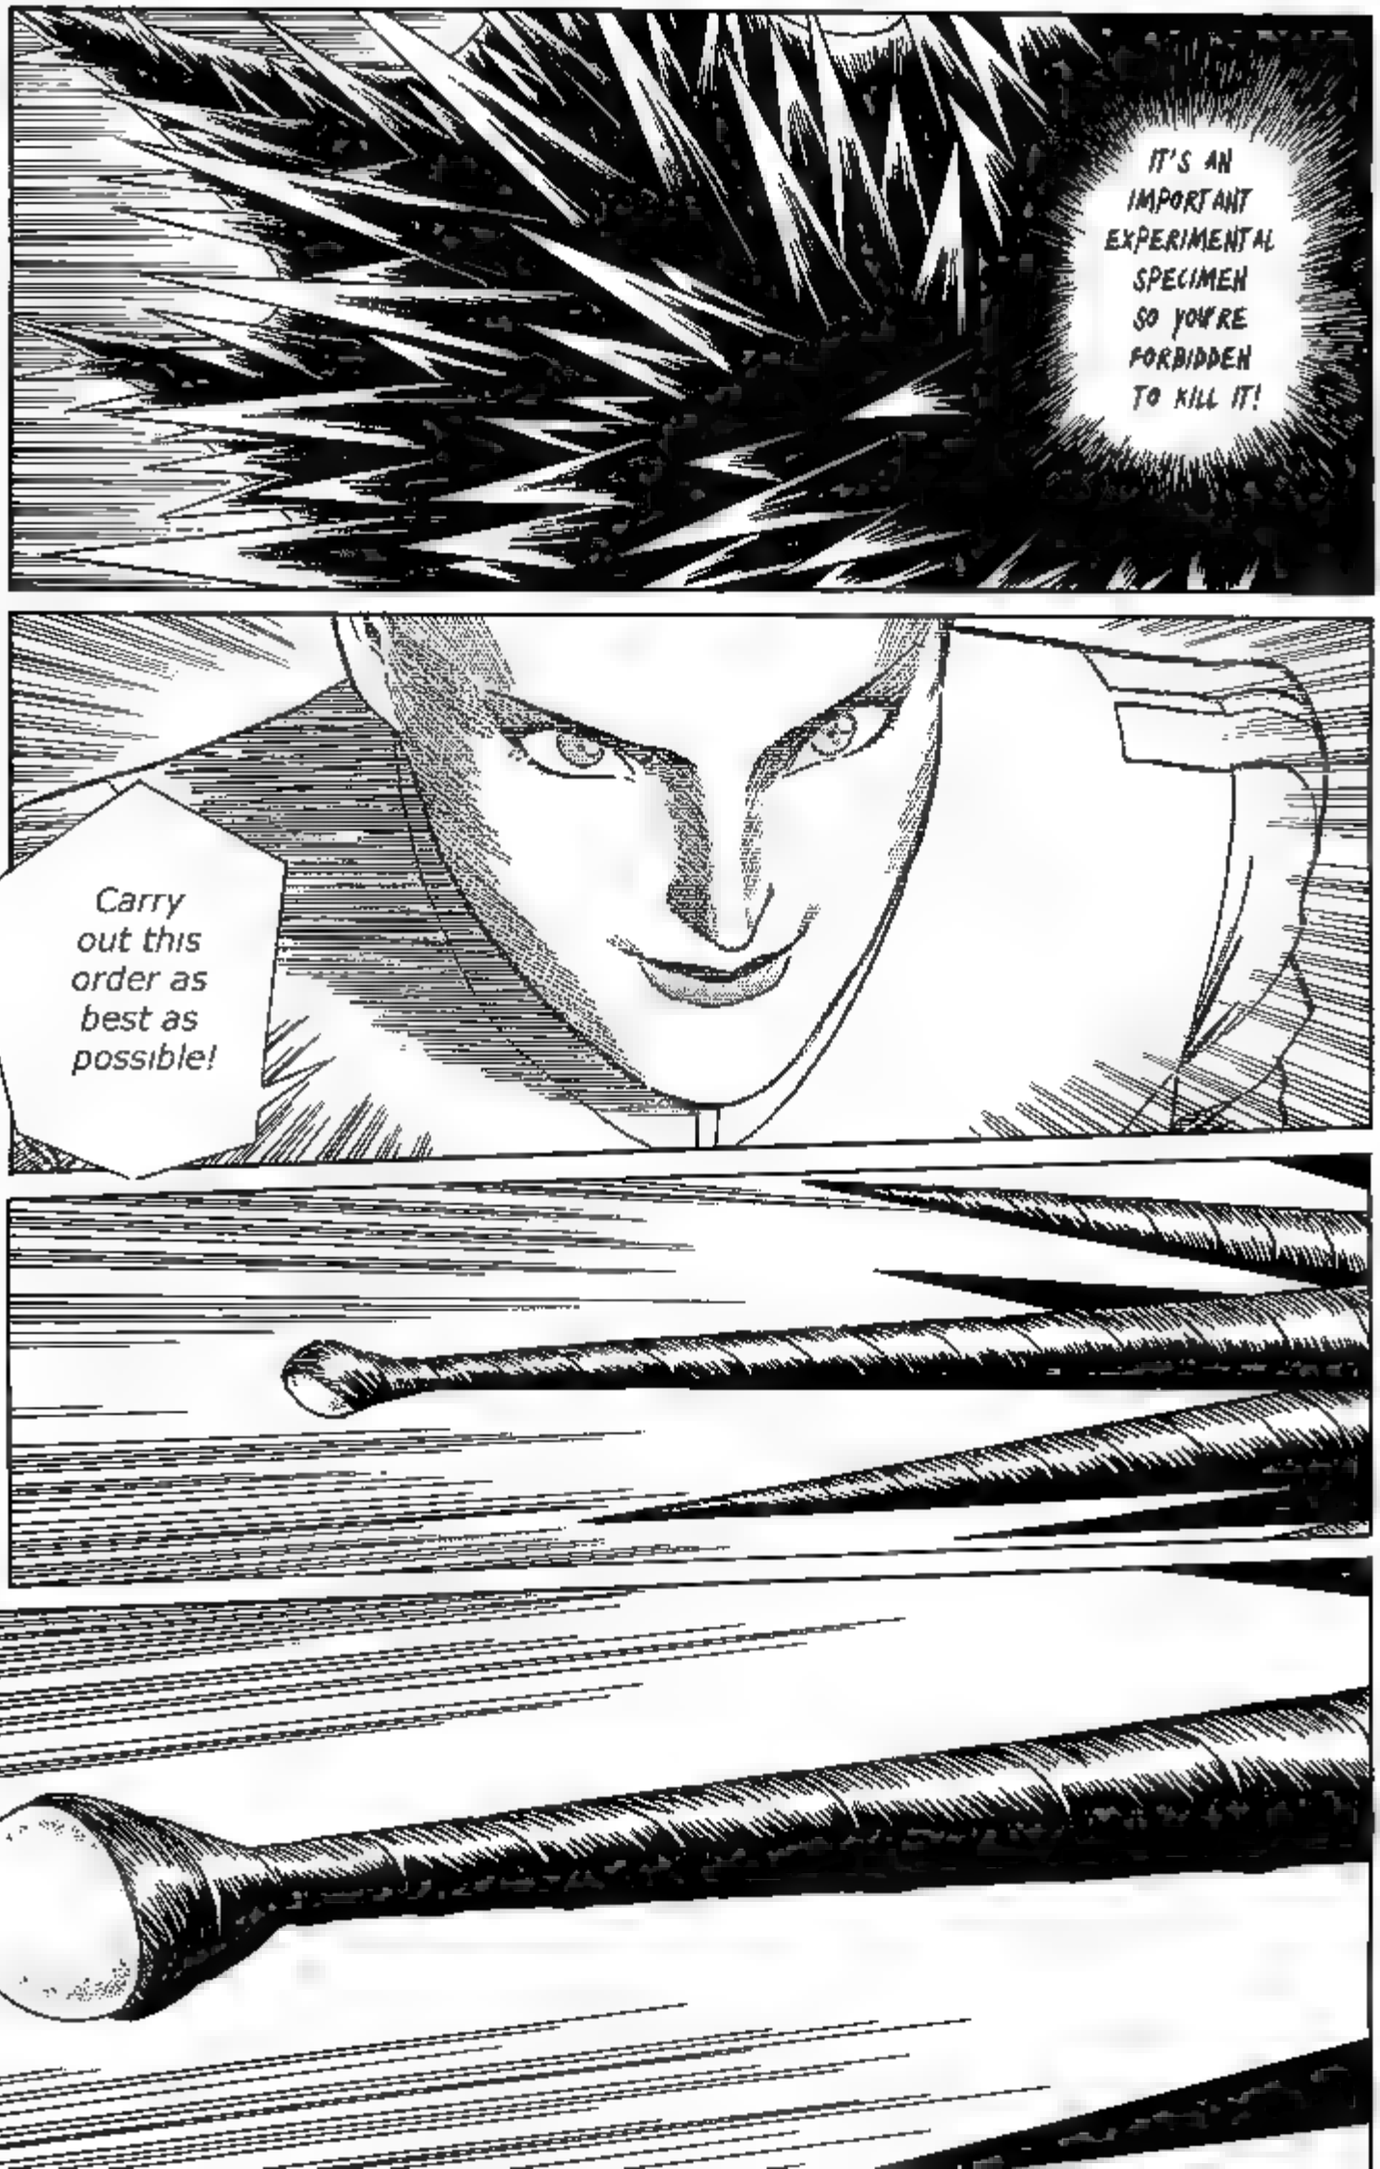


THANK YOU VERY MUCH, CAPTAIN.
We are already departing from headquarters, so we'll be there in 24 hours.
I understand your situation. You have my permission to stand by for us in that transport
PUNK
SURA

UNDER-STOOD WE'LL STAND BY IN THE TRAN-SPORT
HEY! BE QUIET OVER THERE, TONY!
SATAN
A moment Change with me captain
HYUUN
Brigadier General Buggless from special weapons division. I've just transferred aboard Pendragon.
This cre-ature has completely revived, hasn't it?

THAT'S CORRECT MA'AM!! WE BELIEVE THAT IT SURVIVED THE EXPLOSION OF THE PLANET DERONG V ALPHA!
TH..
Lieutenant, you are forbidden to interfere with it until our arrival.
SFX: Gin
It's an important experimental specimen so you're forbidden to kill it!

SFX:



IT'S AN IMPORTANT EXPERIMENTAL SPECIMEN SO YOU'RE FORBIDDEN TO KILL IT!
Carry out this order as best as possible!

!
BRIGADIER

SFX: Gmmmmm
CA....
CAPTAIN
....!?

UWA-

AAA-

BA-

BA-

BOW

GIIIIIIIIN

ALERT
SFX: BIIIII

KILL KILL
WHA... WHAT THE HELL!! HE'S FUCKING DOCKED BUT HE'S IGNITING HIS AFT ENGINE TO FULL POWER!?

NOTE: THERE'S A VALVE ON BOTH SIDES - THE MAIN SHIP'S AND THE TRANSPORT SHIP SO IT'S GOING TO EXPLODE ANYWAYS, DUMBASS.

DAMN !!!
RUN!

SFX: OOOO
SFX: DODODO

USE GRAPE-SHOT!!
SFX: BATA
SFX POU POU POU POU

SFX: DOU
DOU DOU

ドドドドド

ドドドドド

WHA...!?

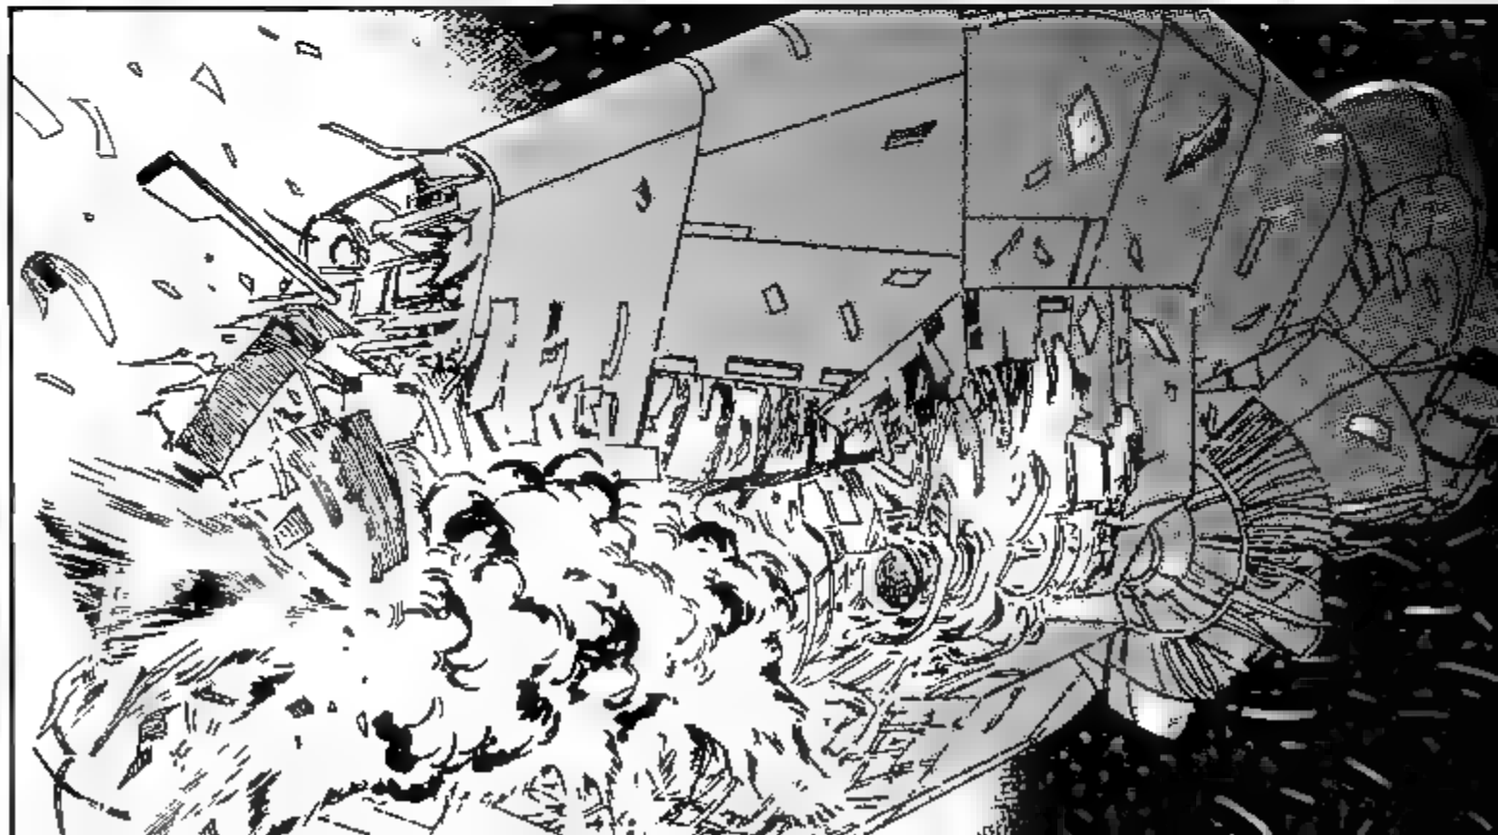
AH!

UGAA-AAAA-AAA-AA!

RUN FOR IT, BOBII K!!

SFX: GUOO-OOOO-OOO

SFX: DO DO DO
GYA AAA AAA
SFX: GOOO



State of emergency Level A. Serious hull breach on forward section detected. Switching to auxiliary emergency power supply.
compartments depressurized
cient capabilities for heat preservation. Danger to onboard personnel...

GAI C!
WHY THE HELL DID YOU PUSH US AWAY! JUST A LITTLE BIT MORE AND WE COULD HAVE HAD HIM IN PIECES!!
GOLO GOLOO
THAT'S DERELICTION OF DUTY! AND FOR US 'INITIALS' IT EQUALS DESERTION IN THE FACE OF THE ENEMY!!
SO WE ALL WOULD JUST END UP DEAD LIKE BOBBIE K DID!
EVEN GRAPESHOT DIDN'T WORK ON IT! THIS THING HAD ITS SHELL HARDENED TO ENDURE THAT EXPLOSION!!
THAT'S RIGHT! JUST LIKE WE TRAINED, GAI. NO MATTER WHAT THE SITUATION. NEVER RETREAT AND ALWAYS FIGHT TO THE BITTER END. WE SHOULD FEAR NOTHING. NOT EVEN DEATH ITSELF!

IF I HAVE TO DIE IN BATTLE THEN THERE MUST BE SOME MORE MEANINGFUL WAY TO DO IT THAN THIS!!
THAT'S WHAT I WAS THINKING AT THAT INSTANT!
HONORABLE DEATH IN ACTION NOBODY WILL EVEN KNOW OR CARE ABOUT?
EVEN WHEN YOU KNOW THAT YOU WILL SIMPLY DIE AND THE ENEMY WILL BE LEFT UNHARMED?!
WE SHOULDN'T BE THINKING OR DOING ANYTHING ELSE BESIDES THE DUTY WE HAVE TO PERFORM!!
INITIALS DO NOT FEAR DEATH! AND WE ARE STRONG BECAUSE WE DON'T!
.....
PUTTO!
THE FEARFUL BABBLE YOU KEEP SPOUTING IS THE SAME AS THAT OF AN ORDINARY SOLDIER! LIKE A FUCKING COWARD!!

SFX. Ba! (sudden movement)
D.. DON'T SHOOT!!
MOAN
BUT DON'T YOU THINK YOU BASTARDS THAT YOU SHOULD HAVE BEEN CHECKING IF ANY OF US HAD FUCKING SURVIVED!?
I DON'T CARE WHETHER YOU'RE ORDINARY SOLDIERS OR WHATEVER...
ELLUIRA AND ME GOT PINNED UNDER THE CONTROL PANEL WHICH SHIELDED US FROM MOST OF THE BLAST AND SPONTANEOUS DEPRESSURIZATION TILL IT WAS OVER, BUT STILL....
YEAH, I THINK SO SINCE MOST OF THE CREW MEMBERS WERE GATHERED IN THAT CONTROL CENTER.
SO ONLY THE TWO OF YOU STAYED ALIVE?

IT'S THIS WAY, DOWN STAIRS, BUT IT'S MOST LIKELY COMPLETELY WRECKED LIKE THIS PLACE.

SHE HAS SEVERAL BROKEN RIBS AND WE CAN'T STOP THE BLEEDING WHERE IS THE MEDICAL BAY?

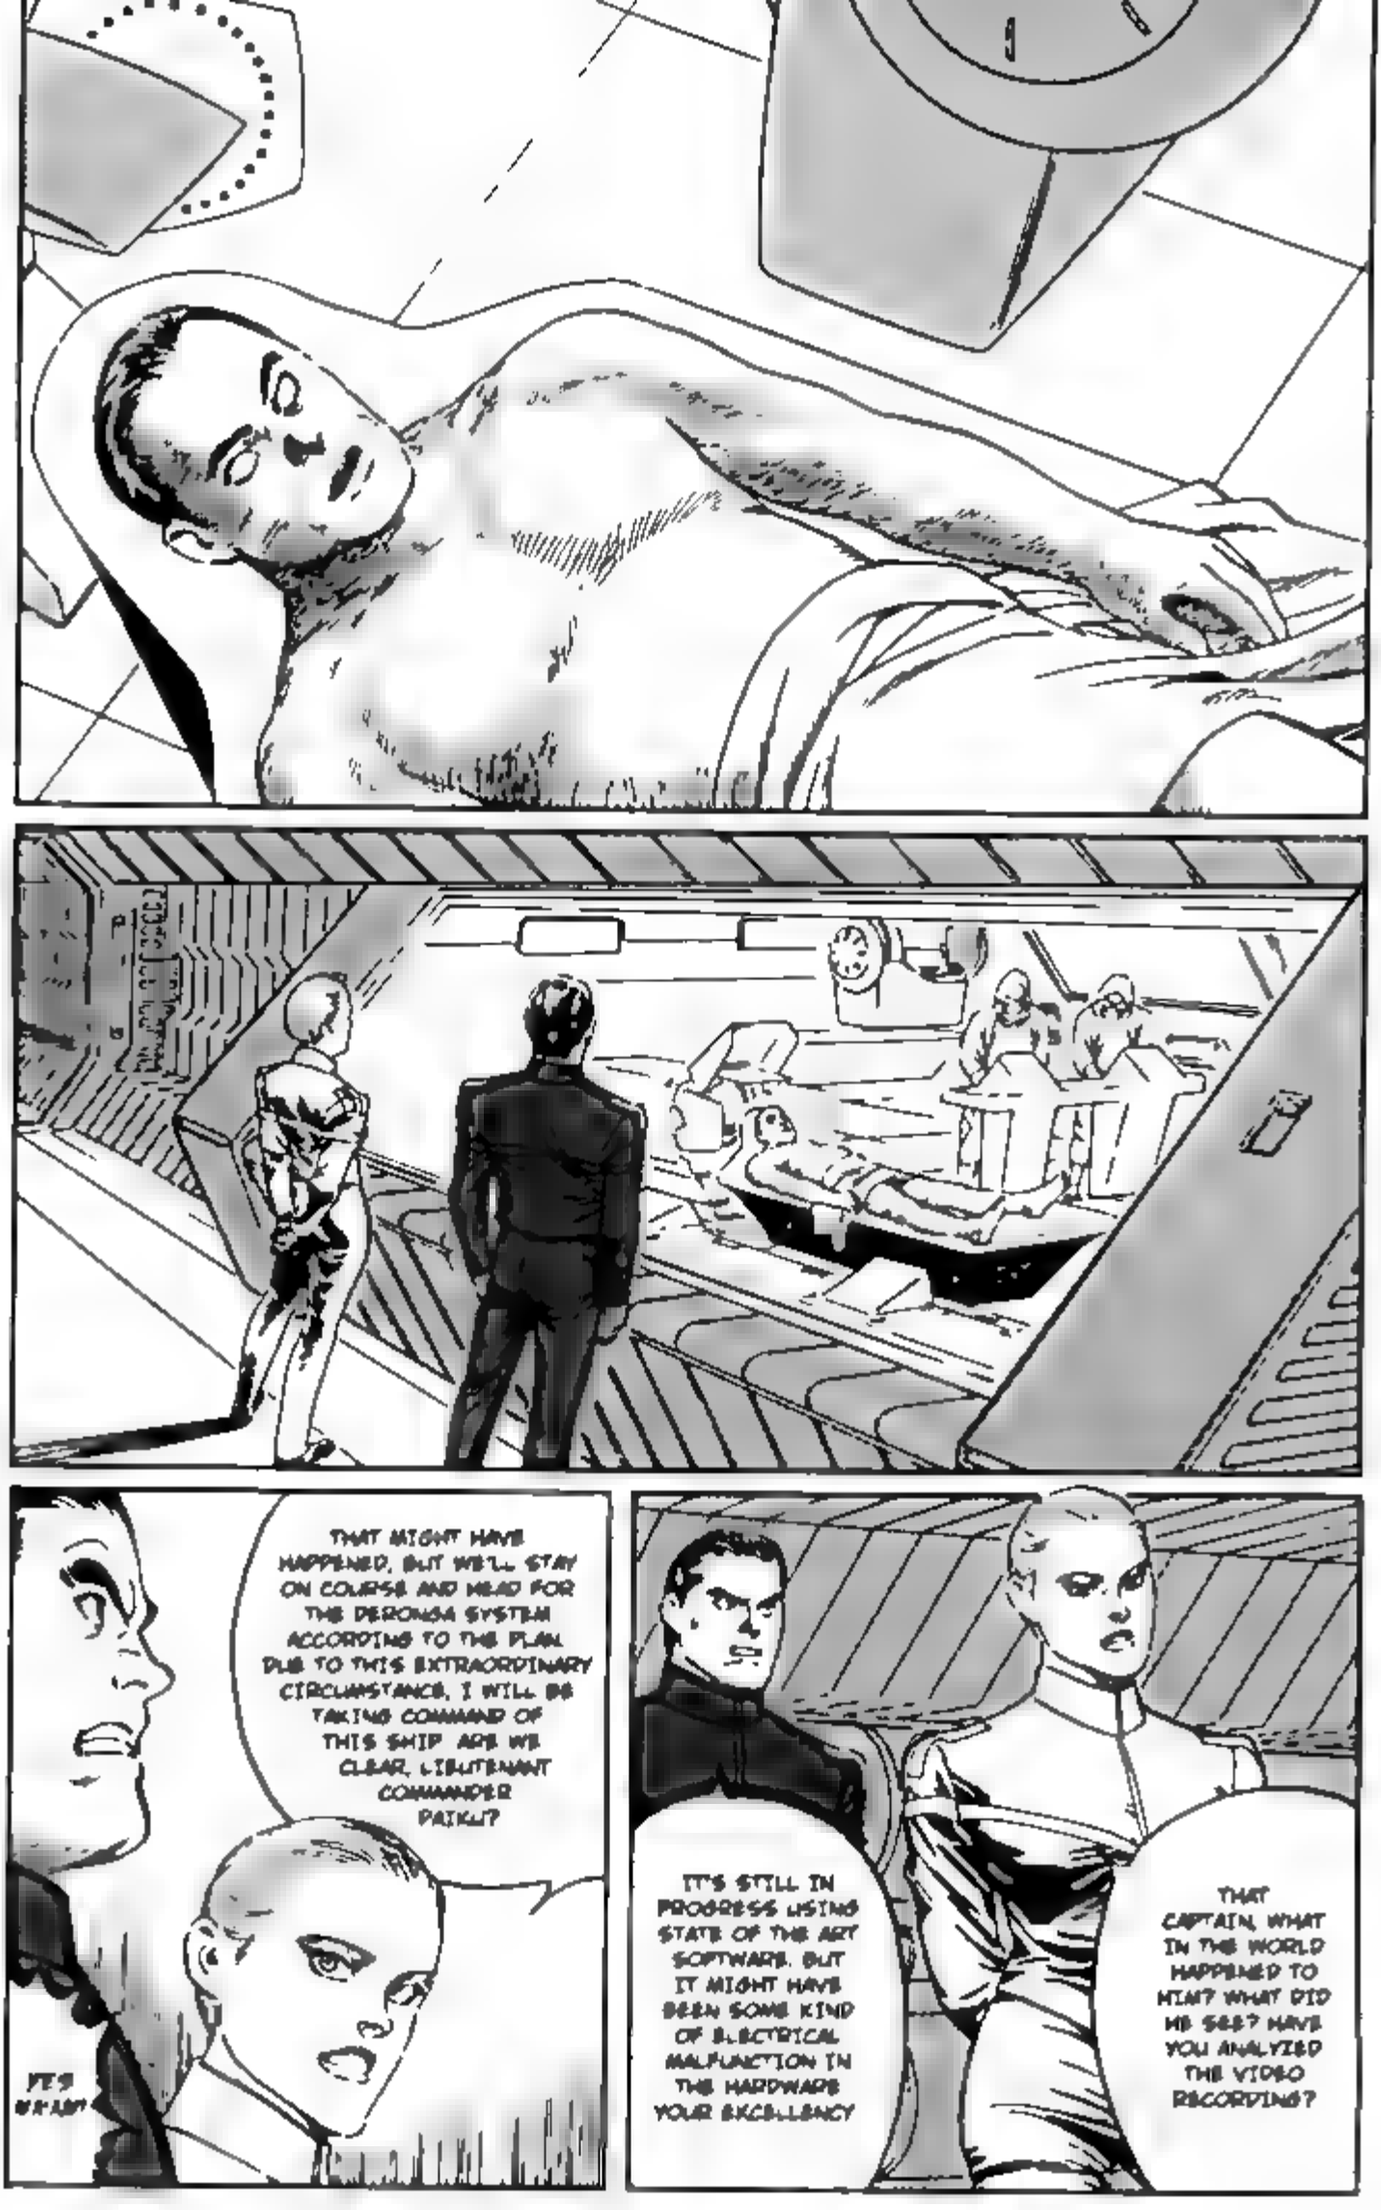
THE SHIP'S ANTENNA HAS BEEN DESTROYED SO COMMUNICATION IS IMPOSSIBLE. ALL THE OXYGEN WE HAVE IS WHAT'S STILL IN THE COMPARTMENTS AND THE FOOD . WELL, WE ARE IT, AT LEAST FOR THAT THING.

WHAT IN THE WORLD DO WE DO NOW?

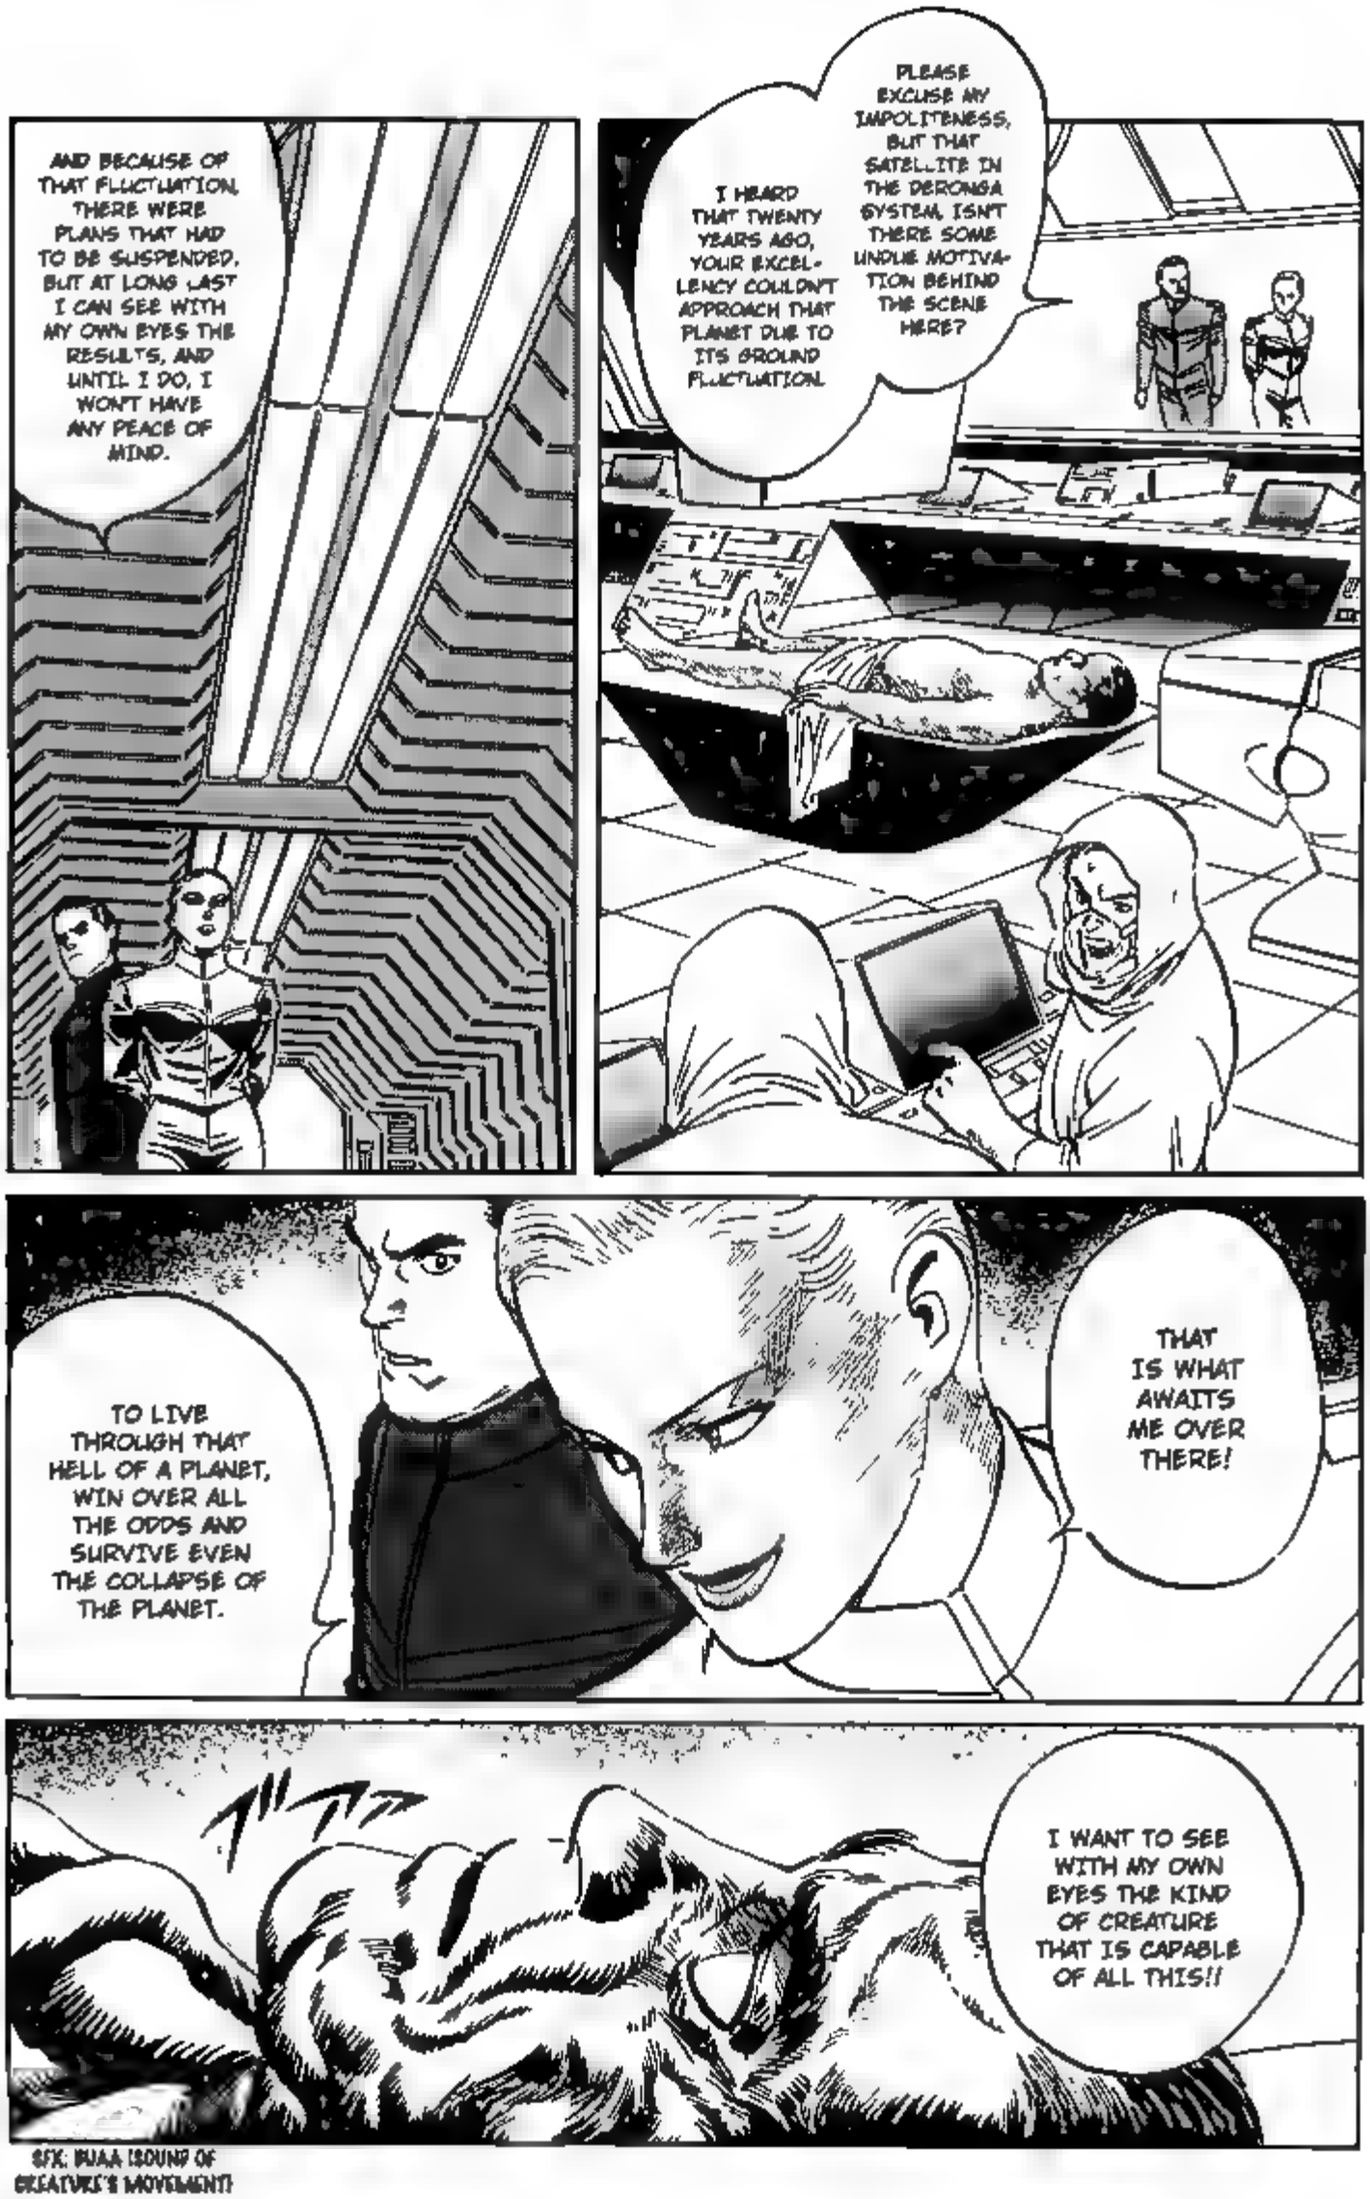
EITHER WAY THAT'S WHERE WE'RE GOING!

AT LEAST UNTIL THE PENDRAGON ARRIVES!

I HAVE A GRASP ON THE SITUATION AND HAVE CHOSEN OUR STRATEGY. WITH THESE NUMBERS WE'LL BE ABLE TO HOLD OUT!



THAT MIGHT HAVE HAPPENED, BUT WE'LL STAY ON COURSE AND HEAD FOR THE DERONDA SYSTEM ACCORDING TO THE PLAN. DUE TO THIS EXTRAORDINARY CIRCUMSTANCE, I WILL BE TAKING COMMAND OF THIS SHIP. ARE WE CLEAR, LIEUTENANT COMMANDER PAIKU?
IT'S STILL IN PROGRESS USING STATE OF THE ART SOFTWARE. BUT IT MIGHT HAVE BEEN SOME KIND OF ELECTRICAL MALFUNCTION IN THE HARDWARE YOUR EXCELLENCY
THAT CAPTAIN, WHAT IN THE WORLD HAPPENED TO HIM? WHAT DID HE SEE? HAVE YOU ANALYZED THE VIDEO RECORDING?



AND BECAUSE OF THAT FLUCTUATION, THERE WERE PLANS THAT HAD TO BE SUSPENDED. BUT AT LONG LAST I CAN SEE WITH MY OWN EYES THE RESULTS, AND UNTIL I DO, I WON'T HAVE ANY PEACE OF MIND.
I HEARD THAT TWENTY YEARS AGO, YOUR EXCELLENCY COULDN'T APPROACH THAT PLANET DUE TO ITS GROUND FLUCTUATION.
PLEASE EXCUSE MY IMPOLITENESS, BUT THAT SATELLITE IN THE DERONGA SYSTEM, ISN'T THERE SOME UNDUE MOTIVATION BEHIND THE SCENE HERE?
TO LIVE THROUGH THAT HELL OF A PLANET, WIN OVER ALL THE ODDS AND SURVIVE EVEN THE COLLAPSE OF THE PLANET.
THAT IS WHAT AWAITS ME OVER THERE!
I WANT TO SEE WITH MY OWN EYES THE KIND OF CREATURE THAT IS CAPABLE OF ALL THIS!!
SFX: RUAA (SOUND OF CREATURE'S MOVEMENT)

WHERE IN THE WORLD DID MOST OF HIS ORGANS DISAPPEAR TO?
BUT THERE'S NO HEARTBEAT AND HE HAS NO BRAIN-WAVES. IT'S DEFINITELY IN A STATE OF POST MORTUM.
WHAT IN THE WORLD? THE CELL PROPAGATION JUST WENT OFF THE CHARTS!
H... HIS CELLS HAVE STARTED DEVOURING BOTH THE BRAIN AND THE HEART!

ゴゴゴ
ゴゴゴ
ハハハハハ!?

SFX: ZUZU-ZUZU (energizing flash)
ZUZU ZU JUURU...

CA...
CAPTAIN
NADOKKU!?

SFX: Zun (thud)
SFX: Ni (pulling with force)
F... YOUR EXCELLENCY, ARE YOU ALRIGHT?

...HA!
HA HAHA HA HA!
INTER-ESTING! THIS HAS BECOME VEEEEERY INTER-ESTING!!
HA HA HA HA HA HA HAH!
!
HAHAHAHAHAHAHAHA!

EMERGENCY!
EMERGENCY!
THAW OUT ALL MILITARY PERSONNEL IN HIBERNATION! PREPARE FOR IN-SHIP COMBAT!

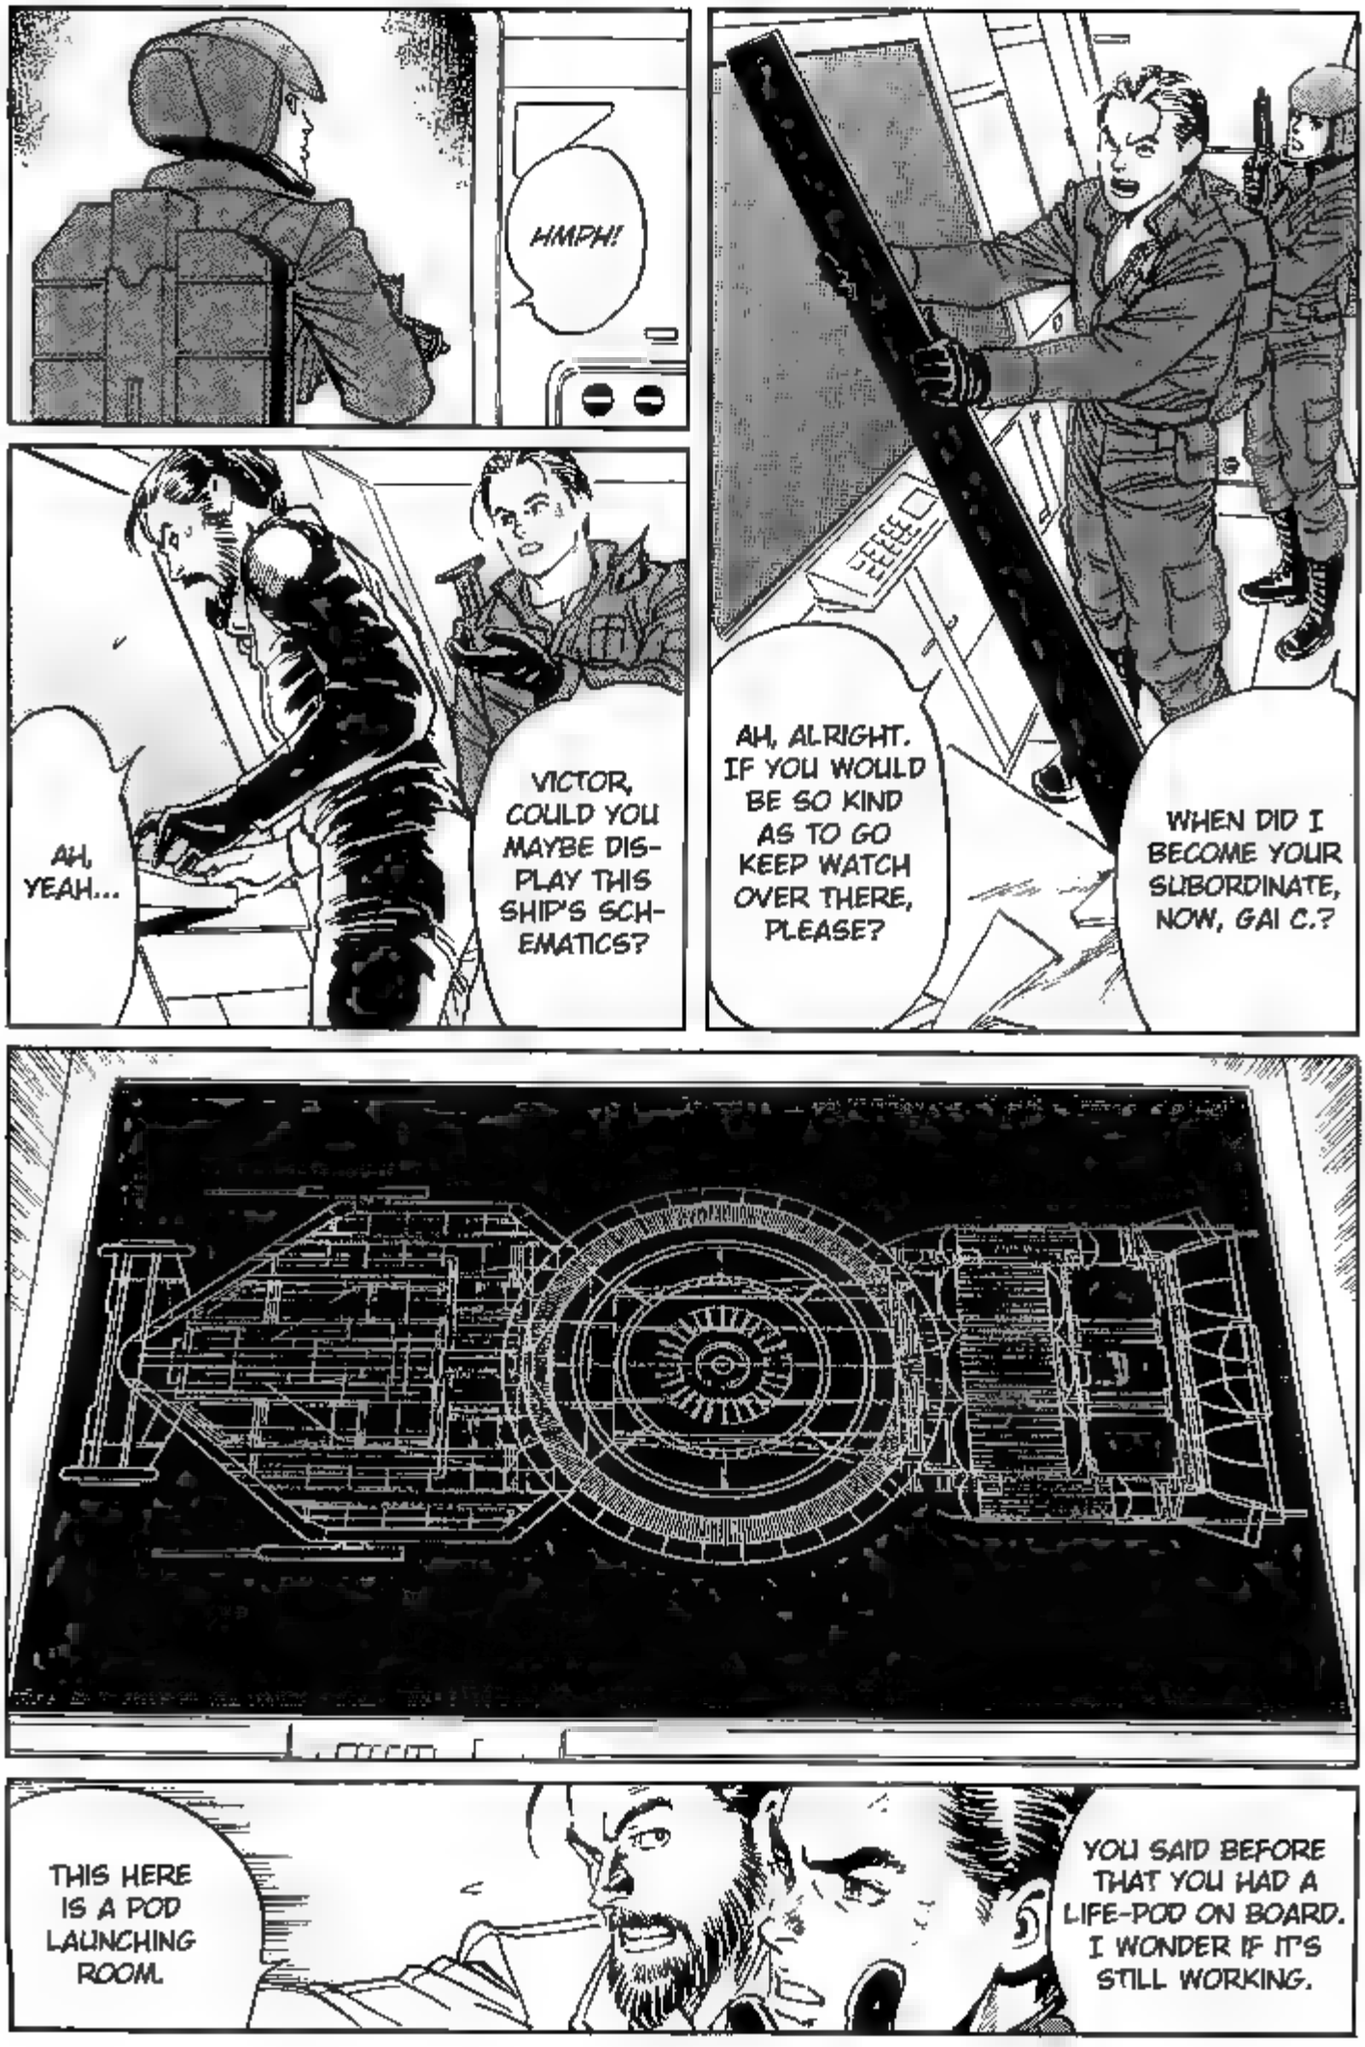
V.O.I.

4

MASARE F., I'LL LEAVE HER TO YOU. BUTTO S., YOU TAKE LOOKOUT IN THE PASSAGEWAY ON THIS SIDE.



HMPH!
AH, YEAH...
VICTOR, COULD YOU MAYBE DISPLAY THIS SHIP'S SCHEMATICS?
AH, ALRIGHT. IF YOU WOULD BE SO KIND AS TO GO KEEP WATCH OVER THERE, PLEASE?
WHEN DID I BECOME YOUR SUBORDINATE, NOW, GAI C.?
THIS HERE IS A POD LAUNCHING ROOM.
YOU SAID BEFORE THAT YOU HAD A LIFE-POD ON BOARD. I WONDER IF IT'S STILL WORKING.

HERE, THE AREA IN THE BACK OF THE HYPER-DRIVE GRAVITY REACTOR AND THE ENGINE COMPARTMENT IT SHOULD BE ISOLATED FROM THE RESIDENTIAL SECTION IN THE FRONT OF THE HULL. SO MOST LIKELY THE POD IS INTACT.

.....

FOUR PEOPLE, THOUGH IF WE STRETCH IT, MAYBE 5 COULD GET ON.

WHAT IS THE POD'S MAXIMUM CAPACITY?

I WANT TO AT LEAST CONFINE IT TO ONE PLACE BY SETTING SOME SORT OF A TRAP.

WE CAN'T JUST LEAVE IT BE LIKE THIS AND SIMPLY GO. WHEN PENDRAGON ARRIVES, THERE WILL BE A LOT MORE VICTIMS BEFORE THEY FINALLY CAPTURE IT.

COME ON, WE DON'T NEED ANY SPECIAL TACTICS FOR IT. WE ALL JUST GO TOGETHER TO THAT POD, GET ON AND SAY BYE-BYE TO THIS SHIP. NO NEED TO THINK ABOUT THAT.

YOU'RE A SCIENTIST, AREN'T YOU? CAN'T YOU THINK OF ANY WEAK POINTS THAT CREATURE MIGHT HAVE?

AND HOW DO YOU PLAN ON DOING THAT WHEN EVEN BULLETS DON'T WORK ON THAT THING.

THAT PLANET HAD AN ATMOSPHERE THAT RESEMBLED THAT OF OUR EARTH. IN OTHER WORDS, WE CAN ASSUME THAT IT ALSO BREATHES IN ORDER TO SURVIVE.

.....

JUST *THINK*! WHAT ABOUT THE ENVIRONMENTAL CONDITIONS OF THAT PLANET, FOR EXAMPLE?

UNFORTUNATELY BIOLOGY ISN'T IN MY FIELD OF EXPERTISE.

ENORMOUS AMOUNTS OF ENERGY ARE ESSENTIAL FOR A CREATURE CONSTANTLY EXERTING THAT MUCH MOVEMENT, THERE'S NO MISTAKING IT. IT HAS TO BE AN OXYGEN BREATHER.

ALSO, WHEN WE THREW IT OUT THROUGH THE AIRLOCK, IT DID IT BEST TO RETURN TO THE SHIP AS QUICKLY AS IT COULD.

ATMOSPHERE... SO OXYGEN, HUH?

THIS THING JUST FUCKING MASSACRED ALMOST ALL OF MY COMRADES AND DESTROYED MOST OF THIS SHIP! DO YOU THINK I CAN DO A CALM ANALYSIS LIKE THIS!
ANYTHING ELSE YOU ASK!?
ANY-THING ELSE?
GRAVITY...
NOT FOR LONG I BET!!
FOR THOSE THAT LIVE ON PLANETS IT'S SO USUAL THAT THEY DON'T NOTICE IT BUT IN TRUTH, THE MOVE-MENTS IN THAT PRECISE GRAVITY ARE SOMETHING YOU HAVE TO GET USED TO! SO THIS THING MIGHT ACTUALLY NOT KNOW HOW TO MOVE IN STATE OF WEIGHTLESSNESS!
OTHERWISE YOU WILL DIE.
I'VE STOPPED THE BLEEDING FOR NOW BUT, ELUUIRA, YOU HAVE TO GET A BLOOD TRANS-FUSION AND BE OPERATED ON AS SOON AS POSSIBLE.

TH... THANK YOU FOR BEING FRANK WITH ME.

YEAH, NO PROBLEM. BESIDES I MOST LIKELY WILL BE THE ONE TO DIE FIRST.

WHEN THEY ARE CLOSED, WE'LL RELEASE THE REMAINING ATMOSPHERE FROM THE FORWARD PART OF THE HULL.

FIRST WE'LL START MOVING TO THE GRAVITY GENERATOR IN THE AFT PART OF THE HULL, AND CLOSE THE DOORS BEHIND US.

BY LEAKING SOME OF THE ATMOSPHERE THROUGH THE DOOR WE SHOULD BE ABLE TO LURE HIM IN.

WE'LL MAKE THE ENEMY IN SEARCH OF OXYGEN HEAD TOWARDS THE GRAVITY GENERATOR ROOM.

AND WHEN HE FINALLY GETS THERE, WE'LL CLOSE THE DOOR TO THE POD LAUNCHING ROOM, TRAPPING HIM IN THE GENERATOR ROOM!

THE HEART OF THE GRAVITY GENERATOR IS A HYPERSPACE MANAGEMENT UNIT. IT'S SUPPRESSING A MICRO BLACK

WHEN WE TRAP HIM WE'LL INCREASE IT TO *10 G'S!*

WELL IT'S OBVIOUS THAT HUMANS CAN FREELY ADJUST THE LEVEL OF GRAVITY. SO WHAT?

10 G'S!?

!

TH... THAT ALSO APPLIES TO HUMANS YOU KNOW. SO WHAT ABOUT US, THEN!?

IF WE INCREASE GRAVITY TEN TIMES THEN HIS WEIGHT WILL ALSO BE 10 TIMES HIGHER! NO MATTER WHAT IT IS, THERE'S NO WAY IT WILL BE ABLE TO MOVE FREELY! WE'LL GET HIM FOR SURE!

WE CAN ESCAPE IN THE POD SHORTLY BEFORE THAT, AND LEAVE THE INCREASING OF GRAVITY TO THE COMPUTERS.

WHAT DO YOU SAY?

.....

EVEN IF BULLETS ARE LIKE FEATHERS TO IT, IT WON'T STAND AGAINST ATMOSPHERE AND GRAVITY.

IT'S THE DOORS TO THE *GRAVITY* GENERA-TOR ROOM!

ZUZUZUMMM

ZUZUZU

I'M CLOSING THE DOORS.

GIRI GIRI GIRI

ZWWWWWNN

H... HEY! AND WHAT IF THAT THING IS ALREADY LYING IN WAIT AHEAD OF US?

BEFORE THAT HAPPENS, LET ME SAY THAT EVEN THOUGH IT WAS A SHORT ACQUAINTANCE, IT WAS NICE MEETING YOU.

SFX: ZUUUN ZUZUUU

SO THIS IS THE EXIT, HUH? IT LEADS TO THE POD LAUNCHING ROOM AND ENGINE COMPARTMENT

SFX: SHAAN

SFX: UUUUMU!

SFX: DODO

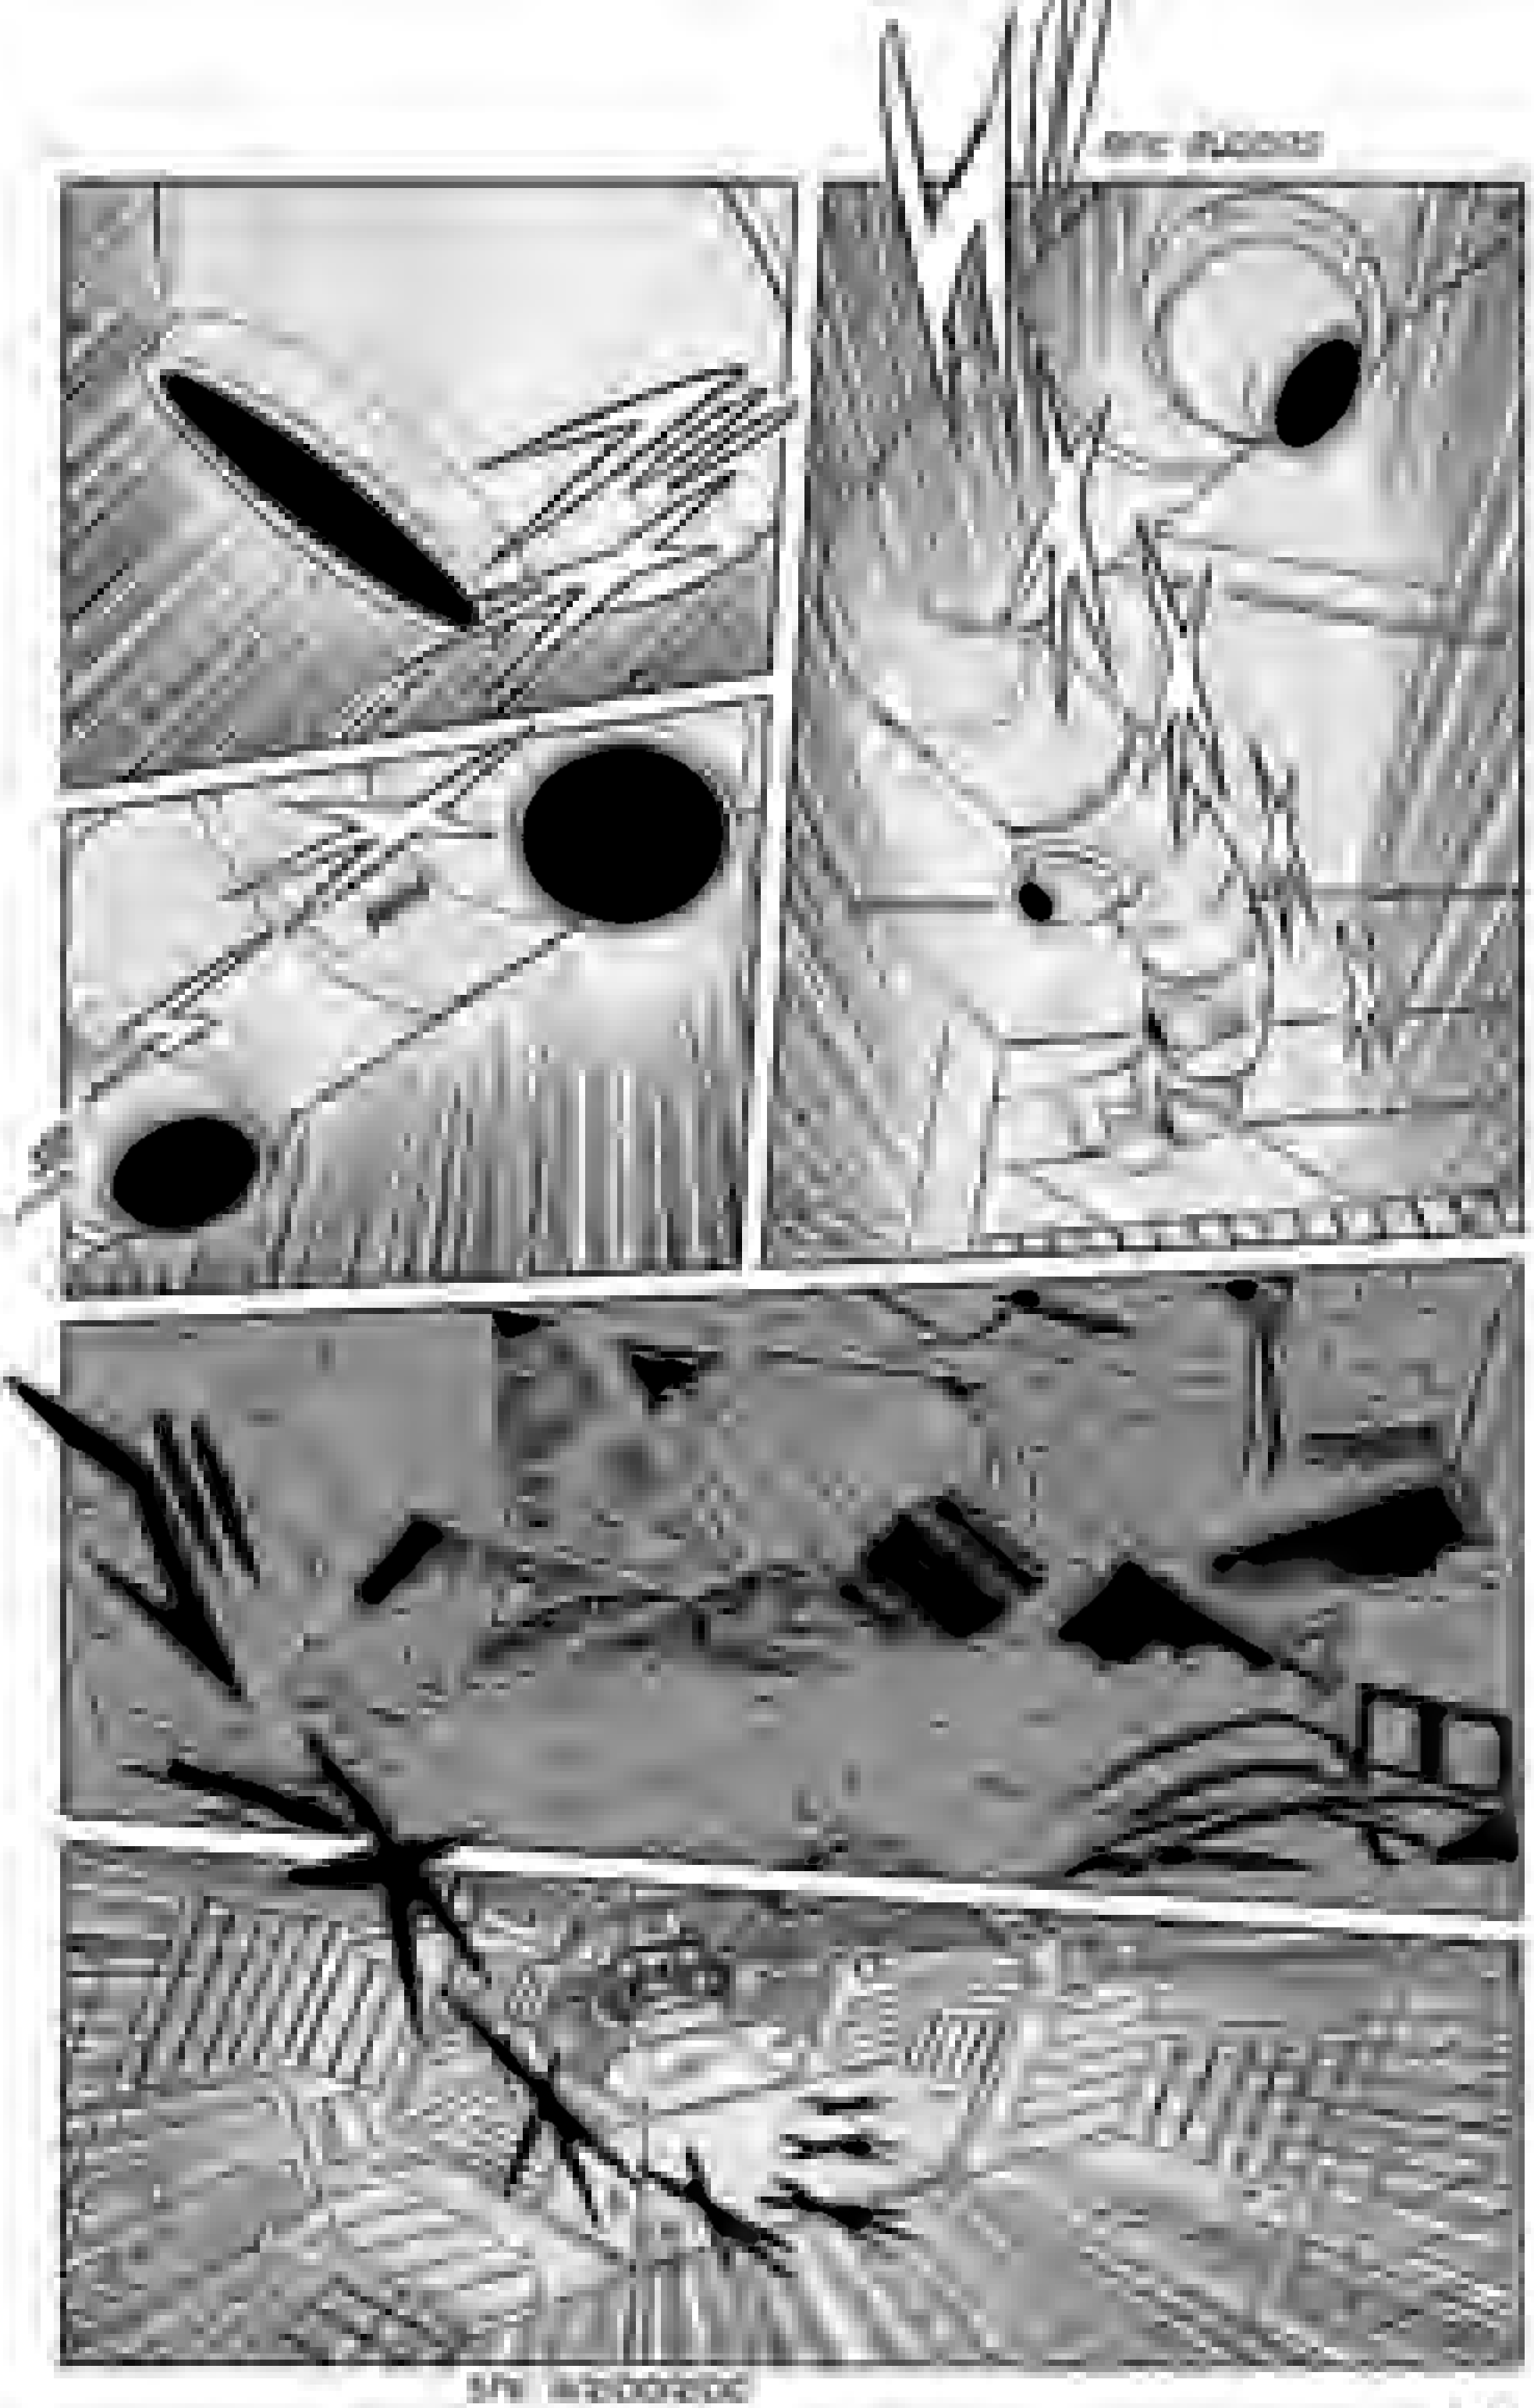
YOU SURE YOU'RE ALRIGHT?

PUT ME DOWN OVER THERE. I HATE BEING TREATED AS SIMPLE LUGGAGE.

WA... WAIT!

VEKTOR, I'LL LEAVE THE PREPARATION OF THE LAUNCH TO YOU. I WILL GO AHEAD AND PUT ELUUIRA INTO THE POD BECAUSE OF...

FIRST WE DISPOSE OF ALL THE AIR IN THE FORWARD COMPART-MENTS, RIGHT?



ALRIGHT. THEN REST HERE UNTIL IT FINISHES.
I'VE OPENED THE SAFETY VALVES BUT IT STILL MIGHT TAKE A WHILE FOR ALL THE AIR TO LEAK OUT...
NAAH, SOMEHOW I DON'T HAVE ANY APPETITE.
WELL THERE'S NO TIME FOR REPAIRS. WE WAIT HERE FOR THIS THING TO START TO MOVE, AND THEN START IN ABOUT TEN MINUTES. WANT TO EAT SOME?
THE RESCUE POD IS OKAY. THOUGH THE RADAR IS PRETTY ANCIENT AND IT STILL USES ELECTRON PARTICLES, SO IT'S NOT PERFECTLY IN TUNE
YOUR NAME IS GAI C., RIGHT? SOMARE F., BUTTO S.
NOW THAT YOU MENTION IT, IT'S PRECISELY AS IT SAYS. JUST INITIALS,
IT'S IMPORTANT TO REPLENISH YOUR NUTRIENTS WHEN YOU HAVE A BREAK YOU KNOW.
SFX: BAKU BAKU

ABOUT THE INITIALS, BEING BROUGHT UP, AS A COUNTER-MEASURE FOR A SHORTAGE OF HUMAN SPACE FORCE MARINES.

THERE WAS THIS RUMOR SOME TIME AGO THAT I'VE JUST REMEM-BERED.

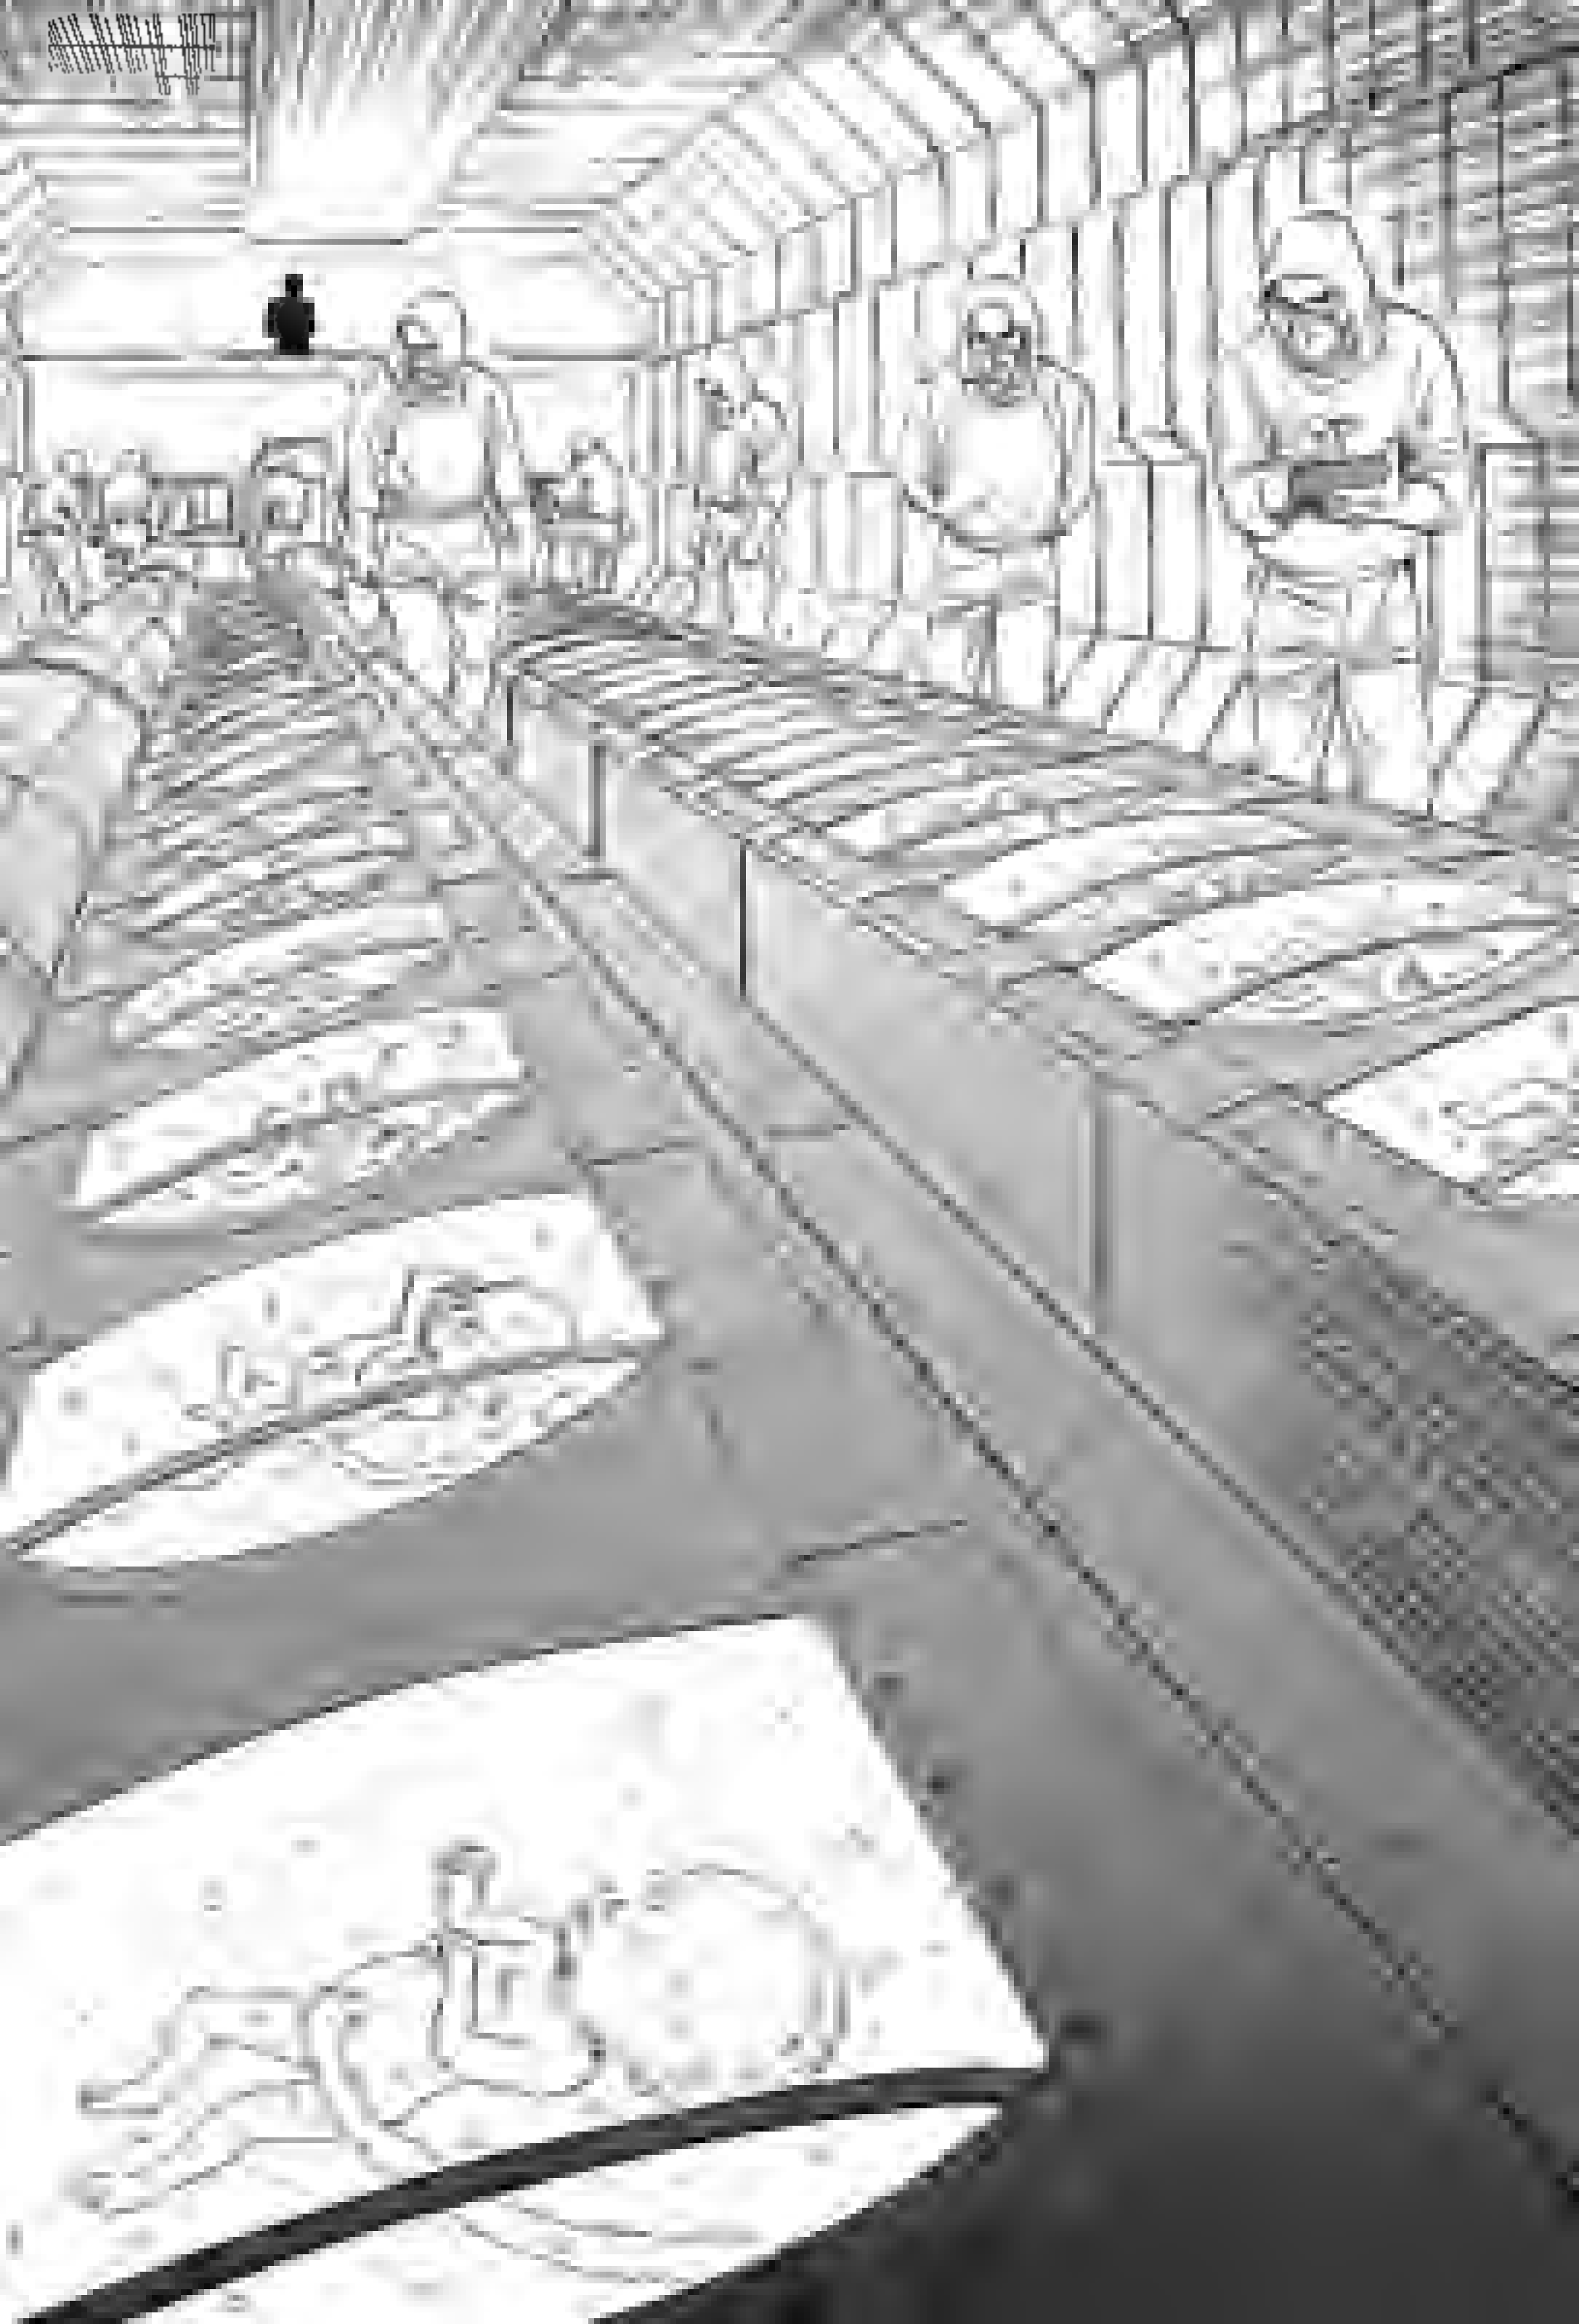
IS IT THAT STRANGE TO USE ONLY INITIALS FOR YOUR SUR-NAMES?

PURE SOLDIERS MADE JUST TO BE CANNON FODDER!

HUMANS WITHOUT A HOME AND FAMILY, AND NOT POSSESSING ANY UNNECESSARY KNOWLEDGE OR EXPERIENCES. JUST GROW THEM AND BRING THEM FORTH!

INITIALIZING...

SO I SUPPOSE THAT BEING MADE IN AN ARTIFICIAL WOMB MIGHT APPLY TO YOU, WOULDN'T IT?



FIGHT FOR YOUR LOVE!!

YOU WILL FIGHT FOR YOUR LOVED ONES!!

IF YOU LOVE YOUR MOTHERS, IF YOU LOVE YOUR FAMILIES,

GYAAA!

HOOYAAA!!

HOG YAAAA AAA!!

HOG YAAAA AAA!!

NOO YAA AAA AA!!
NOO YAA AAA AA!!

WHAT? DO YOU THINK THAT WE ARE SOULLESS MONSTERS OUT TO DESTROY YOU?

UM. I DIDN'T MEAN ANYTHING BY IT YOU KNOW

U.. UH.. BUT .

EVEN IF IT'S FROM ARTIFICIAL WOMBS, THERE HAVE TO BE TWO PARENTS WHO DONATED DNA FOR IT. SO HOW IS IT ANY DIFFERENT?

JMRAM

BUTTO, COME WITH ME.

SOMARE, STAY HERE AND WATCH THE SENSORS. ALSO CARRY OUT YOUR SPACE FORCE MARINE DUTY AND PROTECT THESE CIVILIANS WHILE AT IT.

HIII...

YE... YEAH, LEAVE IT TO ME!

VEKTOR MAKE SURE NOT TO MAKE A MIS-TAKE WHILE SETTING THE TIME ON GRA-VITY CONTROL, GOT IT!?

SFX: ZUZUUM

GOT IT!

WAIT AT THE OTHER SIDE, BUT EVEN IF IT APPE-ARS DON'T IMMEDATELY START TO SHOOT.

PIIIN

PIIIN

KOTO

GOT IT.

PI!

SOMARE, CAN YOU HEAR ME? I'VE SET UP A MOTION SENSOR. WE'LL LEAVE THE HATCH CONTROL TO YOU.

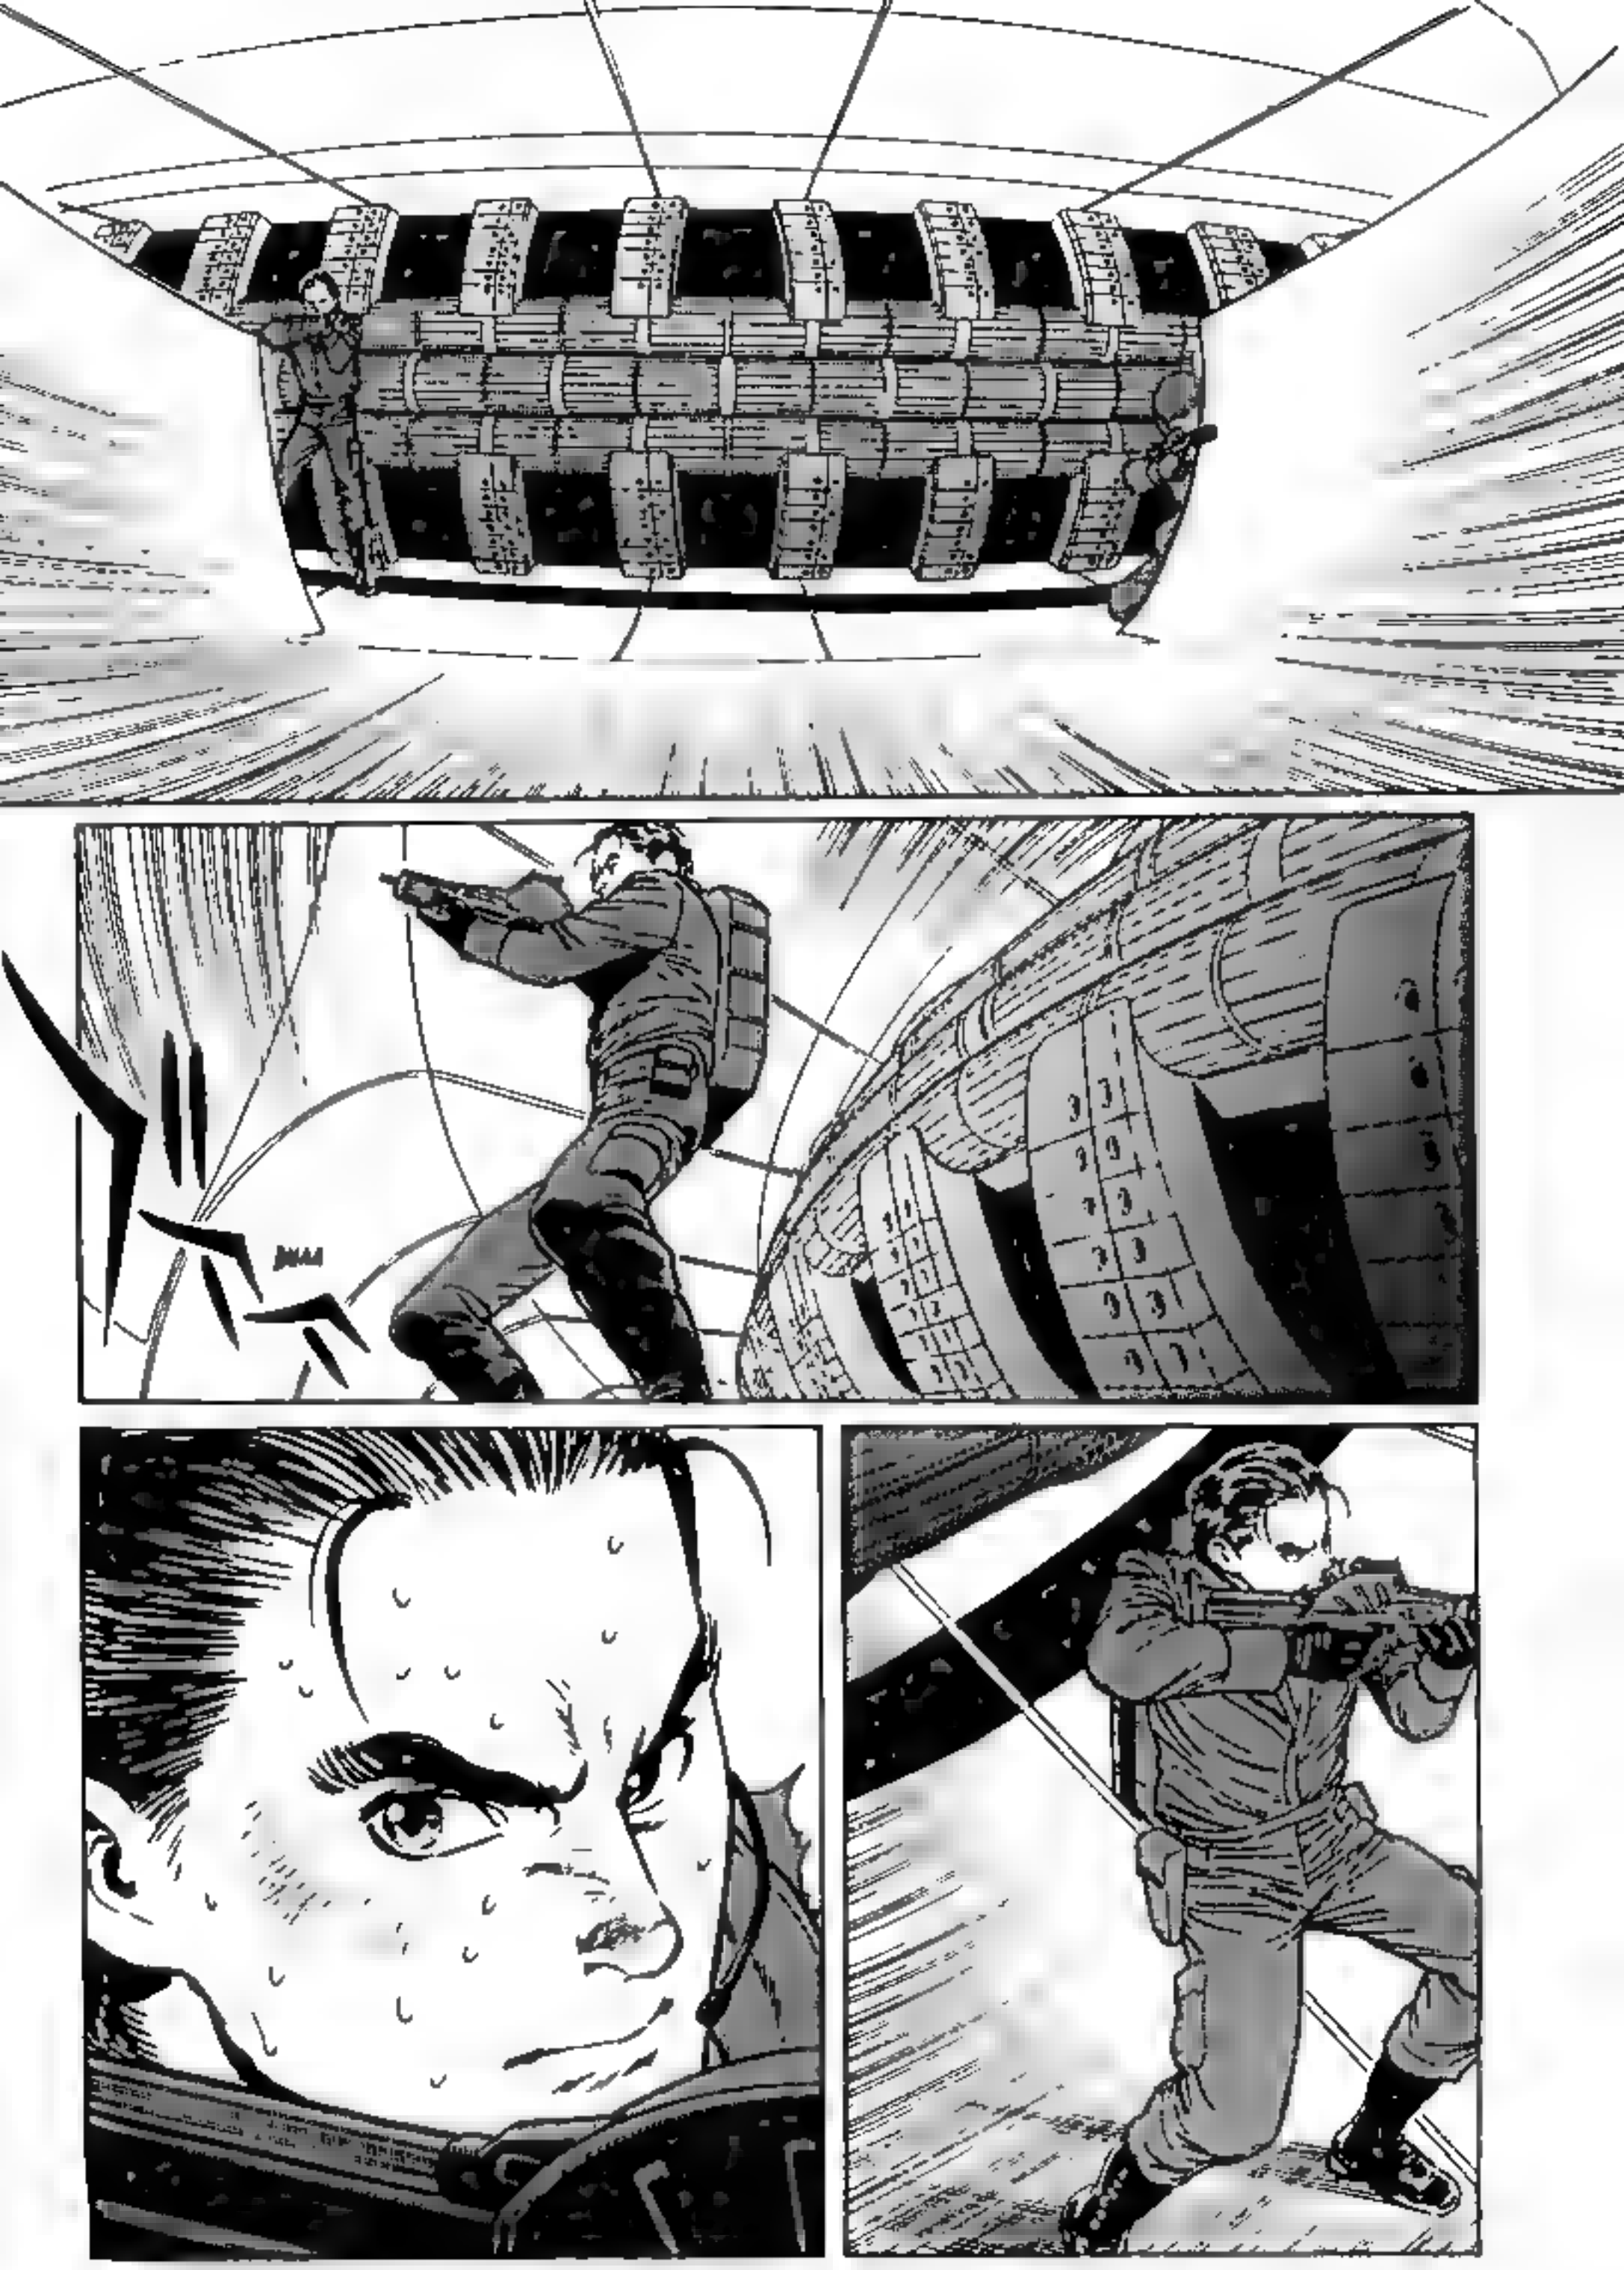
OPEN IT JUST A LITTLE BIT.

GIRI GIRI

AIR IS OUR BAIT! IT WILL DEFINITELY COME HERE BY FOLLO-WING ITS FLOW!

THERE'S NO MOVING OBJECT THERE BUT IT SEEMS THAT IT'S TOO SENSITIVE AND RESPONDING TO THE FLOW OF AIR THAT IS MAKING IT QUAKE A BIT. I'LL ADJUST IT BUT STILL.

DON'T RUSH IT. WE STILL HAVE TO GET OVER TO YOU SOON WE CONFIRM ITS PRESENCE



BUTTO! RETREAT IMMEDIATELY!! WE'RE CLOSING THAT DOOR!!

SOMARE! DIDN'T IT DETECT ANYTHING!?

NO, IT DIDN'T. WHY?

PHHH

PHHH

QUICKLY!! DO IT!!!

WH... WHAT THE!?

IT'S ALREADY HERE!!!

DUAA

SFX:BUAA

C... CLOSE THAT DOOR!!!

GAI!!

RUN FOR IT, GUYS!!

GAI!!

CLOSE IT—!!!

SFX: SURA

VE... VEKTOR!?

SFX:
GUOOOOOOOOO

ZU

U...
UUUU?

ドドド

TH... 10 G'S... VEKTOR?!

TH... THAT IDIOT?!

VEKTOR! WH... WHAT ARE YOU...?!

KKKRA

THE

ELLUIRIA, I'M SORRY TO SAY [illegible]

EVEN THOUGH THE GRAVITY [illegible] TOR'S INFLUENCE RADIUS IS JUST 100 [illegible], IT STILL HAS A PRETTY HIGH EFFECT HERE.

I'VE ALR-EADY SAVED YOU ONCE SO DON'T HOLD IT AGAINST ME, ALRIGHT?

VE... VEKTOR! YOU FUCKING BAST-ARD!!!

WITH THIS GRAVITY YOU'LL NEVER GET FREE OF ME!!!

DON DON

Y... YOU MURD-ERER! MURD-ERER!!

YEAH, YOU WERE RIGHT. IT WAS A SHORT AQU-AINTANCE.

THEY DON'T HAVE PARENTS OR SIBLINGS, AND EVEN IF THEY DIE, NO ONE WILL COMPLAIN! TO TOP IT ALL, THEY DON'T EVEN HAVE TO BE PAID! HAHAHA!!

MY POINT WAS THAT THESE "INITIALS" ARE THE MILITARY'S SIMPLE "CONSUMABLE GOODS"!

Life pod launch preparations complete!

Ship's Hyperdrive has been calibrated.

five minutes left before transfer to a space sector 300 light years away!

POD LAUNCH COM-PLETE!

3 minutes left till hyper drive activation!

the lowest output of the micro blackhole has been set!

VE... VEKTOR HAS ESCAPED IN THE POD!?

GOMARU!! ANSWER ME, GOMARU!!!

BOW!

THAT FUCKING BASTARD HAS SET US UP TO DRIFT LIKE THIS IN THE MIDDLE OF NOWHERE!!

ZWOOO

SFX: DO DO DO

password confirmed, one minute left to drive activation.

SFX:
ZUZUZU

GA....
GAI!!!

!

KA

SFX: GU GU

TH.. THERE'S NO WAY IN HELL I WILL DIE!! VEK-TOR!!! YOU FUCKING TRAITOR!!!

UWAA AAAA AAA!!

DO DO DO DO

BA!

400 OOO OOO OOO ~~~!!!

DON

ZUUUUM

THE GRAVITY... HAS DISAP-PEARED!? GAI!!

TH... THAT THING ..!?

GAI... SO YOU ARE STILL ALIVE... I'M GLAD...

ELUURIA HAS DONE IT WITH THE LAST OF HER STRENGTH.

SOM-ARU!

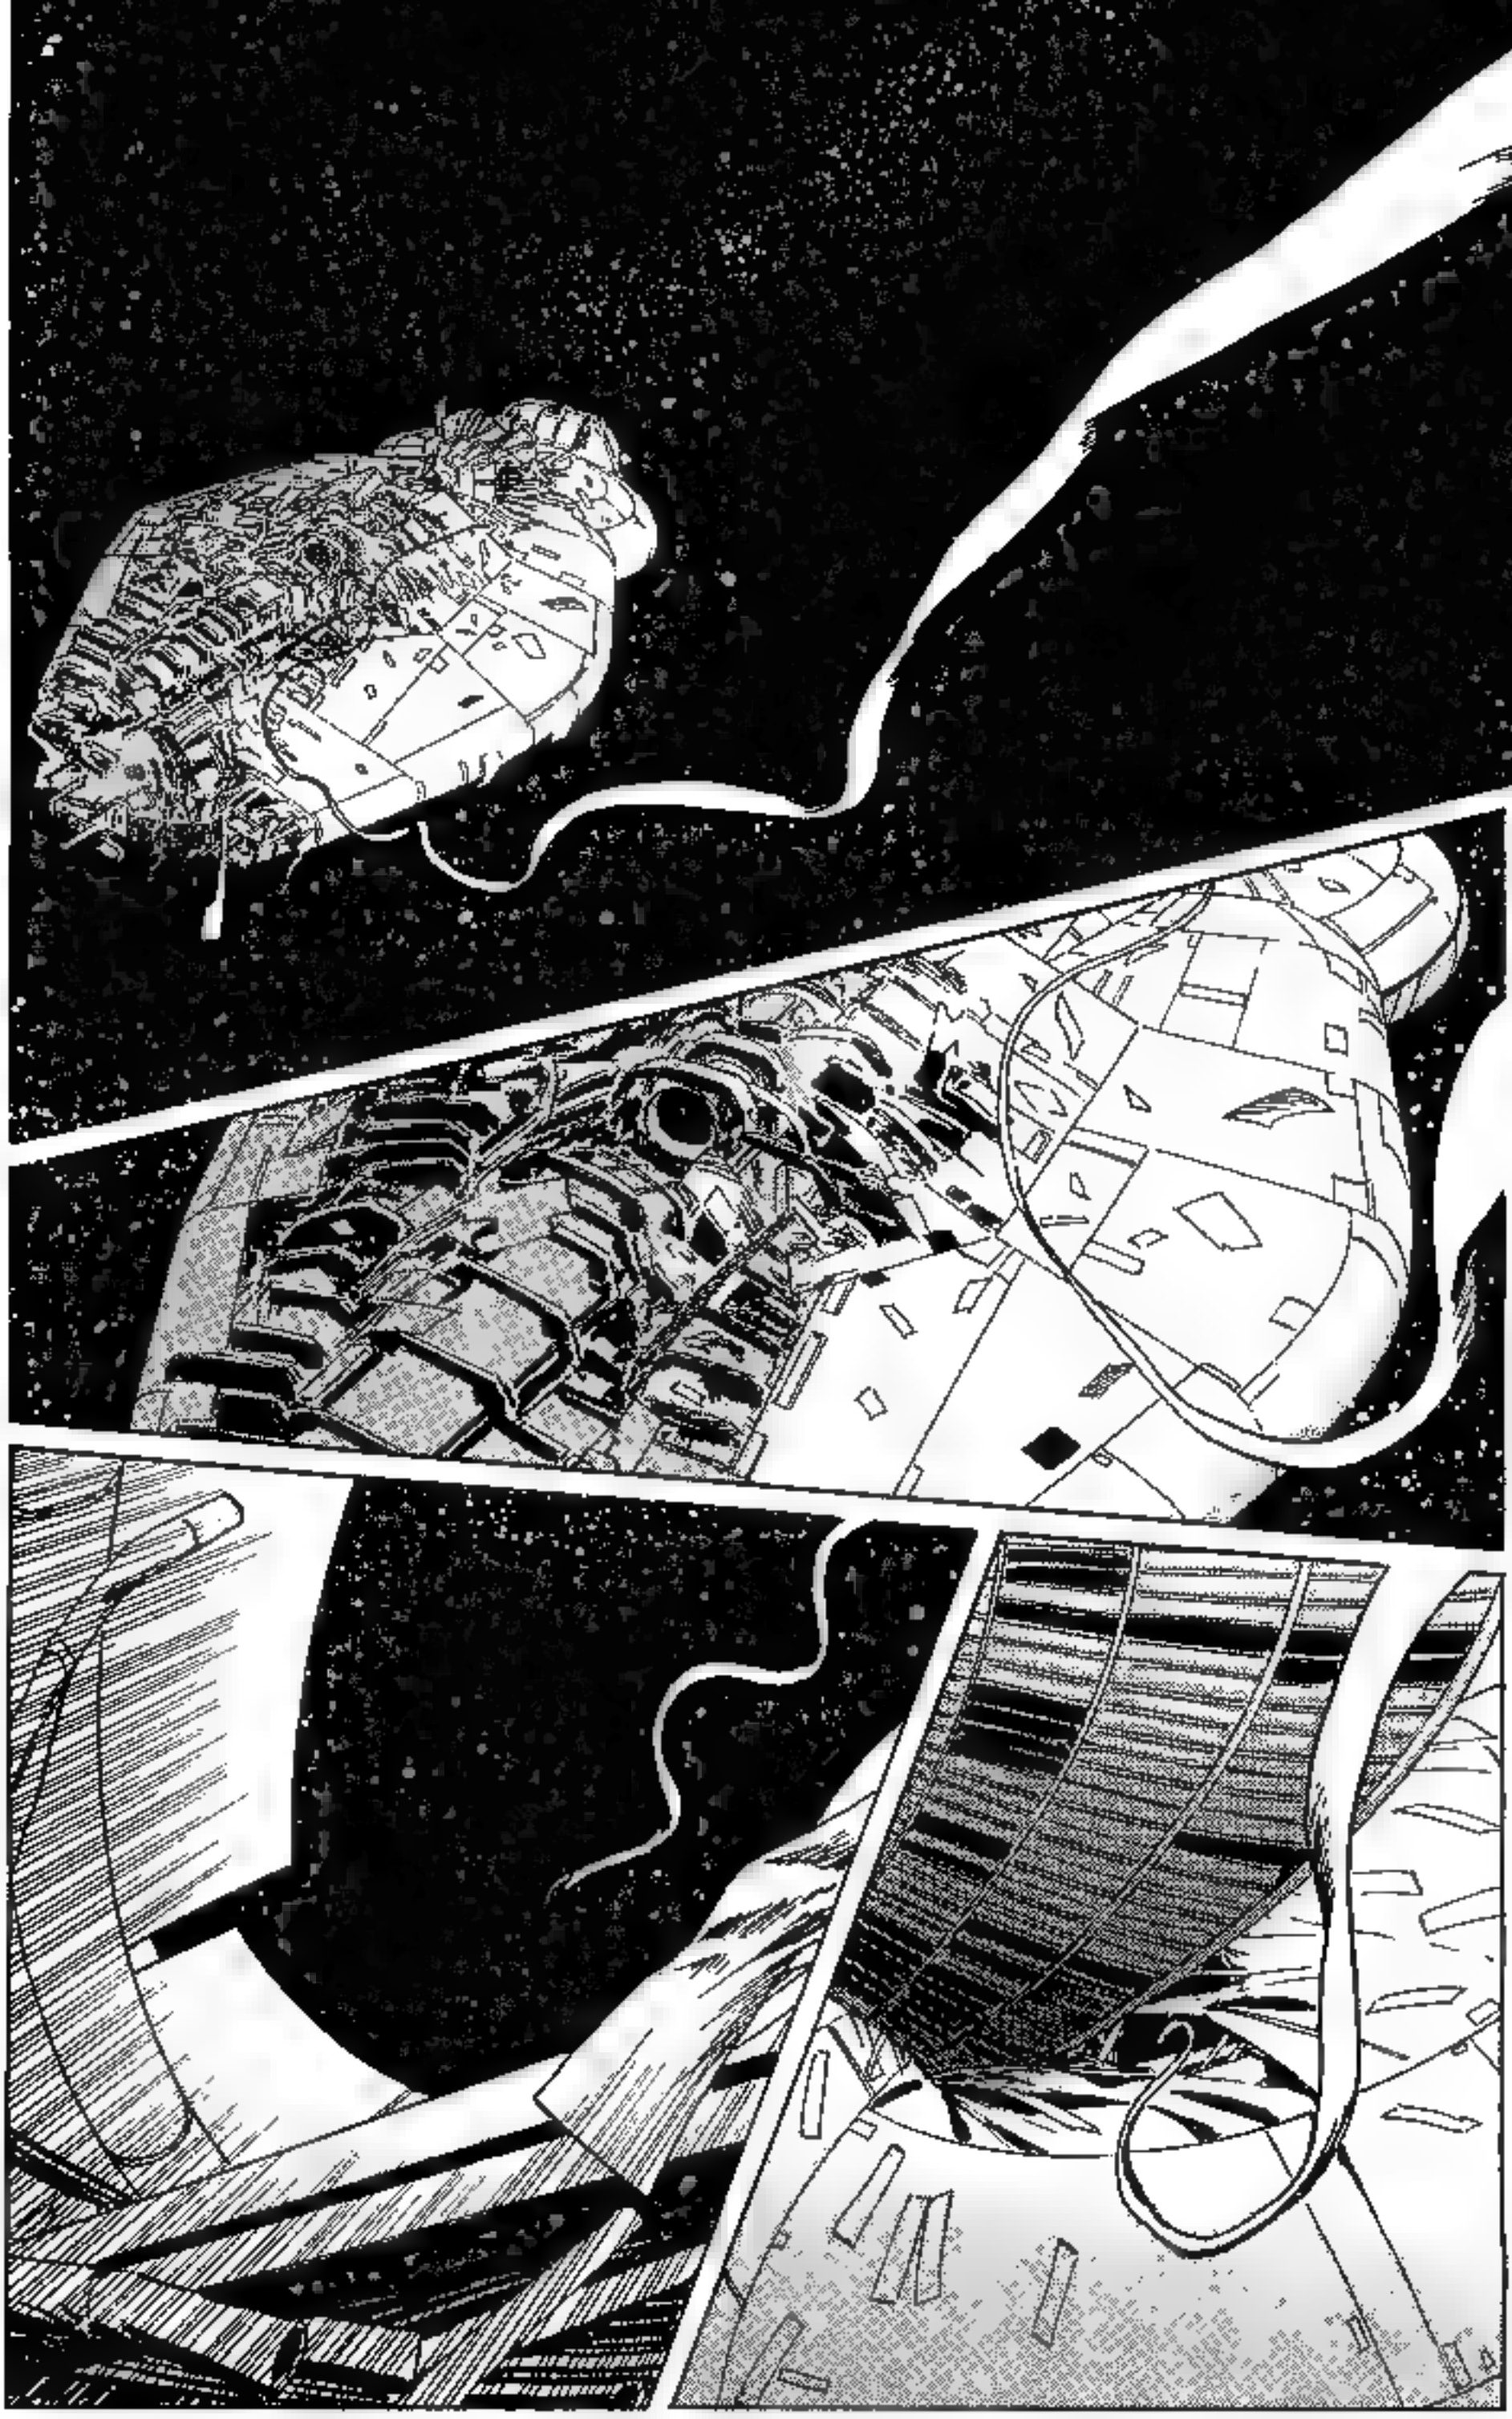
She forced a gravity shut-down, and canceled the hyper drive ignition.

I KNOW. I WON'T LEAVE YOU...

GAI...

MAYBE I WAS ALL ALONE WHEN I WAS BORN...

BUT AT LEAST DON'T LET ME BE ALONE WHEN I'M DYING...



WHAT THE HELL!? THE ENGINE COMPARTM-ENT STARTED LEAKING ATM-OSPHERE!?

!!!

BAM BAM

SFX: UIII UIII

AND THIS RADAR IS A PIECE OF SHIT!

DA... DAMN IT! IT USED UP WAY TOO MUCH FUEL TO SHAKE OFF THAT GRAIVTY FIELD.

SOMETHING MUST HAVE COME LOOSE AND WAS SUCKED TO THAT HOLE, STOPPING AIR FLOW.

HAHA HA!

THE AIR LEAKAGE HAS STO-PPED!

WHAT DO YOU SAY NOW? IN THE END THIS WAS THE BEST OPTION WASN'T IT, YOU STUPID FUCKS!?
NOW ALL THAT'S LEFT IS TO RELAX AND WAIT FOR THE PENDRAGON TO ARRIVE!

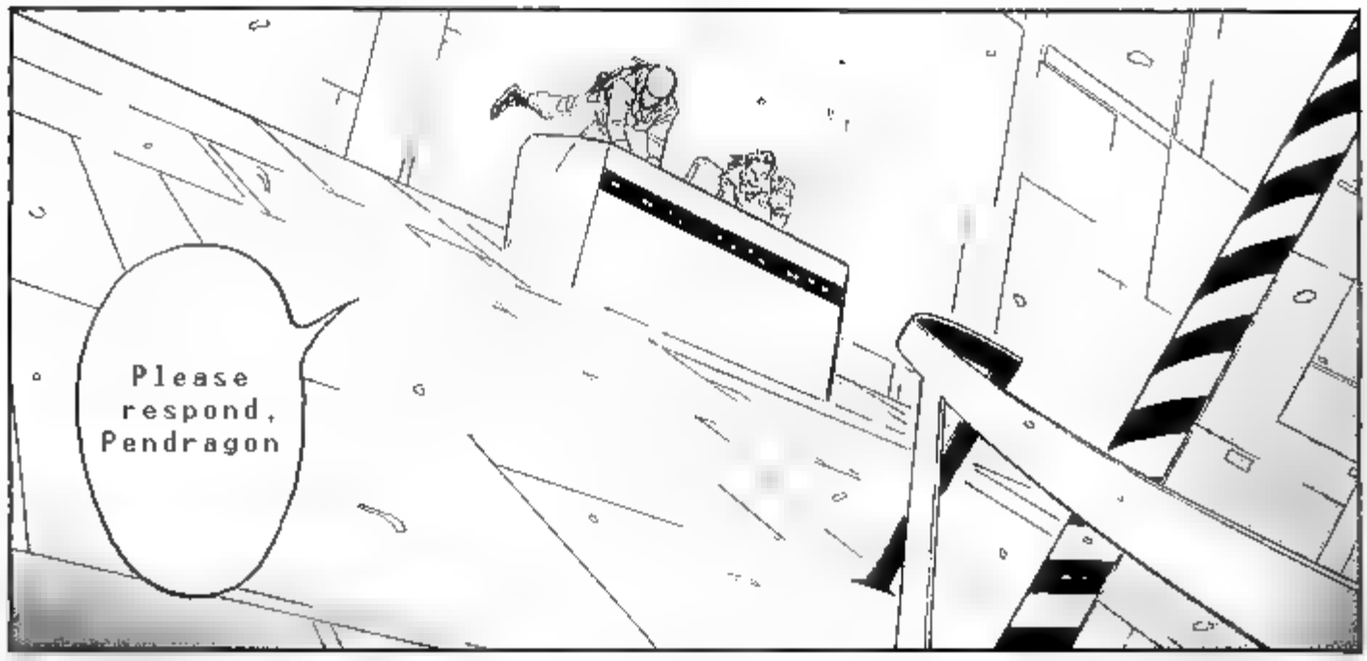
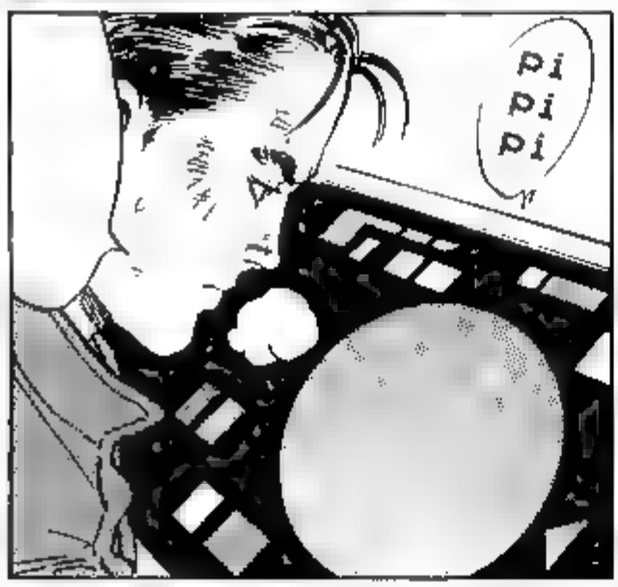
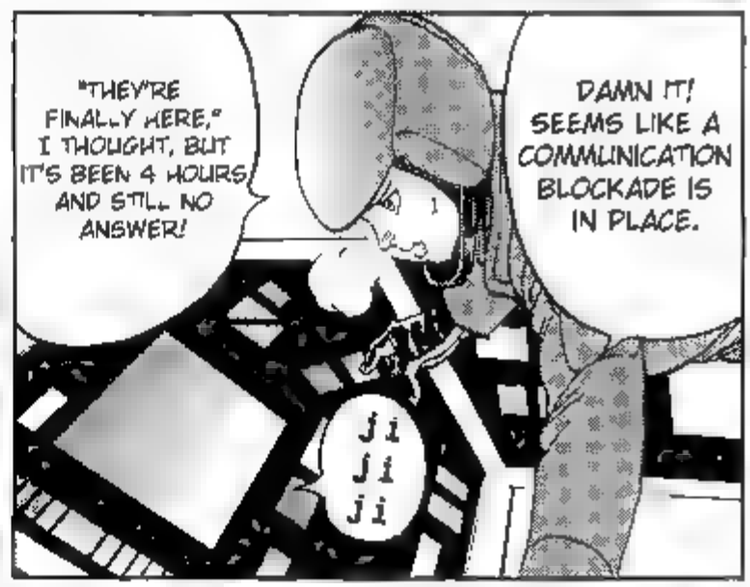
Pendragon,
please respond
This is Butto S
and Gai C from
Oruganera
platoon no 101
Pendragon,
please respond



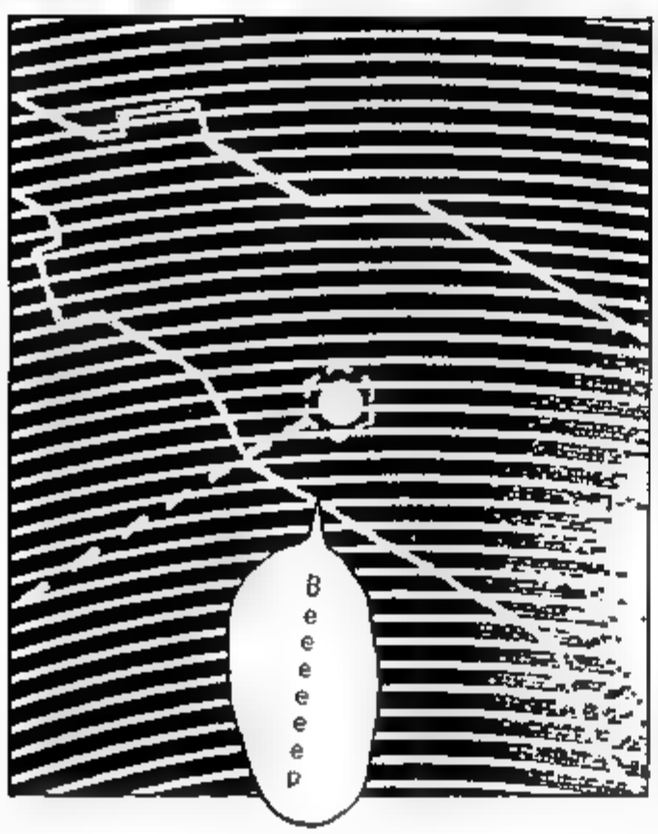
Please respond, Pendragon



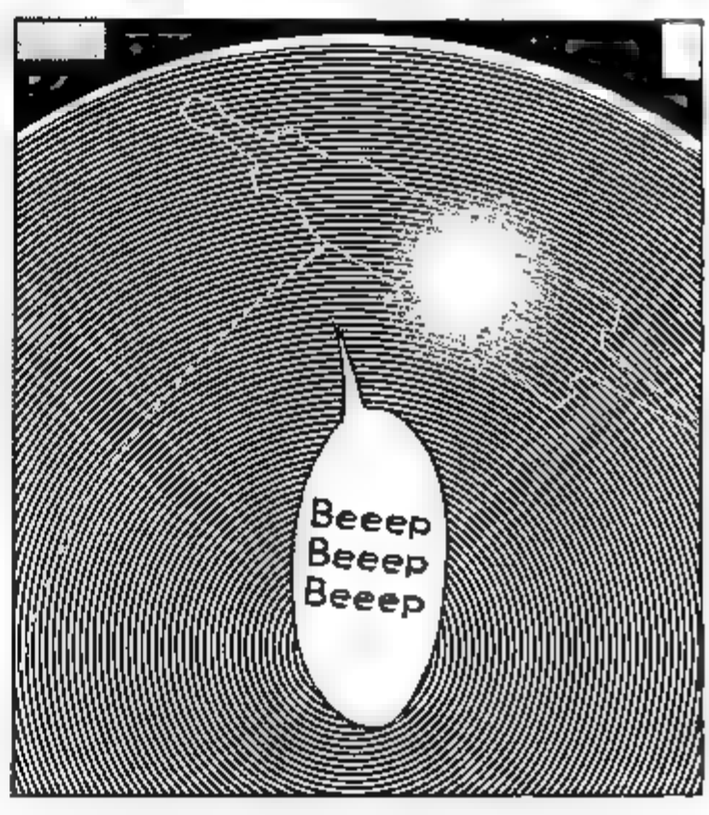
pi pi pi



"THEY'RE FINALLY HERE," I THOUGHT, BUT IT'S BEEN 4 HOURS AND STILL NO ANSWER!
DAMN IT! SEEMS LIKE A COMMUNICATION BLOCKADE IS IN PLACE.
ji ji ji



Beeeeeeeep



Beeep Beeep Beeep

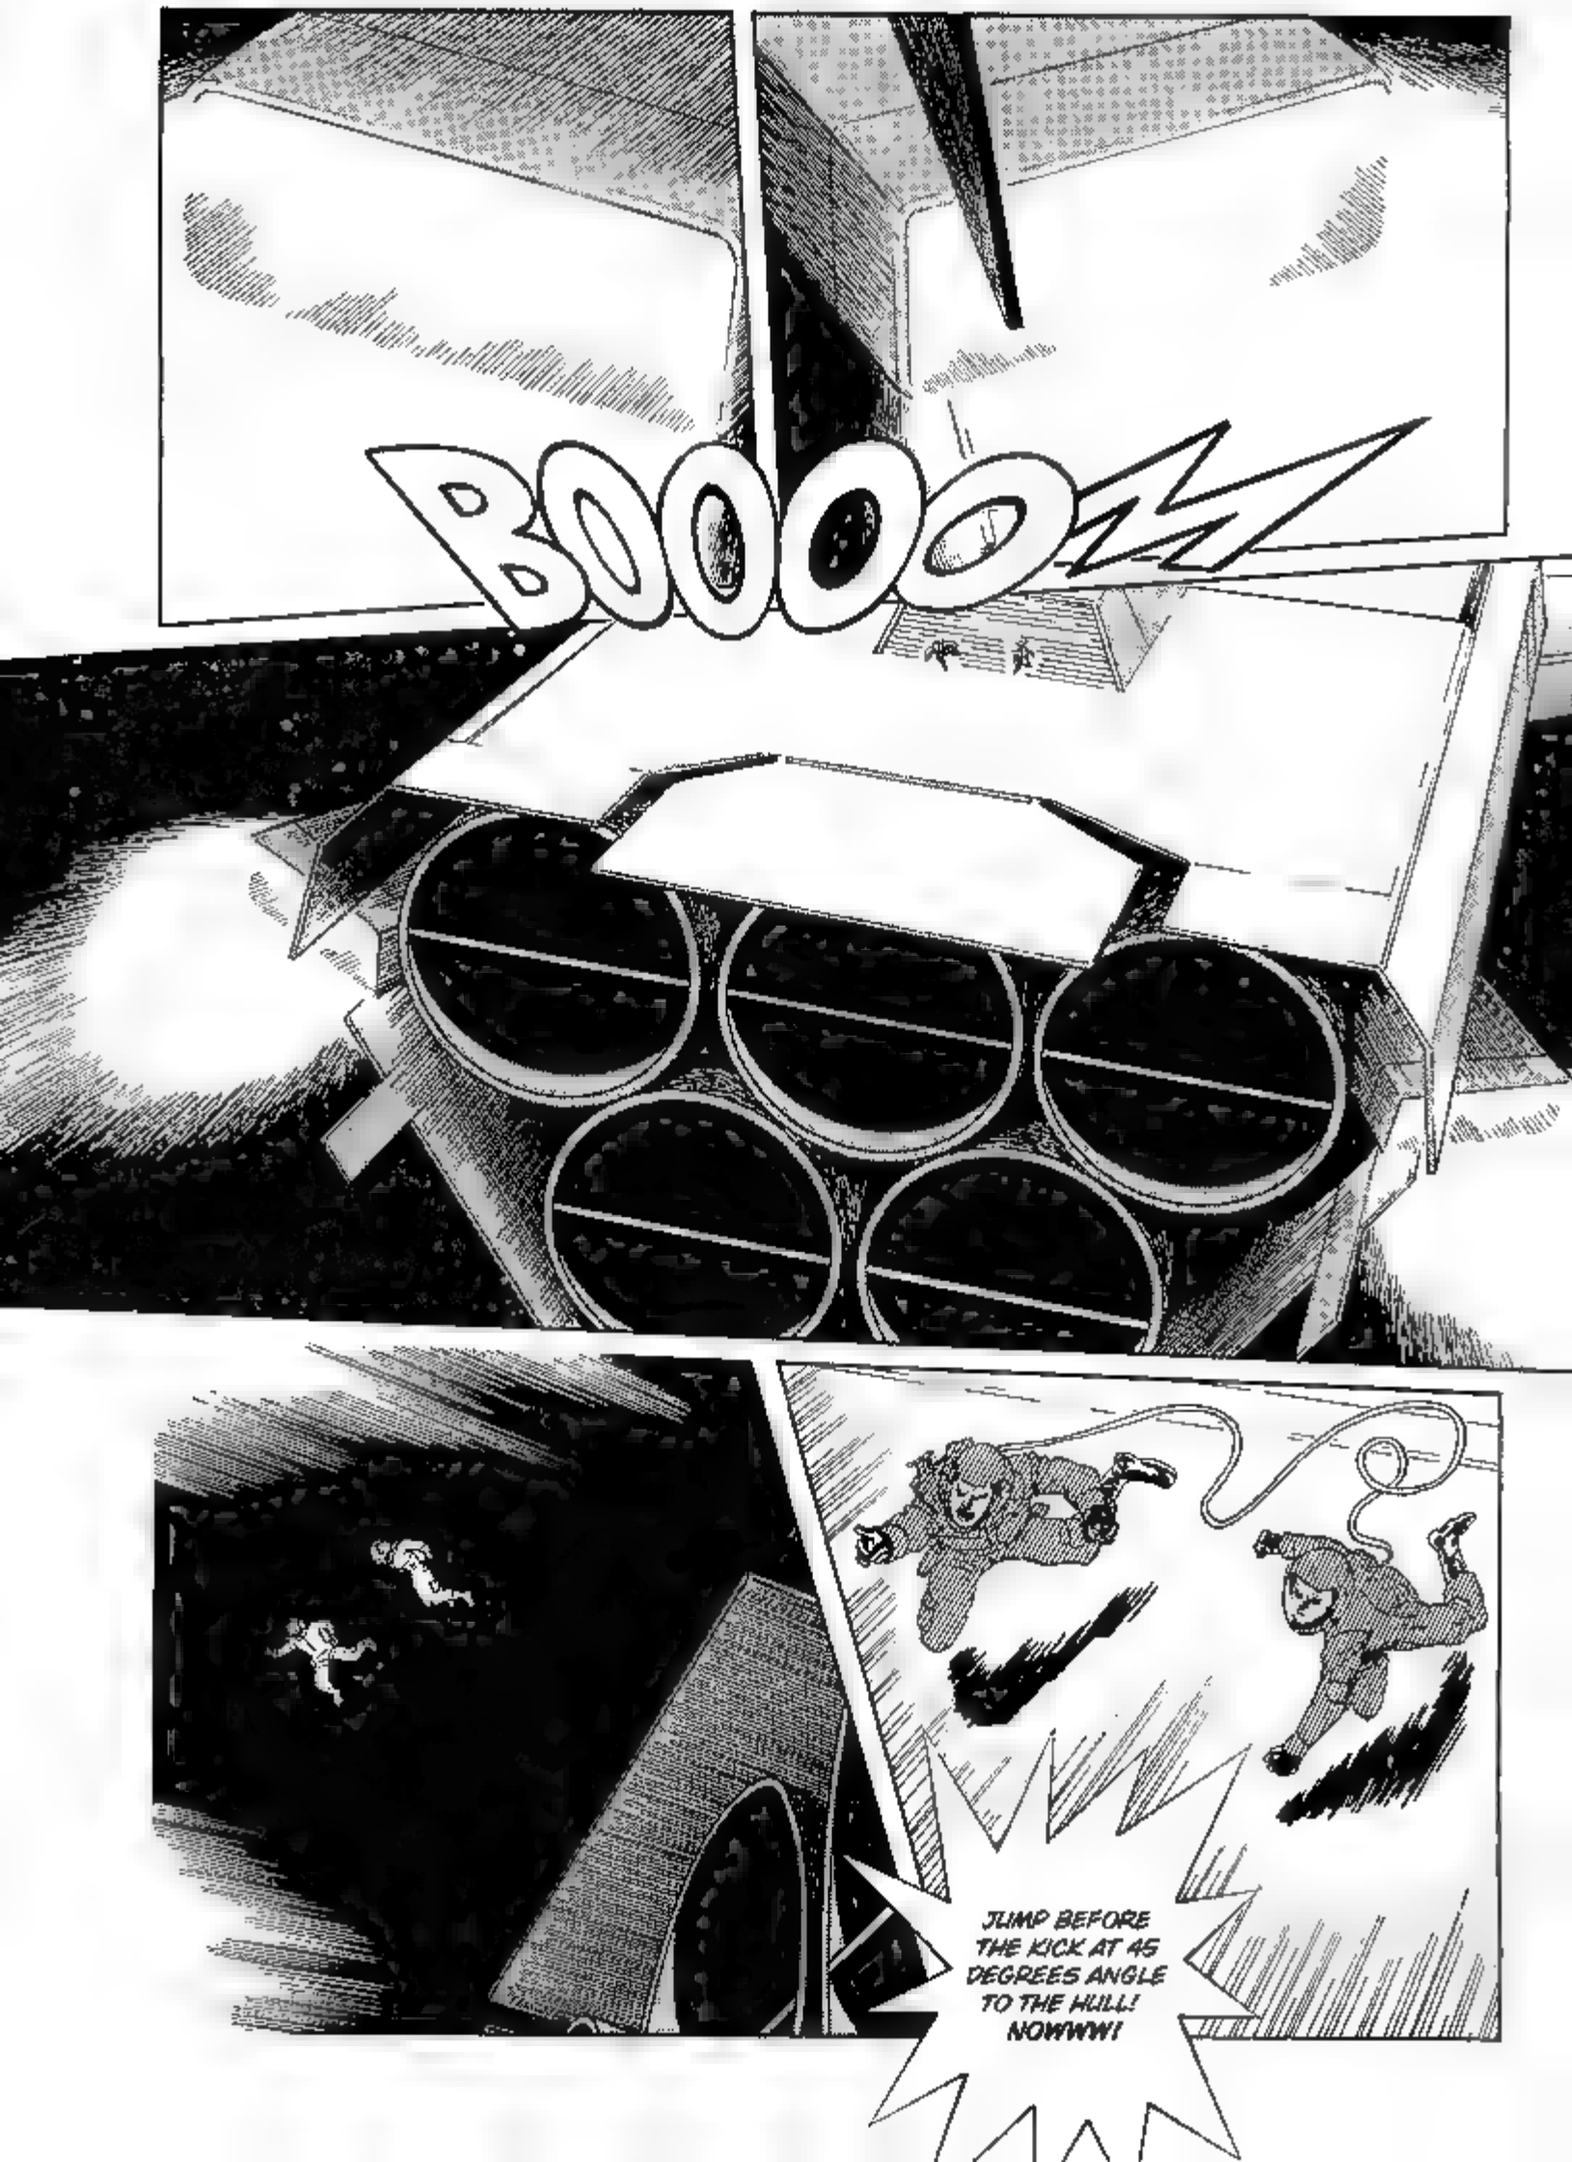
GIRI
IT SEEMS LIKE VICTOR'S POD FINALLY ARRIVED AT PENDRAGON AFTER HIS RIDICULOUS MOVEMENTS ALL NIGHT LONG! AND IT SEEMS HE'S DOCKING.
SFX: GIRI TEETH GRINDING
THIS IS WAY TOO STRANGE! EVEN IF THERE IS A COMMUNICATION BLOCKADE IN PLACE THEY SHOULD HAVE AT LEAST SENT HIM LANDING COORDINATES!! AND WHY IN THE WORLD AREN'T THEY DOING SOMETHING EVEN THOUGH WE ARE LESS THAN THREE KILOMETERS FROM THEM!?
SFX: THUMP

GAI! WE HAVE TO WAIT! WE DIDN'T GET ANY ORDERS YET!!
I WILL BE BORROWING THIS, SOMARE
I'M NOT WAITING!
WE DON'T HAVE ENOUGH AIR, AND THE TEMPERATURE IS ALREADY BELOW FREEZING! ANY MORE THAN THIS AND WE'LL SUFFOCATE OR FREEZE TO DEATH!
BEEP BEEP
GAI!?
AND TAKE THAT THING WITH US!?
WHAT? YOU THINK YOU'LL BE ABLE TO DOCK ALONGSIDE PENDRAGON WITH THIS WRECK!?

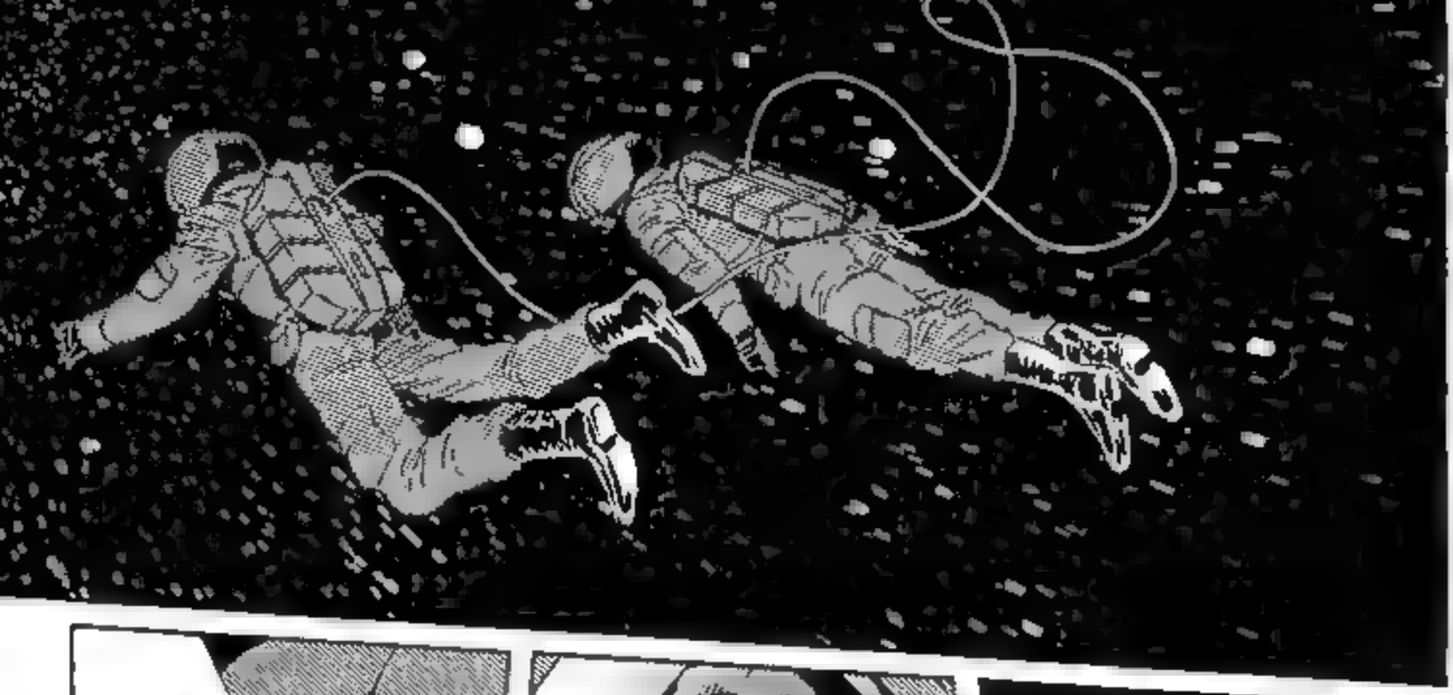
BLAAARM

IN A VACUUM, THE PADS FOR LIFE SUPPORT IN THESE SUITS SHOULD LAST

THAT HELMET, DOES IT SMELL OF SOMARU?
SIBLINGS FOR THE LAST 19 YEARS.
YOU LOVED HER, DIDN'T YOU?
3 KILOMETERS FROM THE PENDRAGON AND FLYING STRAIGHT FOR ITS HULL, SO IT WILL FIRE UP THE MAIN ENGINES TO RETURN TO ITS PREVIOUS RANGE AND COURSE
LISTEN! 240 SECONDS AFTER THE FORWARD JET PROPULSION'S IGNITION JUST NOW, THE COMPUTER WILL IGNITE THE BREAKING MANEUVER!



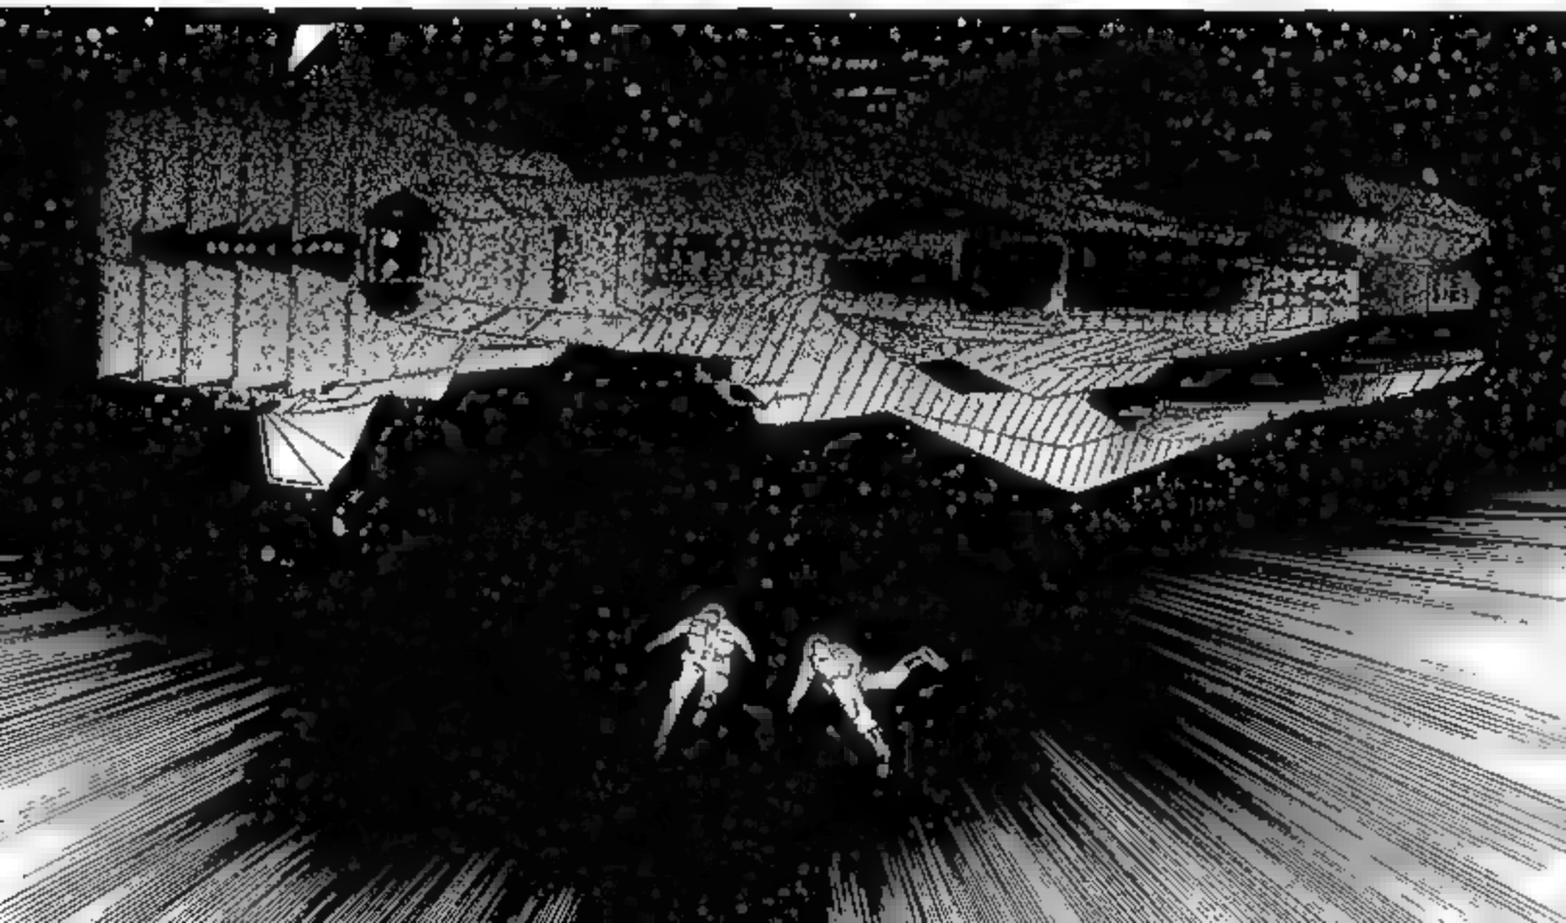
BOOOM!
JUMP BEFORE THE KICK AT 45 DEGREES ANGLE TO THE HULL! NOWWW!

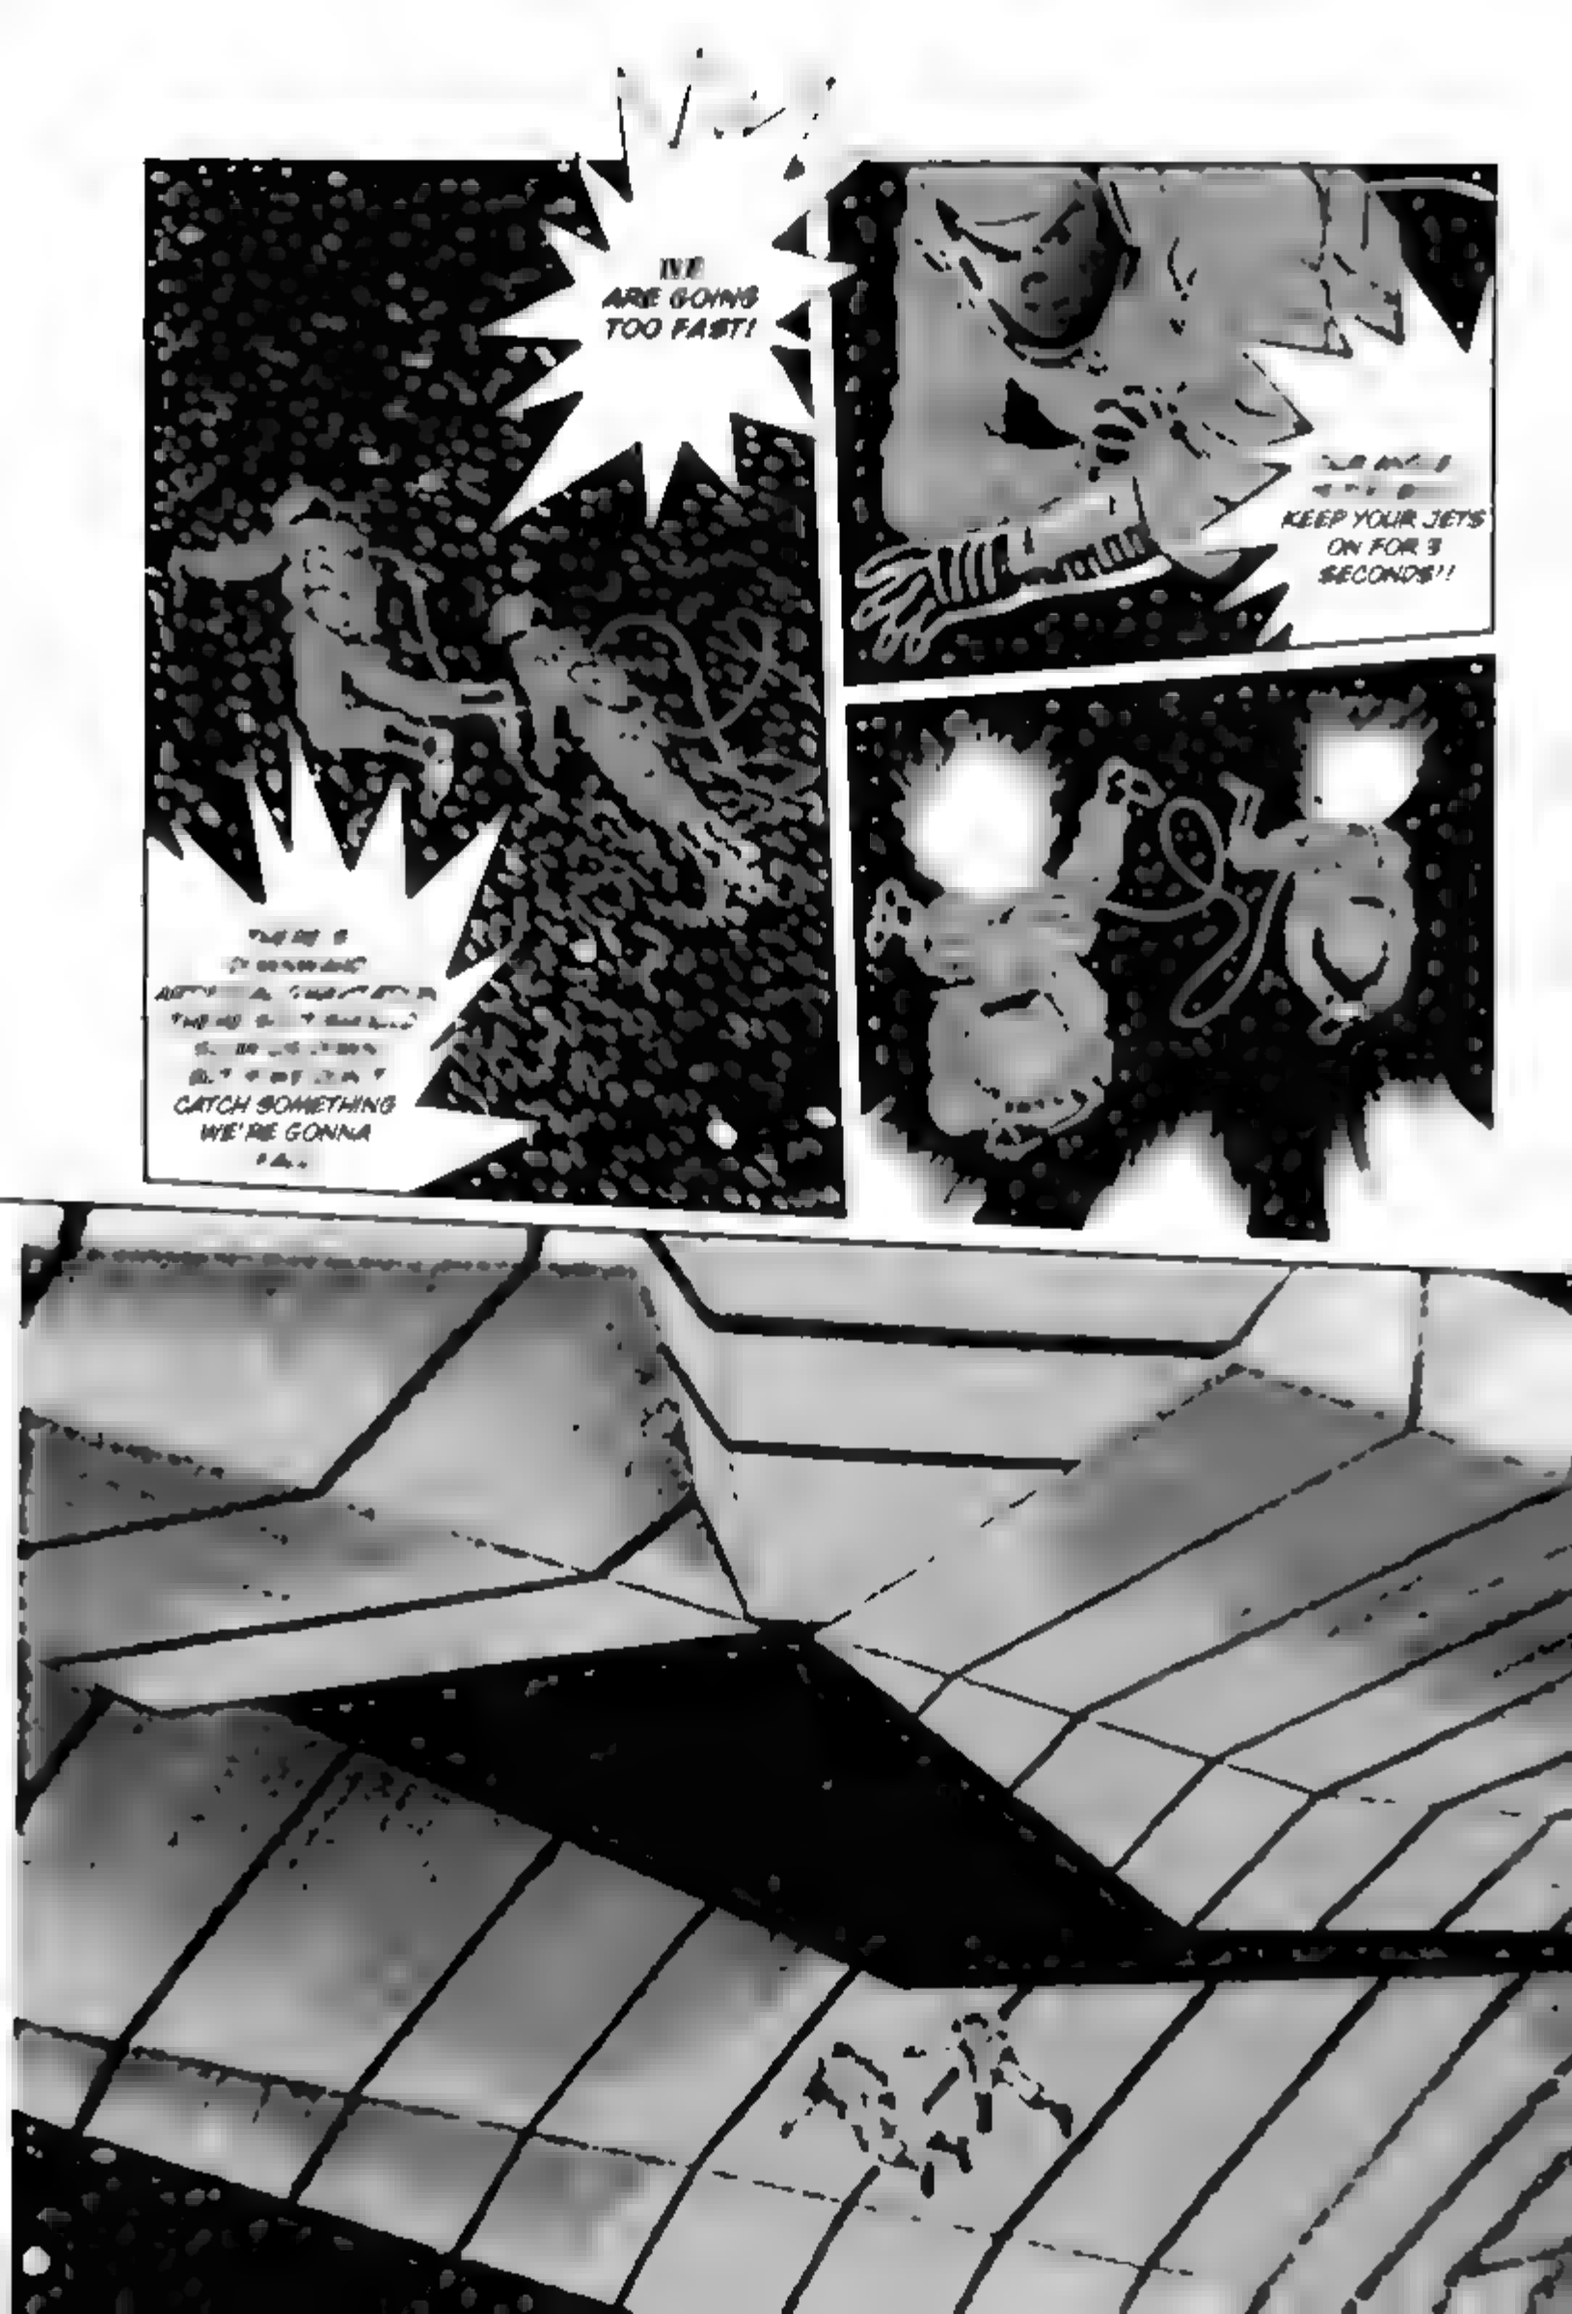


SAME FOR ME! DON'T THINK ABOUT IT!

AND YOU'RE TOTALLY ALONE!
IT FEELS TO ME LIKE WE'RE IN A WORLD OF TOTAL DARKNESS WHERE NO MATTER WHERE YOU TURN, YOU'RE ALWAYS FALLING!

I'VE... I'VE ALWAYS HATED THE SWIMMING TRAINING!





WE ARE GOING TOO FAST!
KEEP YOUR JETS ON FOR 3 SECONDS!!
CATCH SOMETHING WE'RE GONNA

KRASH
KARRASSH
BIAP
HAAAAAAA...

BUTTO!!
SNAKK
AAH!!

AAAHH!!!
WAAHHH!!!!!

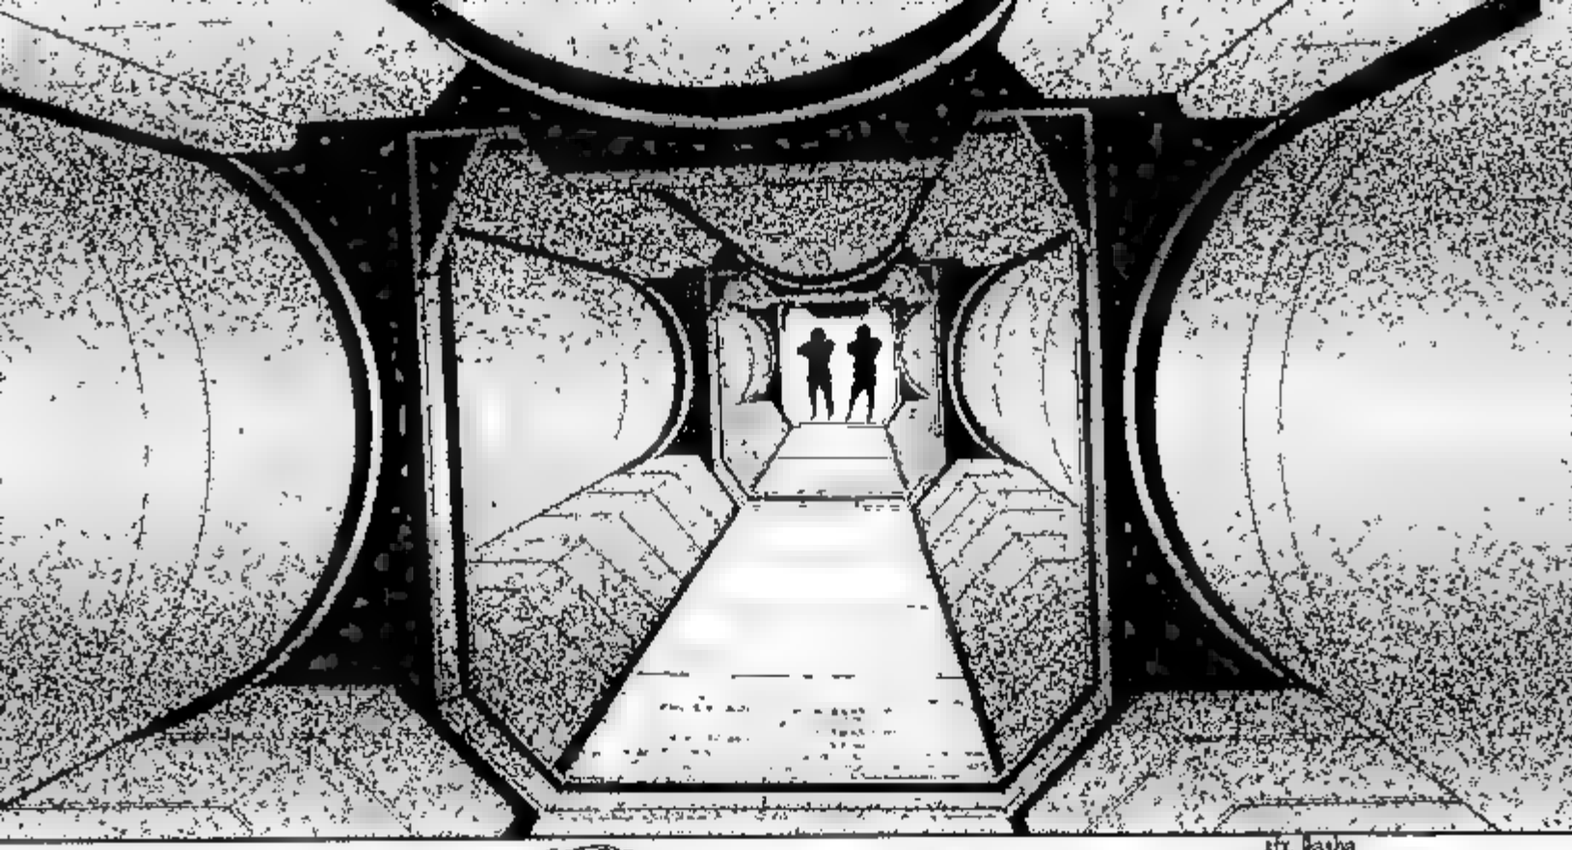
Howaaaa~~!
Howaaa~~!!

Wooo

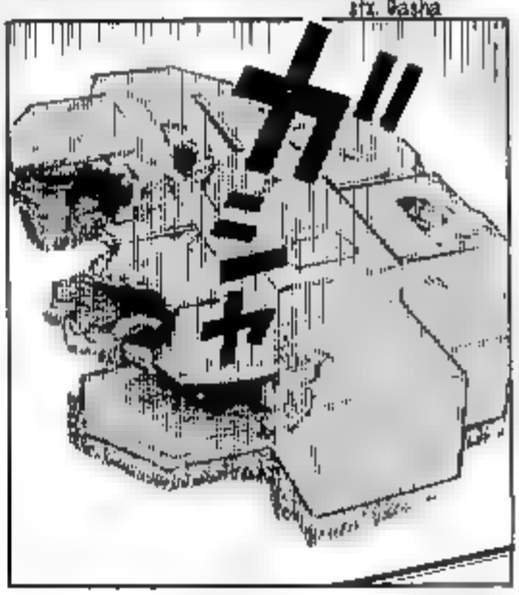
IT'S VICTOR'S DAD!

WHA... WHAT'S WITH THIS HOLE!?
.....

Airlock check completed. Please provide attachment, name and serial numbers.
SFX. peshu
voice print confirmed. The disinfection procedure is currently omitted due to the state of emergency.
SHUUU-
BUTTO S! 3370245P!
PLATOON 101, GAI C! 455905YK!
AND HERE I THOUGHT IT WOULD BE SOOOO EEEASY BECAUSE A STATE OF EMERGENCY WOULD REQUIRE STRICTER DISINFECTION!



ME TOO!
HAA HAA
FUUU! MY BACKPACK GOT BROKEN SO I ALMOST COMPLETELY RAN OUT OF AIR!



ガ
ミャ
ァ

sfx. Hyun
GUEGAA--!
sfx. Hyun
WHA... WHAT THE FUCK IS THIS!?

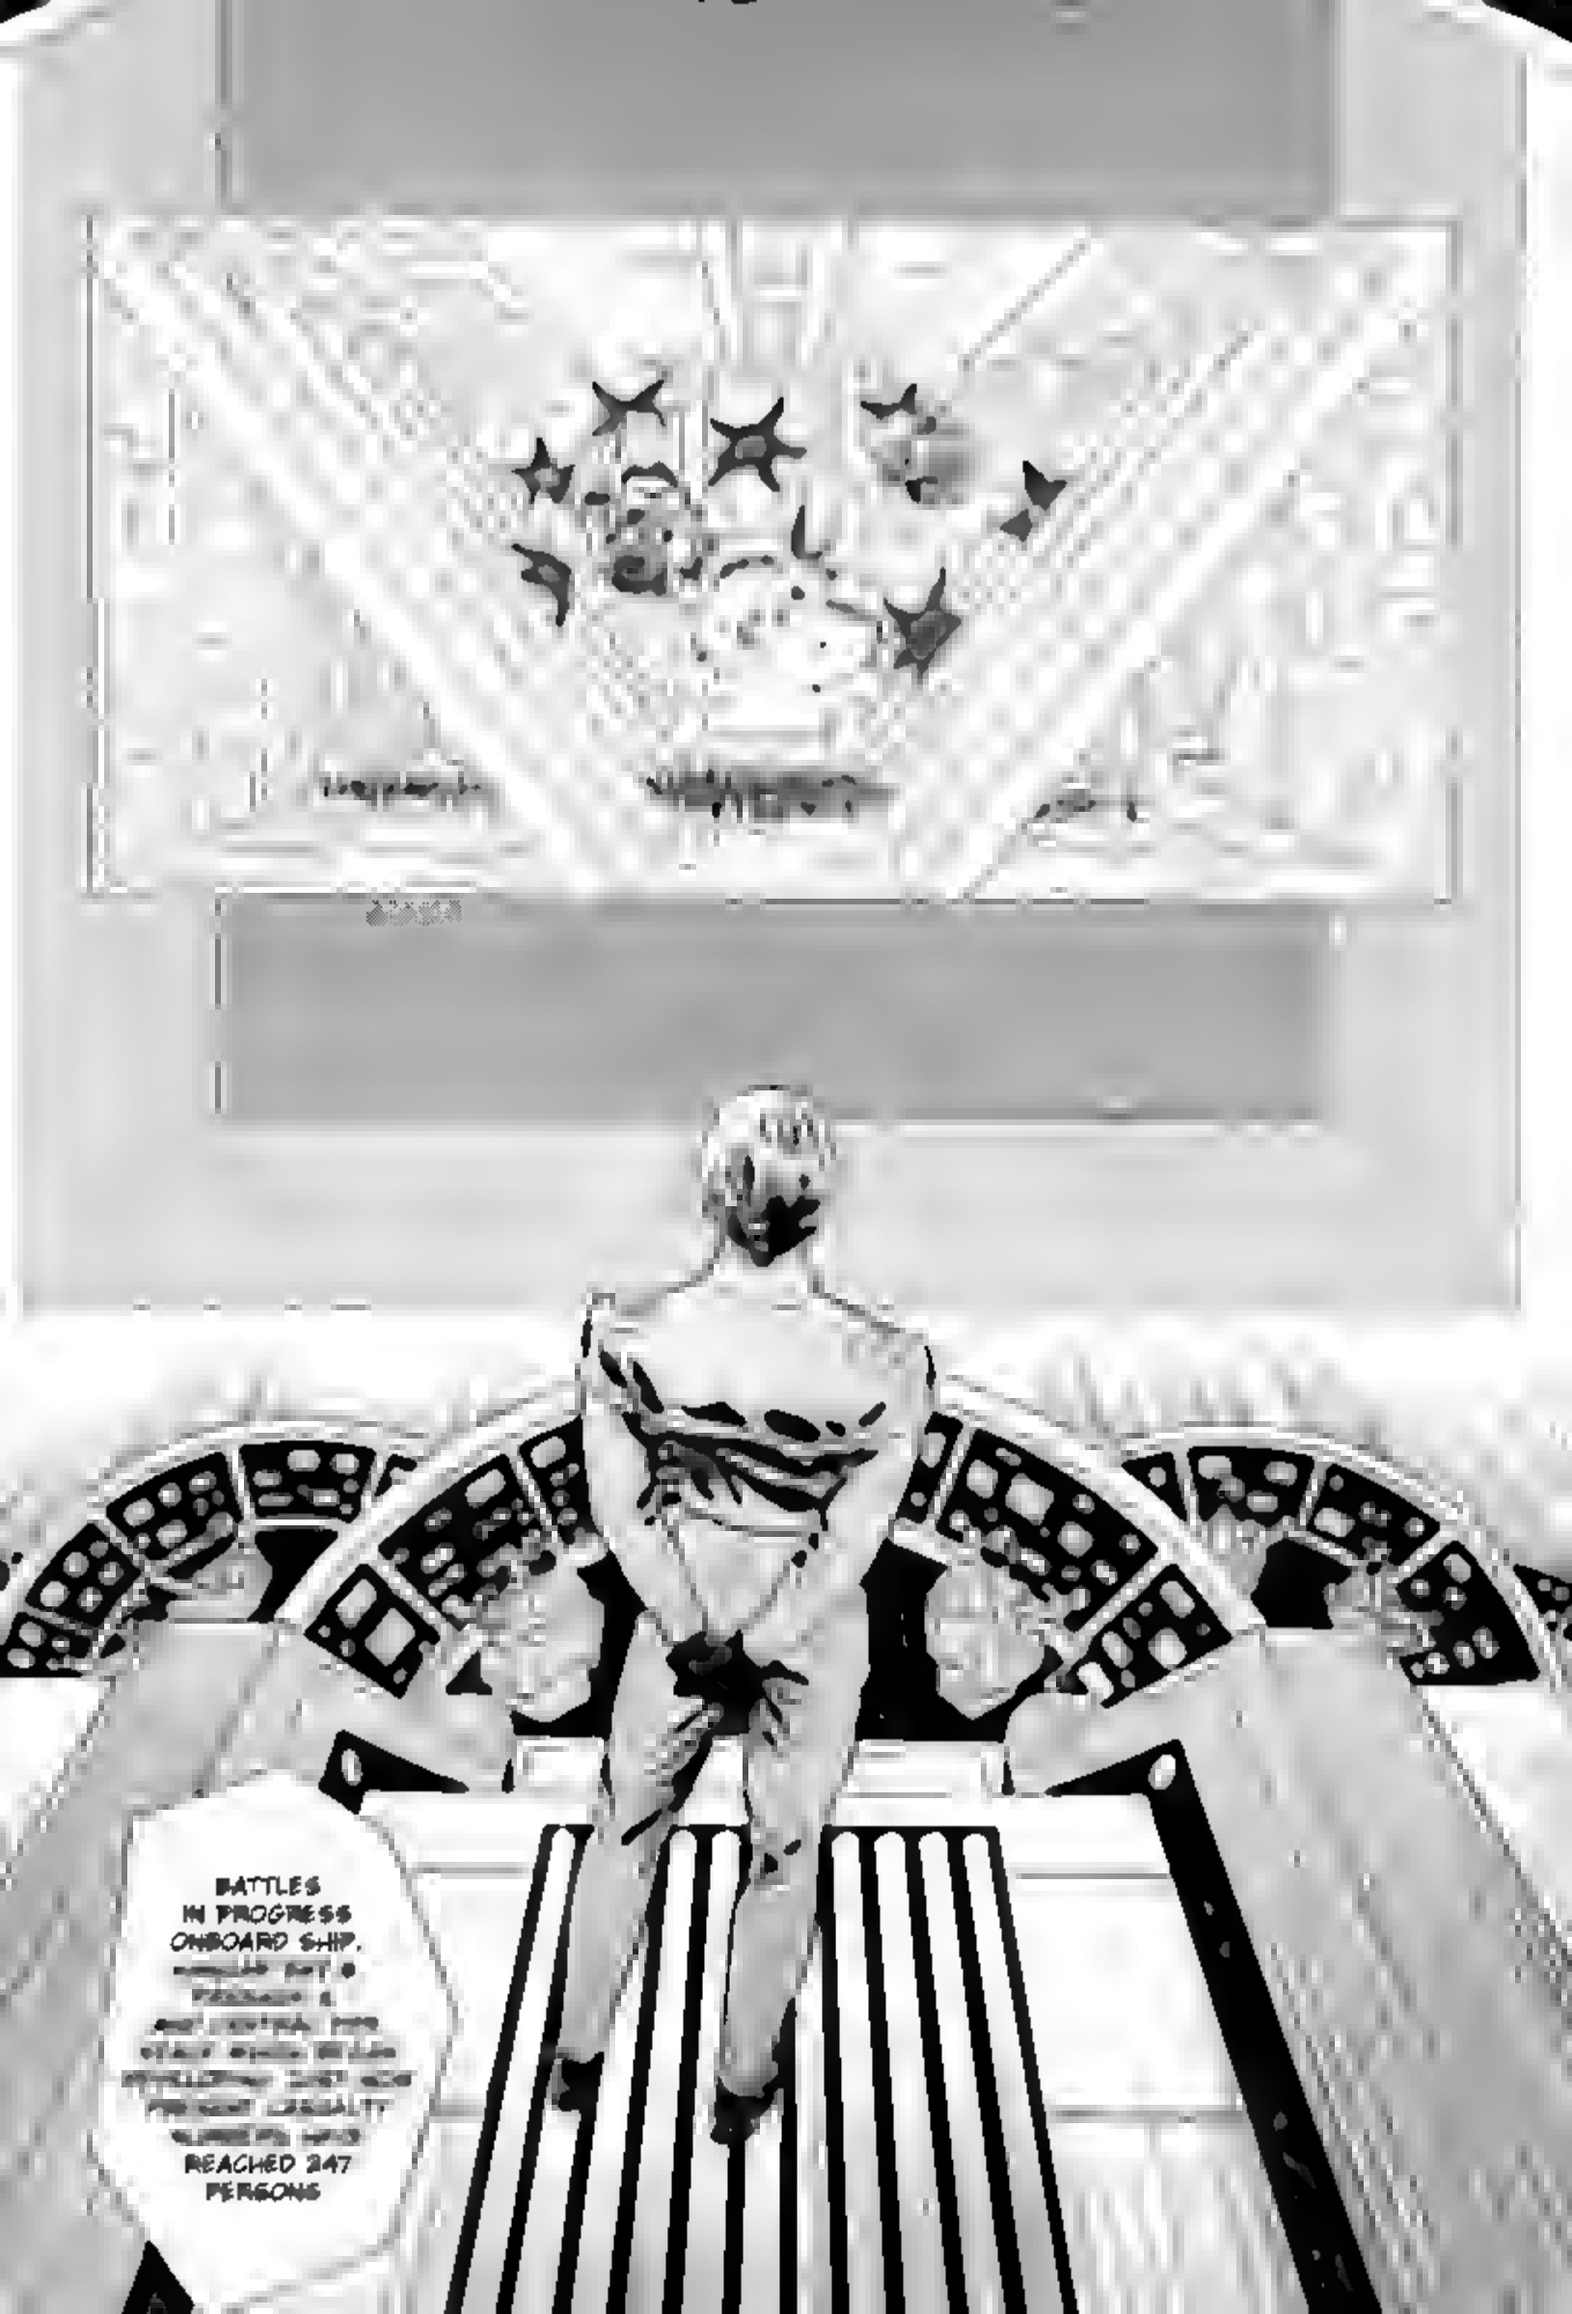
WHAT THE FUCK HAPPENED HERE!?
HEY THERE, DNA RASCAL!
THE HELL IF I KNOW! EVER SINCE YESTERDAY WHEN I WAS WOKEN UP FROM HIBERNATION, WE'VE BEEN FIGHTING THESE FUCKING MONSTERS!
FROM YESTERDAY!?
IF YOU RECKLESSLY ATTACK THESE THINGS AND GET BASKED BY THEIR LIGHT YOU GET TRANSFORMED INTO ONE OF THEM! LOOK! YOUR FORMER COMRADES ARE THERE RIGHT NOW!
THEIR NUMBERS ARE INCREASING WHILE A LOT OF US SOLDIERS KEEP BITING THE DUST! EVEN MORE SO FOR YOU INITIALS!

sfx. fwololoolo

ZOERA T AND ALEX J !?
GRAB
GEGAA!
GUWAAA

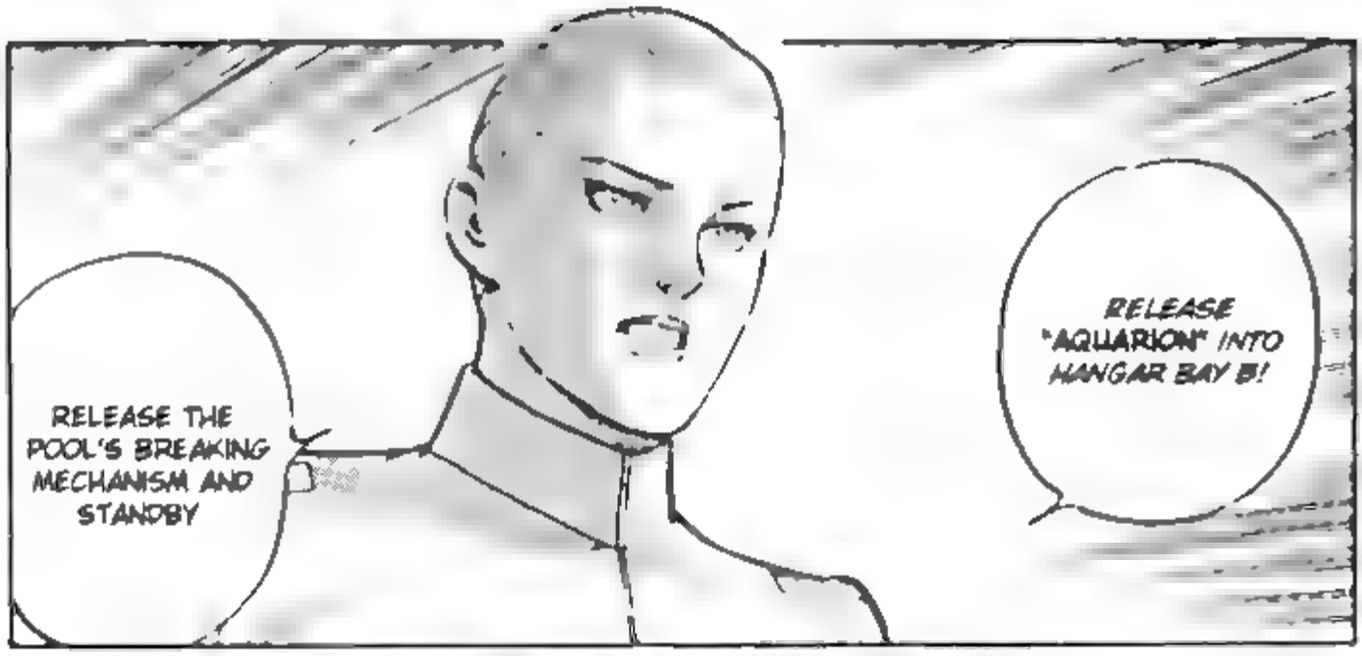
SEEMS LIKE THEY'VE GOT THE NICKNAME "DERONGA" NOW!
FUCK THAT! DON'T WE HAVE ANYTHING MORE POWERFUL THAN THESE BOMB-SHELLS !?
DAMN! I DON'T GET WHAT IS WHAT ANYMORE! YOU'RE SAYING THAT PEOPLE ARE CHANGING INTO THOSE MONSTERS!?
SHIT!
WE ARE LIMITED TO THESE HAND BARKAN'S AND BOMBSHELLS! IF WE USE ANYTHING STRONGER THEN NEITHER THE SHIP'S BULKHEADS NOR SOLDIERS WILL WITHSTAND IT!
sfx: Ya da da (gun firing)
Grab
LEND ME THAT !!
ALEX! ZOERA! WE'LL PUT YOU GUYS AT EASE!!

sfx: Boom
ARE YOU THE GAI C AND BUTTO S THAT RETURNED FROM ORUGANERA!?
sfx: Ga
WE'RE BUSY RIGHT NOW!!
BRIGADIER GENERAL BUGLESS WAITING FOR YOUR REPORT ON THE BRIDGE!! REPORT THERE NOW!!



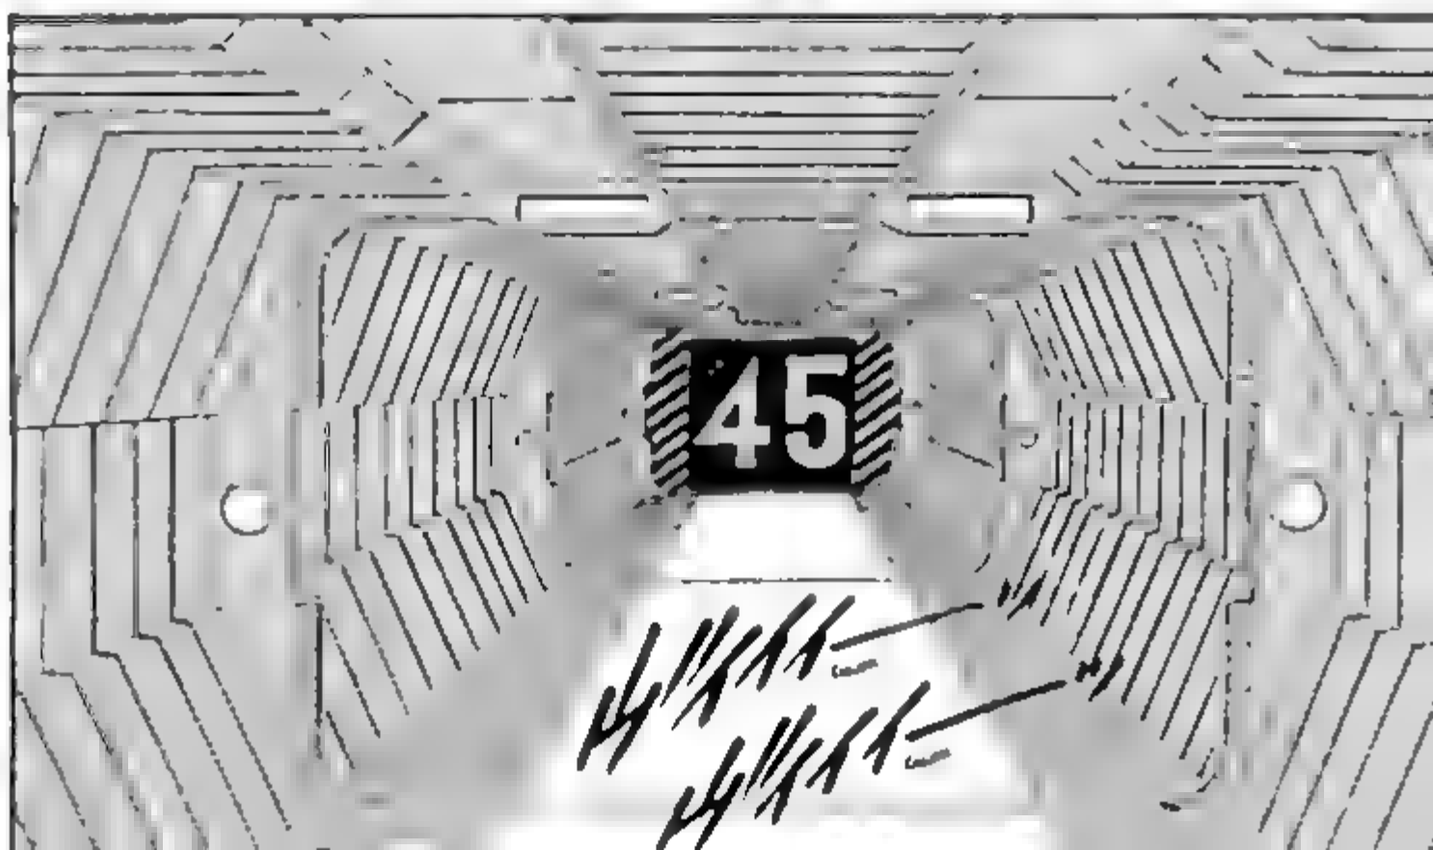
BATTLES IN PROGRESS ONBOARD SHIP.
REACHED 247 PERSONS

THE LARGEST BATTLE IN PROGRESS IS ON DECK 8, HANGAR BAY 8
BRANDY COMPANY IS THE MAIN FORCE, AND THERE ARE 8 ENEMIES.
CASUALTIES HAVE REACHED 124 PERSONS AND THEY ARE IN NEED OF IMMEDIATE REINFORCEMENTS.

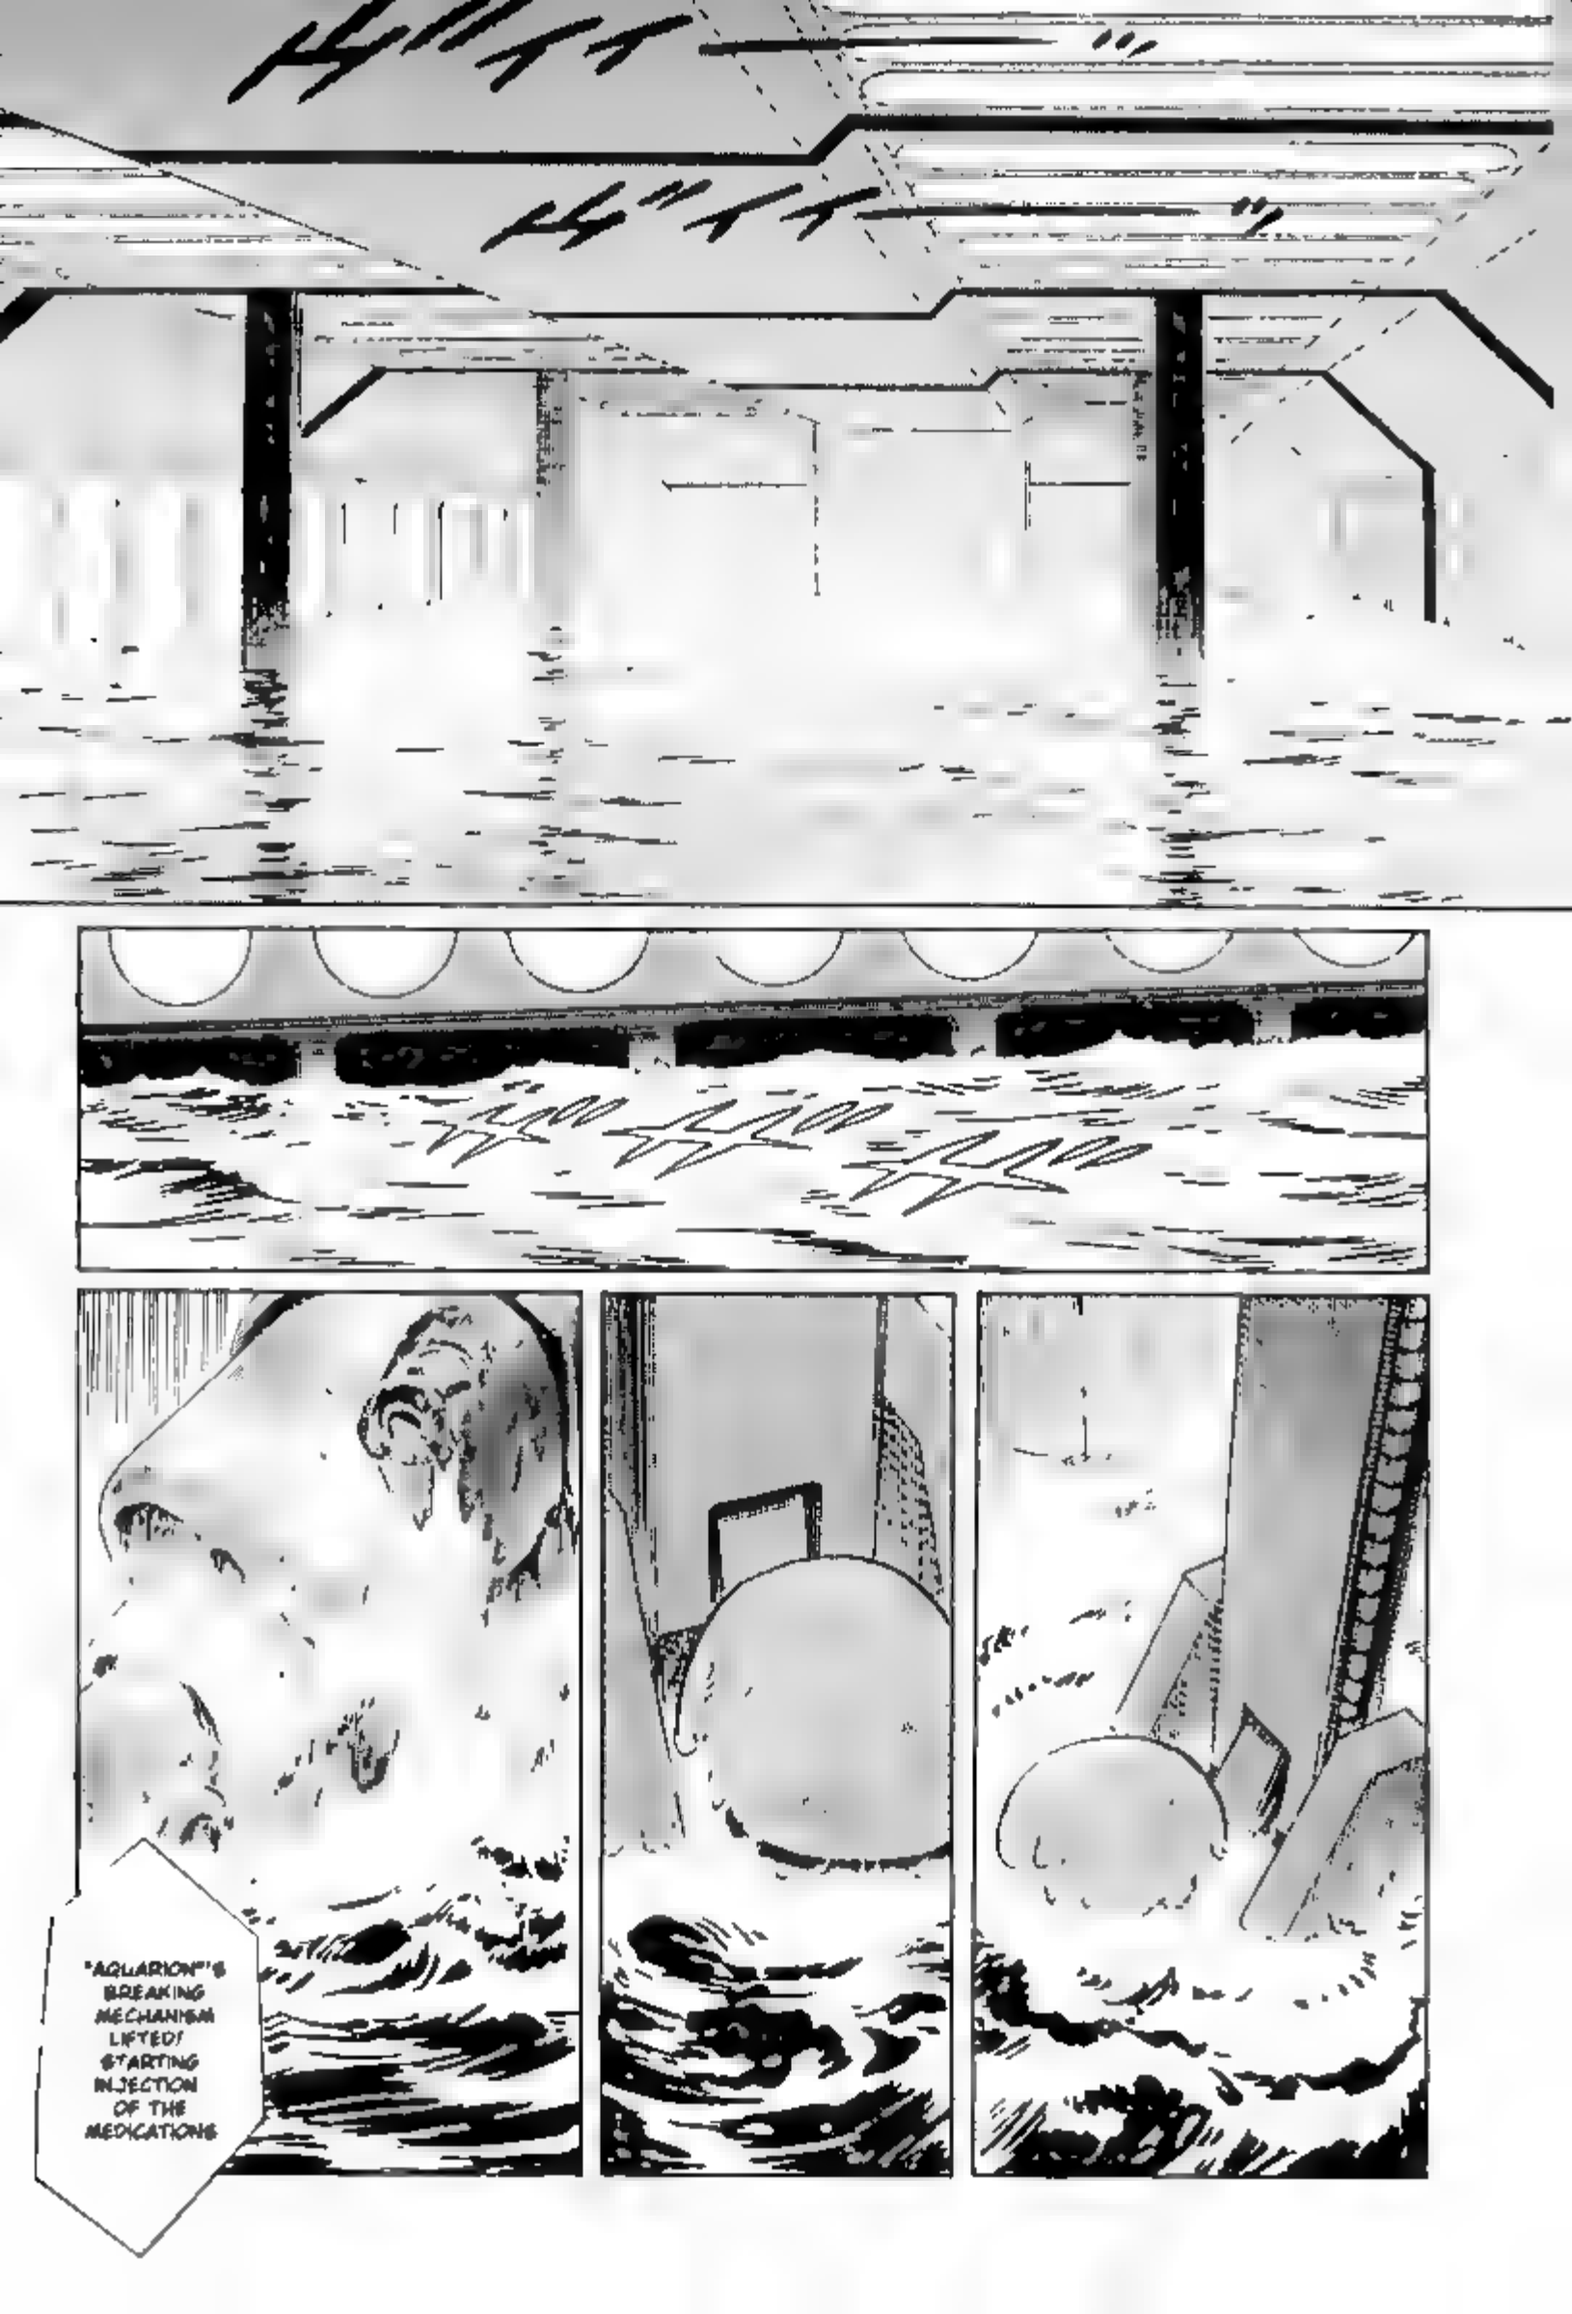


RELEASE THE POOL'S BREAKING MECHANISM AND STANDBY
RELEASE "AQUARION" INTO HANGAR BAY B!

"AQUARION"



45



"AQUARION"'S BREAKING MECHANISM LIFTED! STARTING INJECTION OF THE MEDICATIONS

HMM. .
YOUR EXCELLENCY MAY I PRESENT THE TWO THAT RETURNED FROM ORUGANERA.
YES MA'AM!
YOU'RE INITALS, AREN'T YOU?

.....
GALLANT YOUNGSTERS! YOU'VE GROWN UP QUITE STURDY, HAVEN'T YOU?
ONE DAY, ALL THE GROUND SOLDIERS WILL BE INITIALS. AND BOTH OF YOU ARE THE PROOF OF THAT
WELL THEN. LET'S HEAR THE REPORT WHAT ABOUT THE REST OF YOUR PLATOON?
SECOND LIEUTENANT KASSU, BOBBY K, TONY S AND SOMARU F,
ALL DIED IN THE LINE OF DUTY!

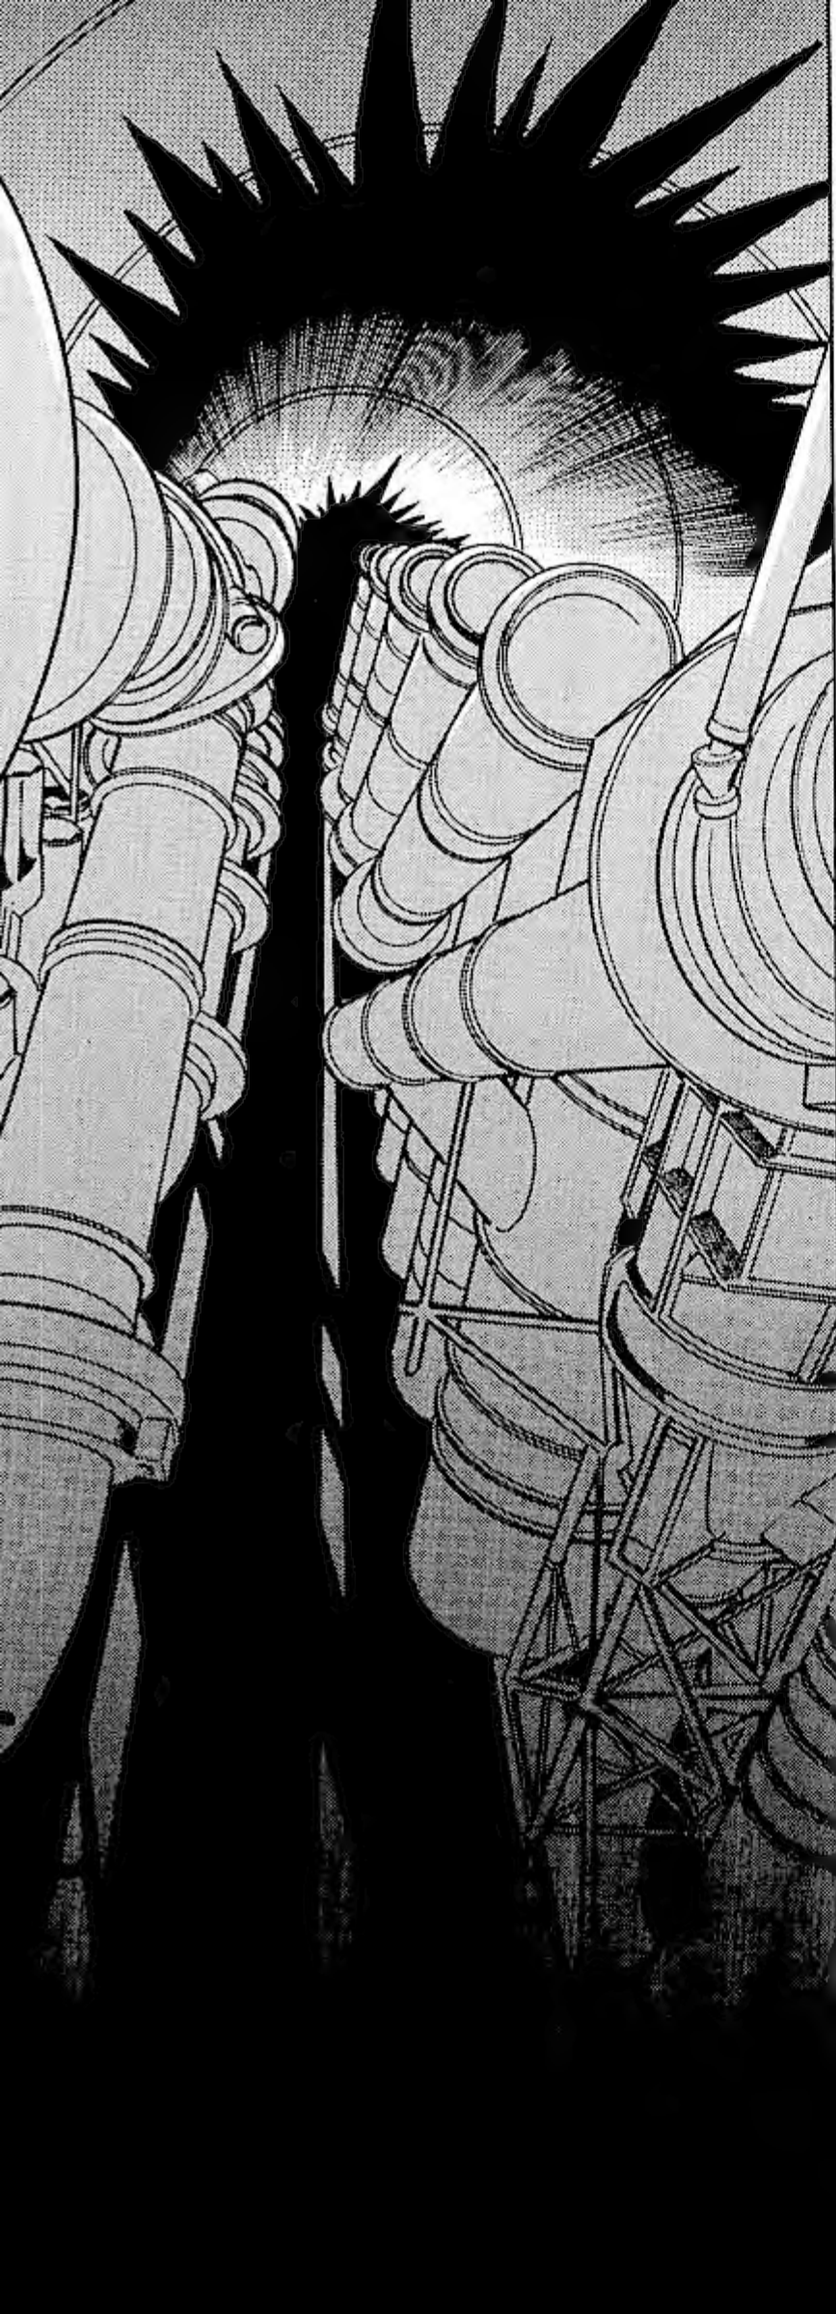
PESHUU
ZU
ZU
ZU
I'M SURE YOU MUST BE THINKING THAT IT'S QUITE STRANGE HOW QUICK THESE "DERONGA'S" HAVE INCREASED THEIR NUMBERS WERE RIGHT?
WELL, THAT'S BECAUSE IT SEEMS THEY POSSESS THE ABILITY TO SEND THEIR DNA INFORMATION VIA LIGHT-WAVE COMMUNICATIONS
IS THAT SO?
GOOD JOB FIGHTING THEM. TO ADAPT TO THAT EXTREME SITUATION AND KEEP ON FIGHTING LIKE YOU DID IS MORE THAN WE COULD EXPECT

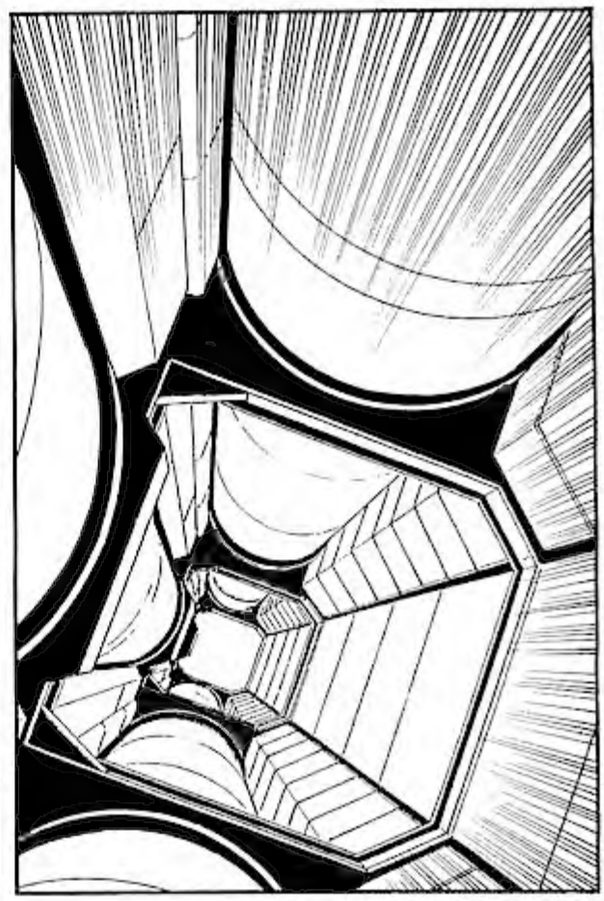
BY SENDING THIS INFORMATION THROUGH THE EYES DIRECTLY INTO AN OPPONENT'S NERVOUS SYSTEM, IT FORCES THE CREATION OF HETEROGENOUS CELLS
THIS IS FOLLOWED BY EXTREMELY RAPID CELL REPRODUCTION THAT REMOLDS THE CELLS INSIDE THE HOST'S BODY JUST LIKE A VIRUS!
SENDING DNA THROUGH THE LIGHT!?
SO I'M SURE THAT THESE "DERONGA," WHICH ARE RAMPANT HERE NOW, ACTUALLY POSSESS ONLY LIMITED ABILITIES IN COMPARISON WITH THE ORIGINAL.
STILL, IT SEEMS THAT THE PHYSICAL LIMITATIONS ON VIDEO AND COMMUNICATION EQUIPMENT ITSELF ALLOWED IT TO SEND ONLY LIGHT AND BLOCKED PART OF THE ORIGINAL INFORMATION.
WHAT!?
TO TELL YOU THE TRUTH THERE IS A POSSIBILITY THAT THE ORIGINAL "DERONGA" HAS ACTUALLY PENETRATED ONBOARD THIS SHIP!

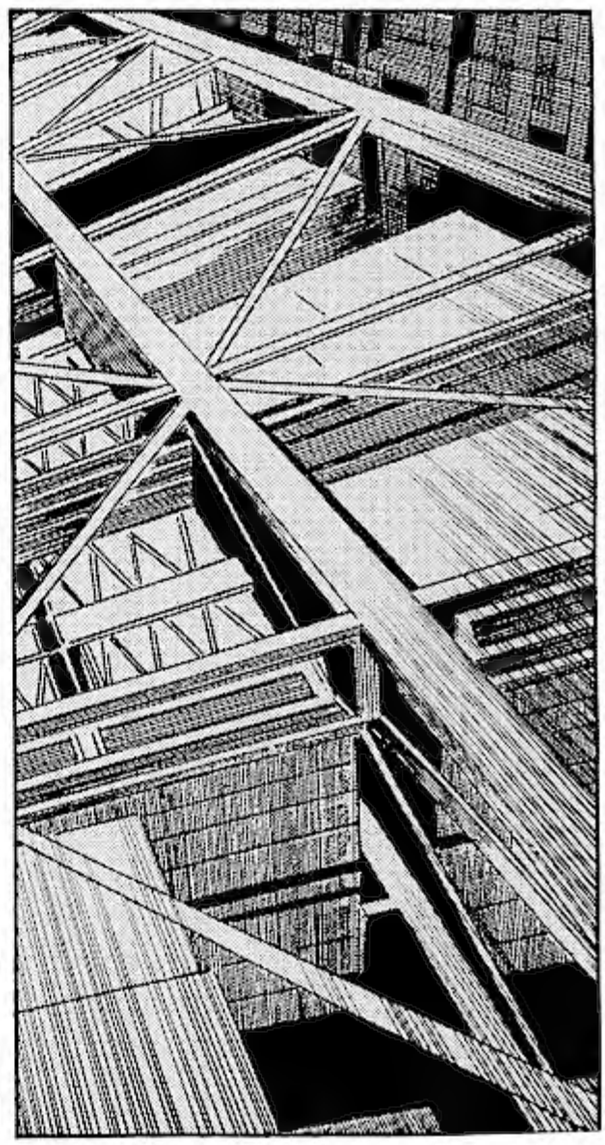
I DON'T HAVE ANY CONCLUSIVE PROOF OF THAT BUT THERE IS EVIDENCE POINTING TO IT!
AND THERE IS A VERY HIGH POSSIBILITY THAT THE ORIGINAL BODY OF DERONGA WAS ATTACHED TO HIS POD!
A MAN CALLED VICTOR SHOULD HAVE COME TO TAKE REFUGE HERE.
WHERE IS VICTOR!!
THAT BASTARD KILLED SOMARU!! AND HE WAS ALSO TRYING TO KILL BOTH OF US!!
IT... IT'S TRUE THAT WE HAVE RECEIVED THAT MAN, BUT THERE WASN'T ANYTHING AT THE AIRLOCK...
AND WE COULDN'T SENSE ANYTHING ELSE IN THE VICINITY WITH OUR SENSORS
YES MA'AM!
LIEUTENANT COMMANDER PAIKU. COMMENCE AN IMMEDIATE SEARCH OF THE DOCKING BAY! ALSO, ISOLATE THIS VICTOR INDIVIDUAL FOR FURTHER INTERROGATION!
WAIT. WE'LL DEAL WITH IT LATER.

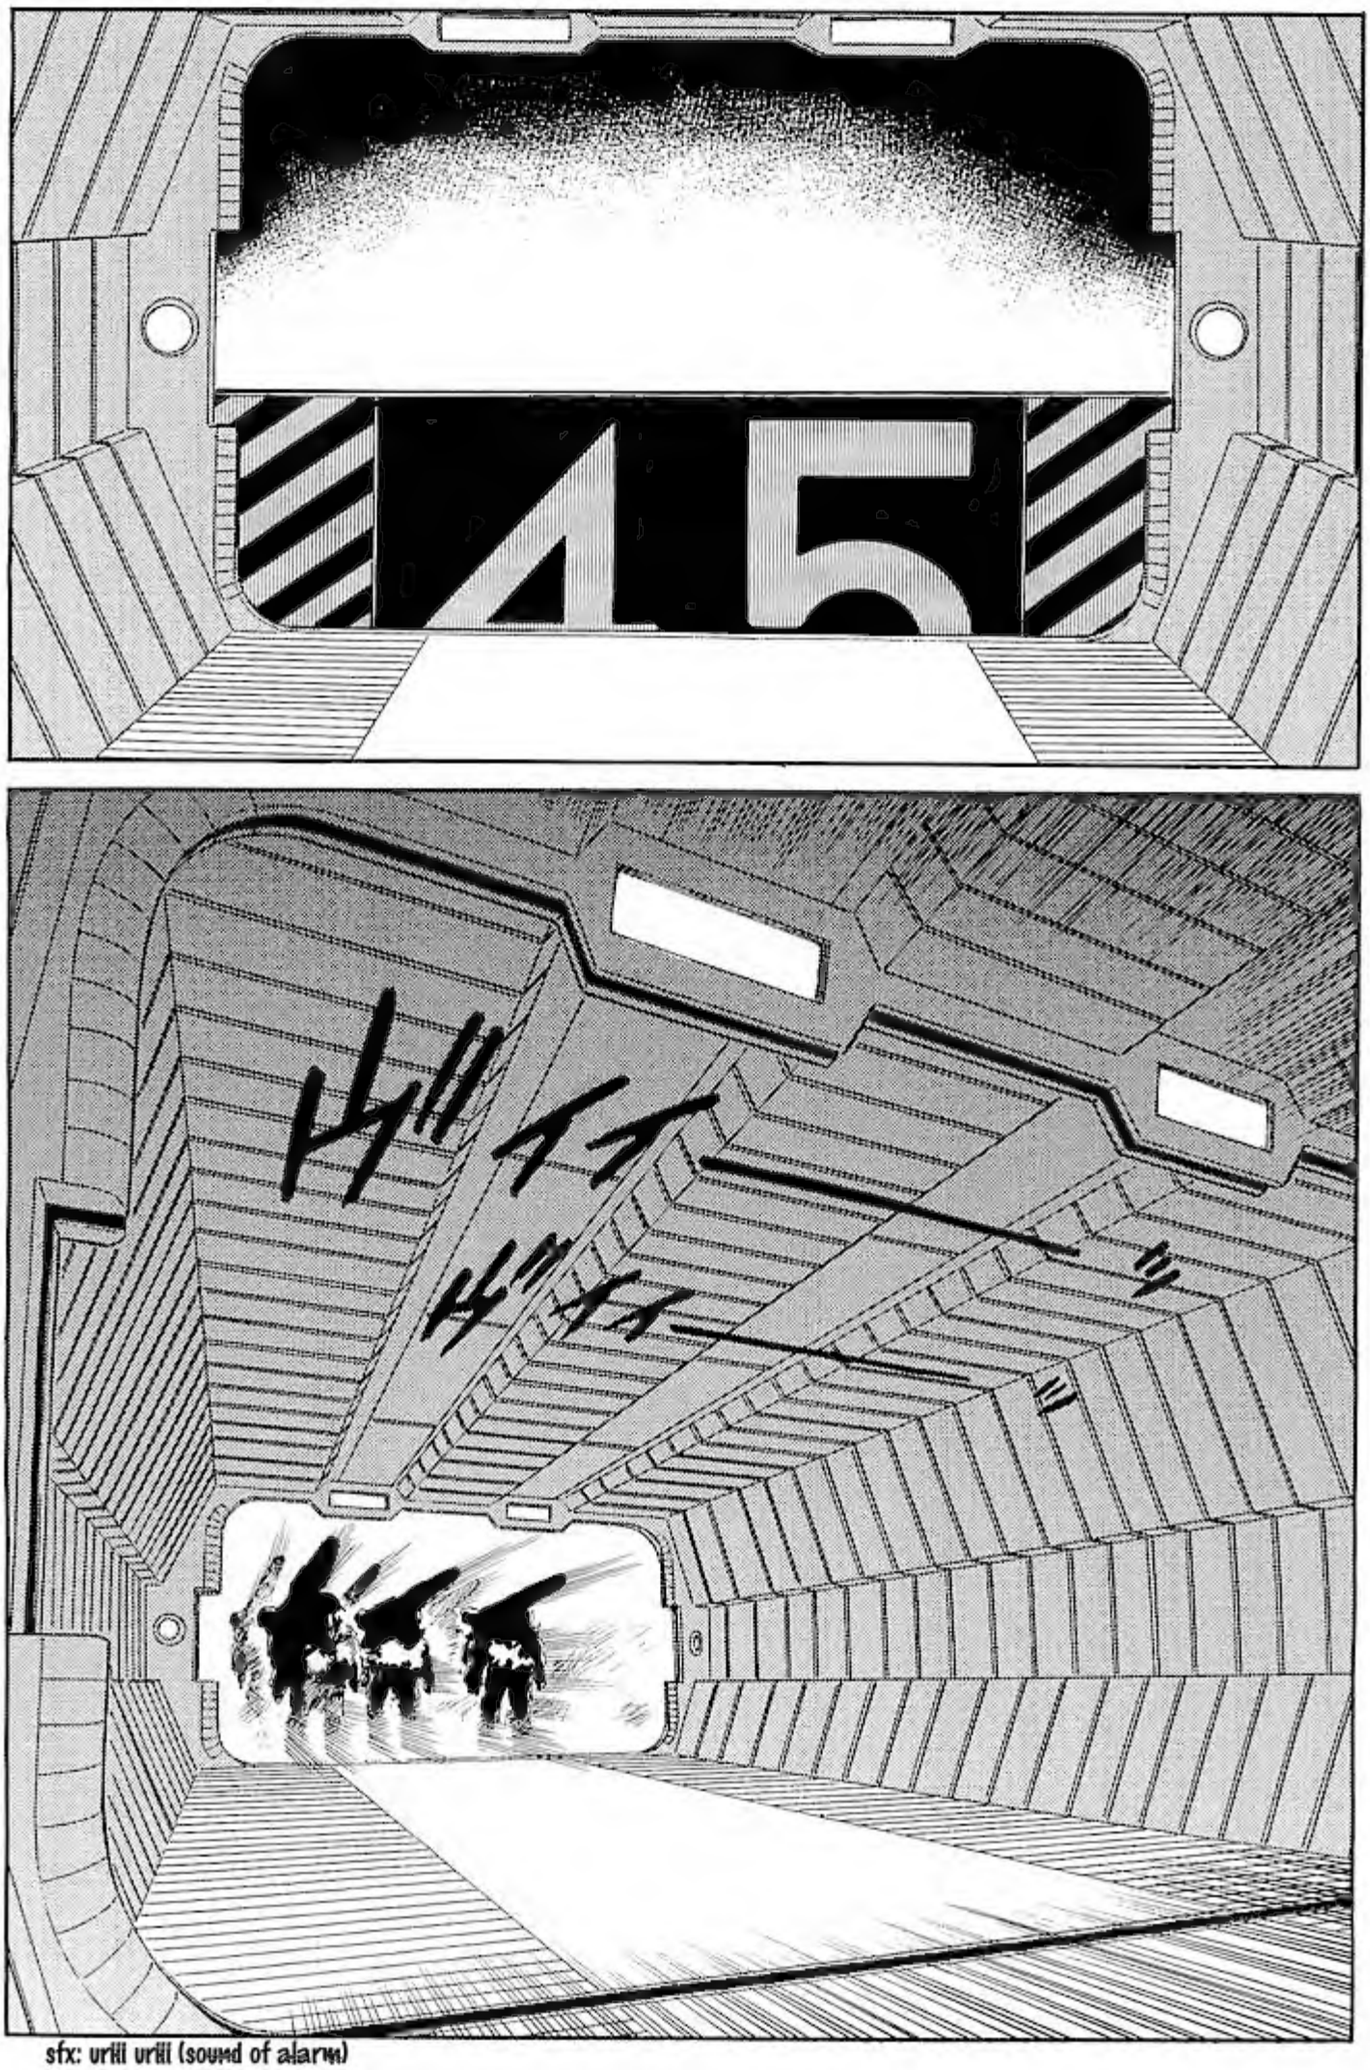
AS EXPECTED, THE COMMON SOLDIERS GOT THEIR ASSES BIT TO PIECES, BUT WE ARE LONG FROM OVER YET WE'RE PUTTING OUR SECRET WEAPON IN MOTION.
BRIGADIER GENERAL BUGLESS!
YOU TWO ARE TO RETURN TO YOUR PLATOON AND TAKE SOME REST THE FIGHT ISN'T OVER YET.
YOU CAN WATCH IF YOU PLEASE. THE FIRST STEP IS FOR "AQUARION" TO ANNIHILATE THE INCOMPLETE "DERONGAS."
THE LAST ONES TO SURVIVE WILL TRULY BE THE STRONGEST WEAPONS!
WITH THIS COMMUNICATION BLOCKADE AND IN THE PENDRAGON'S CLOSED AIRSPACE,

EVEN THOUGH PEOPLE ARE DYING, SHE HAS THIS STRANGE WAY OF SPEECH. AS IF WE'RE IN THE MIDDLE OF SOME KIND OF EXPERIMENT OF HERS
YOU MEAN THE FIRST DEPLOYMENT OF THIS SECRET WEAPON "AQUARION"?
YEAH BUT I'M SURE SHE ALSO THINKS ABOUT US "INITIALS" THE SAME WAY
THAT SINCE FIGHTING IS ALL WE WERE EVER TAUGHT, WE ARE JUST ANOTHER KIND OF WEAPON
BUT BUGLESS IS WRONG!!
WE'RE NOT SIMPLY HEARTLESS WEAPONS!!









sfx: urlil urlil (sound of alarm)
